About Decidr AI Industries (ASX:DAI)

Decidr AI Industries (ASX:DAI) is an AI-enablement group building the infrastructure that allows organisations to become truly AI-native. The company owns 100% of Decidr.ai, developer of the Decidr Agentic Operating System—technology that unifies business data, workflows, and decisions into a deterministic, enterprise-grade AI layer.

DAI also owns Sugarwork, a leading knowledge-capture and workflow-automation platform, further strengthening its capabilities in organisational intelligence and enterprise AI adoption.

With these combined assets, DAI is accelerating product development, expanding into new industries and geographies, and enabling its portfolio and partners to unlock rapid growth through scalable, agentic AI.
