Pink® Building Blanket

- Provides excellent thermal insulation properties, keeping homes and buildings cooler in summer and warmer in winter
- When installed in conjunction to a Sisalation® pliable building membrane, Pink® Building Blanket minimises the risk of condensation
- Reduces energy usage to deliver cost savings
- Excellent acoustic properties – reduces rain noise
- FBS-1 Glasswool Bio-Soluble Insulation® – safe to use
- Manufactured from up to 80% recycled content
- Non-combustible
- Australian made
