Specifications

Get an overview of the key specifications of this equipment.

Make, model and specifications may vary and are indicative of the equipment available.

Manufacturers' models specifications

Safety

When hiring equipment or tools, it is your sole responsibility to ensure you have the appropriate PPE specific to the relevant equipment, tools and worksite. The use of any equipment or tools is done so at your own risk and Coates accepts no liability or loss resulting from such use. As a minimum, we recommend the following PPE items.

Hard hat

Steel cap boots

Hi-vis vest

Safety glasses

Safety gloves

Transport

[Back to top](#)

For safe delivery, please follow our Load Restraint Guide. If you choose not to use Coates' transport, Coates does not accept any responsibility for injury, loss, or damage that may result from improper transport of the tools or equipment. If you are unsure about how to safely transport the tools or equipment, please contact us on 13 15 52.
