

Cleansing Notice - Issue of Convertible Notes

This cleansing notice ("**Cleansing Notice**") is given by **Paradigm Biopharmaceuticals Ltd (ASX:PAR) ("Paradigm" or "the Company")**, under section 708A(12C)(e) of the *Corporations Act 2001* (Cth) ("**Corporations Act**") as amended by *ASIC Corporations (Sale Offers: Securities Issued on Conversion of Convertible Notes) Instrument 2016/82*.

The Company hereby confirms that:

- (a) the convertible notes described below have been issued without disclosure to an investor under Part 6D.2 of the Corporations Act; and
- (b) this Cleansing Notice has been given in accordance with section 708A(12C)(e) of the Corporations Act.

The issue of this Cleansing Notice enables the fully paid ordinary shares in the capital of the Company ("**Shares**") issued on the conversion of the convertible notes issued by the Company on the terms described below, to be on-sold to retail investors without further disclosure.

This Cleansing Notice is important and should be read in its entirety.

1. Background

As announced on 1 July 2025, the Company has entered into a convertible securities and share placement agreement ("**Convertible Securities Agreement**") and secured commitments for up to US\$27,000,000 through the issuance of convertible notes ("**Convertible Notes**") to Obsidian Global GP LLC ("**Obsidian**") comprising an initial drawdown of US\$7,000,000 plus any subsequent drawdowns as agreed between the Company and Obsidian.

On 7 July 2025 the first drawdown of US\$7,000,000 was provided to the Company in exchange for the issue of 7,000,000 Convertible Notes (each with a face value of US\$1.09) ("**Initial Notes**").

In addition, the Company issued a total of 8,000,000 Shares to Obsidian in consideration for entering into the Convertible Securities Agreement ("**Placement Shares**"). The Placement Shares were issued on 2 July 2025, and are intended to be used to offset any future Shares issued to Obsidian at its discretion. During the term of the Convertible Securities Agreement, Obsidian may elect to use the Placement Shares to offset the Company's obligation to issue Shares under the Convertible Securities Agreement. Where there is a continuing event of default under the Convertible Securities Agreement, Obsidian may reduce the number of Placement Shares by paying the Company an amount equal to the amount of Placement Shares to be reduced multiplied by 94% of the average of the lowest five daily volume weighted average prices ("**VWAP**") in the 20 trading days prior to the payment notice. At maturity, any unpaid Placement Shares will either be sold on-market with the net sales proceeds remitted to the Company, or transferred to a nominee of the Company for no consideration.

The Initial Notes and the Placement Shares were issued utilising the Company's available placement capacity under ASX Listing Rule 7.1.

Subject to mutual agreement and the satisfaction of other standard conditions precedent, the Company may drawdown up to an additional US\$20,000,000 in exchange for the issue of up to an additional 20,000,000 convertible notes (each with a face value of US\$1.09) ("**Subsequent Notes**").

In accordance with the Convertible Securities Agreement, and as announced on 17 November 2025, 18 February 2026, 13 July 2026 and 11 September 2026, respectively, the Company has now completed further drawdowns under the Convertible Securities Agreement as follows:

- (a) US\$5,000,000 in exchange for the issue of 5,000,000 Subsequent Notes ("**November 2025 Notes**"); and
- (b) US\$5,000,000 in exchange for the issue of 5,000,000 Subsequent Notes ("**February 2026 Notes**")
- (c) US\$3,000,000 in exchange for the issue of 3,000,000 Subsequent Notes ("**July 2026 Notes**").
- (d) US\$2,000,000 in exchange for the issue of 2,000,000 Subsequent Notes ("**September 2026 Notes**").

For further information in relation to the Convertible Securities Agreement, please refer to the Company's announcements dated 1 July 2025, 17 November 2025, 18 February 2026, 13 July 2026 and 11 September 2026 and Schedule 1 below.

A broad summary of the rights, privileges and restrictions attaching to the September 2026 Notes is set out in Schedule 1 of this Cleansing Notice. The summary is not exhaustive and does not constitute a definite statement of the rights and liabilities of the holder of the September 2026 Notes ("**Noteholder**").

This Cleansing Notice is in respect of the September 2026 Notes only. Any additional issues of Subsequent Notes (if any) will be cleansed under separate cleansing notices or cleansing prospectuses.

3. The effect of the issue on the Company

3.1 Effect of the issue on the Company

The principal effect of the issue of the September 2026 Notes on the Company is as follows:

- (a) increases the Company's cash reserves by US\$2,000,000 (before costs associated with the September 2026 Notes);

3.2 Pro-forma Consolidated Statement of Financial Position

To illustrate the effect of the issue of the September 2026 Notes on the Company, a pro-forma Consolidated Statement of Financial Position ("**Pro-forma Accounts**") which is set out below has been prepared based on the financial position in the Company's 30 June 2026 Full Year report.

The Pro-forma Accounts shows the effect of the issue of the September 2026 Notes as if they had been issued on 30 June 2026, and no other transactions, have occurred. In particular the Pro-Forma Accounts do not show the effect of the issue of any subsequent issue of Convertible Notes.

The accounting policies adopted in the preparation of the Pro-forma Accounts are the same as those used in the preparation of the 30 June 2026 audited accounts. The historical and Pro-forma Accounts are presented in an abbreviated form, insofar as they do not include all of the disclosures required by Australian Accounting Standards applicable to annual financial statements. The Pro-forma Accounts have not been subject to independent audit or review.

The Pro-forma Accounts have been prepared to provide investors with information on the assets and liabilities of the Company and pro-forma assets and liabilities on the basis that the issue of the September 2026 Notes were issued on 30 June 2026. The Company advises that the Pro-forma Accounts is not the current financial position of

the Company as at the date of this Cleansing Notice, and that the information is provided for illustrative purposes only.

The Pro-forma Accounts show the impact that the issue of the September Notes and associated securities would have had on the Company's financial position as at 30 June 2026, if these securities were issued on that date, taking into account funds of US\$2,000,000 received (before costs) on the issue of the September 2026 Notes to Obsidian and the conversion of the September 2026 Notes to shares.

Under the Convertible Securities Agreement, the Company is required to apply to ASX for quotation of the Shares issued on conversion of any September 2026 Notes.

Full details of the rights and liabilities attaching to Shares are set out in the Company's constitution, a copy of which can be inspected free of charge, at the Company's registered office during normal business hours.

The Company's constitution permits the use of technology at general meetings of shareholders (including wholly virtual meetings) to the extent permitted under the Corporations Act, ASX Listing Rules and applicable law.

Shareholders may requisition meetings in accordance with section 249D of the Corporations Act and the constitution of the Company (**Constitution**).

Subject to the rights of any preference Shareholders and to the rights of the holders of any shares created or raised under any special arrangement as to dividend, the directors of the Company (**Directors**) may from time to time declare a dividend to be paid to the Shareholders entitled to the dividend which shall be payable on all Shares according to the proportion that the amount paid (not credited) is of the total amounts paid and payable (excluding amounts credited) in respect of such Shares.

The Directors may from time to time pay to the Shareholders any interim dividends as they may determine. No dividend shall carry interest as against the Company. The Directors may set aside out of the profits of the Company any amounts that they may determine as reserves, to be applied at the discretion of the Directors, for any purpose for which the profits of the Company may be properly applied.

Subject to the ASX Listing Rules and the Corporations Act, the Company may, by resolution of the Directors, implement a dividend reinvestment plan on such terms and conditions as the Directors think fit and which provides for any dividend which the Directors may declare from time to time payable on Shares which are participating Shares in the dividend reinvestment plan, less

(h) **Variation of rights**

Under section 246B of the Corporations Act, the Company may, with the sanction of a special resolution passed at a meeting of Shareholders vary or abrogate the rights attaching to Shares.
