ASX announcement

Aura Consolidated Group, Inc. (ASX: AXQ) – Update to previous notice under ASX Listing Rule 3.10A

Aura Consolidated Group, Inc. (ARBN 695 488 843) (**Aura**) refers to its announcement dated 15 September 2026 regarding the anticipated release of a holding lock applying to 49,133,118 Aura Shares/CDIs (the **Securities**) (**Prior Announcement**).

The Securities are subject to lock-up arrangements which terminate upon the registration statement on Form S-1 (the **Form S-1**) filed by Aura with the U.S. Securities and Exchange Commission (the **SEC**) being declared effective by the SEC. The Prior Announcement was made in anticipation of the Form S-1 becoming effective on 22 September 2026 and the holding lock on the Securities being released on that date.

Aura now advises that the Form S-1 will not become effective on 22 September 2026. As a result, the lock-up arrangements applying to the Securities will not be released on that date and the holding lock will remain in place until such time as the Form S-1 becomes effective.

Aura will make a further announcement to the market when it is in a position to confirm the date on which the Form S-1 is expected to become effective and the Securities will be released from the holding lock.

The release of this announcement was authorised by William Lundregan, Chief Legal Officer and Secretary.
