ASX RELEASE

ASX: KYP

KYP to undertake on-market share buyback

Leading Australian "Know Your People" RegTech company, Kinatico Limited (ASX:KYP) (Company or Kinatico) is pleased to announce that it will undertake an on-market buy-back of ordinary shares ("Share Buy-Back"). The Company intends to allocate up to $5,000,000 of its existing cash reserves to the Share Buy-Back, to buy up to 43.2m Kinatico shares.

Given that the Company is generating positive operating cashflow, the Board and Management believe that an on-market buy-back will be an efficient and balanced form of capital management. The Board and Management consider that Kinatico's current share price does not accurately reflect the underlying value of the Company's assets and the Share Buy-Back represents an opportunity to enhance the value of the remaining shares on issue, as well as providing an opportunity to improve the liquidity of the stock.

The Share Buy-Back will be within the "10/12 limit" permitted by the Corporations Act 2001 (C'th) and therefore does not require shareholder approval.

The Company intends to commence the Share Buy-Back on 5 October 2026 for a period of up to 12 months.

The timing and actual number of shares to be purchased will be subject to market conditions. The Board considers that the Share Buy-Back will not impact the Company's current activities for the next 12 months.

The Company proposes to instruct its broker, Third Party Platform Pty Ltd, to take a position in the market only where that position maximises the benefits of the Share Buy-Back to the Company; and reserves the right to suspend or terminate the Share Buy-Back at any time. Kinatico advises shareholders that there can be no certainty that the Company will acquire any or all shares under the Share Buy-Back.

The Appendix 3C (Parts 1 to 3) in respect of the Share Buy-Back accompanies this announcement.
