Proxies

Generally:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair of the Meeting, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

An appointment of a proxy may specify the way the proxy is to vote on a resolution and, if it does:

- if the proxy is the Chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the Chair of the Meeting, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

- at the Meeting, a poll is duly demanded on the resolution or is otherwise required by the Corporations Act; ; and
- either of the following applies:

Explanatory Notes on the Items of Business

This information forms part of the Notice of Meeting.

AGM Considerations and Shareholder Questions

A discussion will be held on all items to be considered at the AGM.

All Shareholders and proxy holders will have a reasonable opportunity to ask questions in writing and orally during the AGM in person or via the online platform. More detailed information on how to ask questions during the meeting is provided in the Online Platform Guide available at www.computershare.com.au/virtualmeetingguide and on our website at www.mmsg.com.au.

To ensure that as many Shareholders as possible have the opportunity to participate, Shareholders are requested to observe the following:

- all Shareholder questions should be written clearly and should be relevant to the business of the AGM, including matters arising from the Financial Report, Sustainability Report, Directors' Report (including the Remuneration Report) and Independent Auditor's Reports, and general questions about the performance, business or management of the Company;
- if a Shareholder has more than one question on an item, all questions should be asked at the one time; and
- Shareholders should not ask questions at the AGM regarding personal matters or those that are commercial in confidence.

Shareholders are encouraged to submit questions to the Company or its auditor (via the Company) in advance of the AGM by completing a Shareholder Question Form. Please follow the instructions on the Shareholder Question Form for information on how the Shareholder Question Form can be submitted to the Company. To allow time to collate questions and prepare answers, submitted written questions need to be received by no later than 5.00pm (Melbourne time) on Friday, 16 October 2026.

The Chair will endeavour to address as many of the more frequently raised questions as possible during the meeting. Please note that individual responses will not be sent to Shareholders.

Item 1: Financial and other reports

Under section 317 of the Corporations Act, the Financial Report, Sustainability Report, Directors' Report and Independent Auditor's Reports of the Company in respect of the 2026 financial year will be laid before the meeting.

There is no requirement for a formal resolution on this item of business. Shareholders will, however, be given the opportunity to raise questions or comments on the reports at the meeting.

The reports are available on the Company's website www.mmsg.com.au.

Item 2: Adoption of Remuneration Report

Under section 250R(2) of the Corporations Act, a resolution must be put to the Shareholders that the Remuneration Report be adopted. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Board will, however, take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

The Remuneration Report is set out in the Company's 2026 Annual Report and:

- explains the Board's policies in relation to the nature and level of remuneration paid to KMP;
- discusses the link between the Board's remuneration policies and the Company's performance;
- provides a summary of performance conditions applicable to KMP, explaining why they were chosen and how performance is measured against them;
- sets out remuneration details for each KMP; and
- makes clear that the basis of remunerating non-executive Directors is distinct from the basis for remunerating Executive KMP, including the CEO and Managing Director.

A reasonable opportunity will be provided to Shareholders to ask questions in writing and orally on the Remuneration Report at the meeting.

If at least 25% of the votes cast on the resolution to adopt the Remuneration Report are against adoption of the report at the Meeting (subject to this Notice of Meeting), then:

- if comments are made on the report at the AGM, the Company's Remuneration Report for FY27 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at the Company's 2027 AGM, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report for the relevant financial year are against its adoption, the Company will be required to put to Shareholders a resolution proposing that a general meeting (Spill Meeting) be called to consider the election of Directors of the Company (Spill Resolution). The Spill Meeting must be held within 90 days of the date of the 2027 AGM. For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all the

This information forms part of the Notice of Meeting.

Items 5 and 6: Issue of Performance Rights and Share Rights to CEO and Managing Director

Background

The Board has determined that the remuneration framework should remain unchanged from the prior year.

The FY27 remuneration framework is summarised as follows:

- Fixed annual remuneration (base salary plus superannuation plus allowances);
- Short term incentive plan (STIP) opportunity – part paid in cash following a one year performance period and part delivered in Share Rights following a one year service based deferral. An annual balanced scorecard will apply to both components and be comprised of financial and non-financial defined targets for FY27; and
- Long term incentive plan (LTIP) opportunity – an annual grant of performance rights with a single three year performance window set at the beginning of year one and measured at the end of year three. (These targets will relate to earnings per share (EPS) and return on capital employed (ROCE), as outlined below).

The Board (excluding the Managing Director) has determined for FY27 that the CEO and Managing Director's fixed remuneration be increased to \$890,000 inclusive of superannuation, his maximum STIP opportunity remain at 100%, and that his maximum LTIP opportunity be increased to 120% (100% in FY26).

Under the terms and conditions of employment with the Company, Mr De Luca's remuneration will be paid partly in Rights and partly in cash with the Rights component subject to shareholder approval.

The proposed issue of Performance Rights and Share Rights is pursuant to the McMillan Shakespeare Limited Executive Incentive Plan Rules, as amended and approved by shareholders in 2024 (Incentive Plan).

If Items 5 and 6 are approved by Shareholders, the Board intends to issue the Performance Rights and Share Rights to Mr De Luca as soon as reasonably practicable following the AGM and in any event, not later than three years from the date of the meeting. A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

LTIP – Issue of Performance Rights

Subject to shareholder approval of Item 5, it is proposed to issue 55,079 Performance Rights to Mr De Luca.

The total value of the FY27 LTIP Performance Rights to be awarded to Mr De Luca in FY27 of \$1,068,000 represents a face value of 120% of his fixed salary. The face value of \$1,068,000 is divided by the five-day volume weighted average MMS share price (VWAP) up to 30 June 2026 of \$19.39 to determine the number of LTIP Performance Rights (subject to rounding).

Vesting Conditions for Performance Rights

The Performance Rights offer to be made to Mr De Luca under the LTIP in FY27 will be subject to certain vesting conditions in addition to a condition of on-going employment. They will be offered for nil consideration that vest after three years on the terms as set out in the LTIP Financial Metric table below.

LTIP Financial Metric

Metric	Percentage of Total under the Tranche (Number of Rights)	0% Vesting	50% - 100% Vesting
3 Year earnings per share (EPS) compound annual growth rate (CAGR)	65% (35,801)	<5.0 %	Between 5.0% and 9.0%
3 Year Average return on capital employed (ROCE)	35% (19,278)	<55 %	Between 55% and 65%

Similarly to FY26, the weighting on EPS CAGR is 65% and the weighting on average ROCE is 35%, to align with the Company's focus on earnings growth and capital optimisation.

Conversion of Performance Rights is subject to Mr De Luca's continued employment with the Company as at the date of lodgement of the Company's FY29 financial statements with the ASX.

STIP – Issue of Share Rights

Subject to shareholder approval of Item 6, it is proposed to issue 16,219 Share Rights to Mr De Luca.

The number of Share Rights offered reflects the deferred component of the FY26 STIP outcome determined against an annual balanced scorecard comprising financial and non-financial measures.

Explanatory Notes on the Items of Business

This information forms part of the Notice of Meeting.

The face value of \$314,500 is divided by the five-day VWAP up to 30 June 2026 of \$19.39 to determine the number of STIP Share Rights (subject to rounding). As a result, the Company proposes to issue 16,219 Share Rights to Mr De Luca as incentive-based remuneration on the terms set out below.

Vesting Conditions for Share Rights

The Share Rights offer to Mr De Luca will be subject to a condition of on-going employment. They will be offered for nil consideration and vest following a one year service based deferral.

Approval of acquisition of Rights under ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- a. a director of the Company;
- b. an associate of a director of the Company; or
- c. a person whose relationship with the Company or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr De Luca is a Director, the approval of Shareholders is required for him to participate in the Incentive Plan. In particular, ASX Listing Rule 10.14.1 requires Shareholder approval for Mr De Luca to participate in an employee share plan under which he acquires, or may acquire, equity securities in the Company. Mr De Luca is the only director eligible to participate in the Incentive Plan.

Accordingly, the Company seeks the approval of Shareholders in respect of the proposed issue of the Performance Rights and Share Rights (and the issue of new shares or acquisition of shares on market on vesting of the Performance Rights and Share Rights) to Mr De Luca on the terms and conditions set out below.

Other Information required under LR 10.15

The Company will not apply to the ASX for official quotation of the Performance Rights and Share Rights granted under the Incentive Plan.

- Mr De Luca, CEO and Managing Director was previously issued 228,915 Performance Rights and 50,088 Share Rights following Shareholder approval.
- Shares issued pursuant to the vesting of Performance Rights or Share Rights (each a 'Right') will rank equally with Shares then on issue. The Board has the discretion to settle the Rights by way of Shares or a cash equivalent payment.
- The Company has the flexibility to issue new shares or to purchase shares on-market for allocation to Mr De Luca on vesting of Performance Rights and Share Rights.
- There is no proposed loan scheme in relation to the Performance Rights and Share Rights or the Incentive Plan.
- Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Securities Trading Policy. Participants are specifically prohibited from hedging their Company share price exposure in respect of their Performance Rights and Share Rights during the vesting period.
- There is no exercise price payable by the CEO and Managing Director to exercise the Performance Rights and Share Rights once they have vested and the expiry date will be 5 years from the date of issue.
- Details of the Performance Rights and Share Rights granted to Mr De Luca will be provided in the Company's Remuneration Reports for FY27, FY28 and FY29.
- Mr De Luca's total cost to the Company of remuneration for FY26 was \$1,900,640 comprising (cash salary, annual leave, other benefits, superannuation, long service leave and Performance Rights and Share Rights). Further details on Mr De Luca's total annual remuneration package for FY26 are set out in the Company's FY26 Remuneration Report. Mr De Luca's total remuneration package for FY27 will be \$2,848,000 comprised of fixed remuneration, STIP and LTIP.
- Details of any securities issued to Mr De Luca under the Incentive Plan will be published in the Company's Annual Report, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. No additional persons covered by ASX Listing Rule 10.14 will participate in the Incentive Plan without Shareholder approval being first obtained.

The Board believes that it is in Shareholders' best interests to provide the CEO and Managing Director with an incentive to ensure there is significant alignment between returns for Shareholders and the rewards for the CEO and Managing Director by linking an appropriate part of his remuneration to the generation of long term returns for Shareholders. If Shareholders do not approve the proposed grant of Performance Rights and Share Rights to Mr De Luca, the Board will instead seek to negotiate alternative incentives to the value of the proposed grant with Mr De Luca. Any alternate long-term incentives granted will be subject to performance hurdles.

Directors' Recommendation

The Directors (excluding Mr De Luca) recommend that Shareholders vote in favour of Items 5 and 6.

Annexure A – Summary of the Key Terms of the Incentive Plan

General

The Plan is intended to retain and motivate the Company's management team and provide strong alignment with Shareholder outcomes. Under the Plan, the Board has the discretion to offer Shares or grant Options, Performance Rights, Share Rights or Indeterminate Rights (Rights) to Eligible Employees (which includes executive Directors) of the Company or a related body corporate. An offer of shares may be accompanied by an offer of a loan (acquisition loan) from the Company or a related body corporate to acquire the shares. Note, there is no current proposal to offer loans under the Plan. Both Options and Rights give a participant in the Plan a right to acquire shares in the Company subject to the achievement of both time based and performance based vesting conditions, with Options requiring the payment of an exercise price to acquire the shares and a Right not requiring the payment of an exercise price. The Board has the discretion to amend the rules of the Plan (including respectively in respect of previous awards of shares, options, performance rights, share rights or indeterminate rights) but not so as to reduce the rights of participants, except where necessary to correct obvious errors or mistakes or to comply with legal requirements or where agreed by the participant. Awards under the Plan are made at the Board's discretion.

Eligibility

The rules allow for offers under the Plan to be made to any employee of the Company or a related body corporate, including executive directors, or such other person as the Board determines. However, it has been the case and it is currently intended to continue to be the case that participation in the Plan will only be offered to the Company's eligible employees including the Managing Director.

Issue of shares and grant of Options or Rights

Shares, Options, and Rights may be issued under the Plan subject to vesting conditions, including time and performance based hurdles. The Board determines the details of the vesting conditions attaching to Shares, Options and Rights under the Plan prior to offers of participation being made. Shares, Options or Rights will only vest (under normal circumstances) upon satisfaction of the time and performance-based vesting conditions. If those conditions are not met, Shares will be bought back or the Options or Rights will generally expire and not be capable of exercise.

Delivery of shares

Shares in the Company will be delivered to participants upon exercise of vested options or the vesting of rights. The Company may deliver Shares by new issue or by purchasing Shares for transfer to participants. No exercise price is payable on the vesting of Rights.

Claw-Back Events

The Plan provides for the Claw-Back of Shares, Options or Rights offered under the plan in certain circumstances, including on the forfeiture of the Shares, Options or Rights.

Change of control

- If any transaction or event is proposed that, in the opinion of the Board, is likely to result in one or more persons becoming entitled to exercise control over the Company then, prior to the vesting and exercise (as applicable) of an award made under these Rules, or an award made under these Rules ceasing to be subject to any Disposal Restriction, the Board may determine in its absolute discretion, whether some or all of the awards:
 - vest (whether subject to further Vesting Conditions or not, and whether subject to any Disposal Restrictions or not);
 - lapse or are forfeited;
 - remain on foot subject to the applicable Vesting Conditions and / or Disposal Restrictions;
 - remain on foot subject to substitute or varied Vesting Conditions and / or Disposal Restrictions; or
 - may only be exercised within a specific period, where the transaction or event occurs during the period that a vested award may be exercised, having regard to any matter the Board considers relevant, including, without limitation, the circumstances of the transaction or event, the extent to which the applicable Vesting Conditions have been satisfied and/or the proportion of the performance or service period and/or Disposal Restriction period that has passed at that time.
- Where the Board does not exercise its discretion and a Change of Control event occurs then, unless the Board determines otherwise:
 - any unvested award will vest on a pro-rata basis to time, based on the proportion of the performance or service period that has passed at the time of the Change of Control event;
 - an award which is subject to any Disposal Restriction at the time of the Change of Control event, will no longer be subject to the Disposal Restriction; and
 - where the Change of Control event occurs during the period an award is exercisable, the award may only be exercised during the period specified by the Board, which can be a period that is shorter or ends earlier than the expiry date.

Annexure A – Summary of the Key Terms of the Incentive Plan

Expiry of Options and Rights and leaver treatment

Unless otherwise determined by the Board in its discretion, Options which have not been exercised and Rights which have not vested will expire and cease to exist on the expiry date specified at the date of grant, or upon the Board making a determination that the Options or Rights are to be forfeited.

If a Participant ceases to be employed by the Company or any of its subsidiaries, the treatment of its Options and Rights will depend on the circumstances of the Participant's departure as follows:

- If a Participant becomes a Good Leaver, unless the Board determines otherwise in its absolute discretion, the Participant:
 - may retain their Vested Options and Vested Rights; and
 - may retain the Relevant Proportion of their Unvested Options and Unvested Rights (rounded up to the nearest whole Option and Right), and there will be no change to the terms and conditions applying to those retained Unvested Options and Unvested Rights unless the Board determines otherwise in its absolute discretion; and
 - must forfeit the Remaining Proportion of their Unvested Options and Unvested Rights.
- If a Participant becomes a Bad Leaver, unless the Board determines otherwise in its absolute discretion, the Participant:
 - may retain their Vested Options and Vested Rights, provided that those Options and Rights must be exercised on or prior to the earlier of:
 - 5pm (Melbourne time) on the date that is 1 calendar month following the date that the Participant becomes a Bad Leaver; and
 - the expiry date set out in the terms and conditions specified at the Time of Grant; and
 - must forfeit all of their Unvested Options and Unvested Rights.

In all cases, the treatment of Securities granted under the Plan where a Participant becomes a Leaver is subject to Applicable Law, including in relation to the provision of termination benefits under Part 2D.2 Division 2 of the Corporations Act. The Board is not bound to exercise any discretion in connection with a Security granted under the Plan or provide any associated benefit in connection with a Participant becoming a Leaver to the extent that the amount of the benefit (together with all other relevant termination benefits) exceeds the amount that is permitted to be paid or given under the Corporations Act without member approval, if such relevant approval has not been obtained.

Restrictions on shares and forfeiture conditions

Shares, Options and Rights, and shares delivered on exercise, may be subject to claw-back or forfeiture (subject to lifting at the discretion of the Board) if a participant commits any act of fraud, defalcation or gross misconduct in relation to the Company or a related body corporate. In addition, the Board can decide, on the offer of Shares or the grant of Options or Rights under the Plan the circumstances under which the Shares, Options or Rights are to be forfeited in additional circumstances, such as the termination or cessation of employment. Shares delivered on exercise of Options or Rights may be subject to disposal restrictions in the form of a holding lock (subject to removal at the discretion of the Board).

Hedging economic exposure prohibited

Without limiting the prohibitions in Part 2D.7 of the Corporations Act (ban on hedging remuneration of key management personnel), the terms of the Plan prohibit entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under the Plan.

Use of Share Plan Trust

The Board may, in its discretion, use an employee share trust for the purposes of holding Shares (whether on an allocated or unallocated basis) and/or fulfilling awards made by the Company under the Plan on such terms and conditions as are determined by the Board from time to time. For the avoidance of doubt, the Company may do all things the Board considers necessary for the establishment, administration, operation and funding of an employee share trust.
