ASX Announcement

14 September 2026

Investor Briefing - Webcast Details

Evolution Mining Limited (ASX: EVN) (Evolution or the Company) is pleased to announce that it will host an investor briefing in Sydney on 15 September 2026, commencing at 12:30pm (AEST).

Presentations from Evolution's leadership team will focus on the Company's strategy for delivering sustainable long-term value, including updates on organic growth opportunities, key development projects, capital management and recent progress across discovery and exploration programs.

Webcast and registration information

A live audio and video webcast of the presentations will be available from 12:30pm – 4:00pm (AEST) via the following link: https://webcast.openbriefing.com/evn-id-2026/

Pre-registration is required to access the webcast. Participants can register using the link above and will receive a confirmation email, including a calendar invitation and webcast access details.

Participants are encouraged to join the webcast at least 15 minutes prior to commencement to allow sufficient time for registration and connectivity checks.

For those unable to attend live, a recording of the webcast will be available on the Company's website following the conclusion of the event at: www.evolutionmining.com

This ASX Announcement has been approved for release by Evolution Mining’s Chair, Jake Klein.

About Evolution Mining

Evolution Mining is a leading, globally relevant gold miner. Evolution operates six mines, comprising five wholly owned mines – Cowal in New South Wales, Ernest Henry and Mt Rawdon in Queensland, Mungari in Western Australia, and Red Lake in Ontario, Canada, and an 80% share in Northparkes in New South Wales. Financial year 2027 production guidance is 660,000 – 730,000 ounces of gold and 63,000 – 70,000 tonnes of copper at an All-in Sustaining Cost range of $1,795 – $1,995 per ounce.
