EXPLANATORY STATEMENT

1 Important Notice

The purpose of this Explanatory Statement is to provide Shareholders with an explanation of the business of the meeting and the resolutions proposed to be considered at the Annual General Meeting to be held on Wednesday 28 October 2026 at 11:00 am (AEDT) and to assist Members in determining how they wish to vote on the resolutions.

2 Resolution 1 - Non-Binding Resolution to adopt Remuneration Report

The Remuneration Report of the Company for the financial year ended 30 June 2026 is included in the Directors' Report in the Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

Section 249L(2) of the Corporations Act requires a company to inform Shareholders that a resolution on the Remuneration Report will be put at the Annual General Meeting (AGM). Section 250R of the Corporations Act requires a resolution that the Remuneration Report be adopted be put to the vote. Resolution 1 seeks this approval.

In accordance with Section 250R(3) of the Corporation Act, Shareholders should note that Resolution 1 is "advisory only" and does not bind the Company. However, the Directors recognise the outcome of this Resolution as an indication of Shareholder sentiment in relation to the FY2026 Remuneration Report.

Shareholders have the ability to "spill" the Company's board if there are "two strikes" against the adoption of the Remuneration Report at two successive AGMs. Under Section 250SA of the Corporation Act, the Chairman will provide a reasonable opportunity for discussion of the Remuneration Report at the AGM.

Under the Corporations Act 2001, if 25% or more of votes that are cast at the Meeting are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on an additional resolution (a "**Spill Resolution**") that a future meeting be held within 90 days of the Spill Resolution. At that further meeting, all of the Company's Directors (other than any Managing Director) must go up for re-election.

There will be no requirement at this AGM for a Spill Resolution.

Noting that each Director has a personal interest in their own remuneration as set out in the Remuneration Report, the Board recommends that Shareholders vote in favour of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in favour on this Resolution.

3 Resolution 2 – Re- election of Mr Alesander Beard as a director

Mr Alexander Beard retires by rotation at this meeting and offers himself for re-election to the Board.

Details in relation to Mr Alexander Beard are set out in the Directors' Report section of the Annual Report. Mr Beard is not an independent director.

The Board (Mr Alexander Beard abstaining) unanimously recommend that Shareholders **vote in favour** of Resolution 2. The Chairman of the Meeting intends to vote all available proxies in favour on this Resolution.

4 Resolution 3 – Appointment of Auditor

William Buck Audit (Vic) Pty Ltd (William Buck) was the Company's former auditor and resigned on 19 November 2025 after receiving consent from the Australian Securities and Investments Commission (ASIC). The Board was satisfied with the services provided by William Buck and thanked them for their services rendered to the Company.

On 19 November 2025, the Company nominated Connect National Audit Pty Ltd ("Connect National Audit") as the Company's new auditor. In accordance with section 328B of the Corporations Act 2001, Connect National Audit has provided its consent in writing to act as auditor of the Company.

On 1 July 2026, Connect National Audit completed a strategic alliance with Stannards Audit. The alliance led to a change in Connect National Audit's company structure, and a new ASIC-authorised audit company was formed.

On 4 August 2026, ASIC consented to the resignation of Connect National Audit as the Company's auditor, and, in accordance with section 327(c) of the Corporations Act 2001, appointed Stannards Audit Pty Ltd (Stannards) to fill the vacancy on 4 August 2026.

The change of auditor will take effect upon passing this resolution at this shareholders' meeting.

The Company nominates Stannards as the new auditor of the Company. In accordance with section 328B of the Corporations Act 2001, a copy of this notice of nomination of Stannards is attached to this Notice of Meeting.

Stannards has provided their consent in writing to act as auditor of the Company.

Stannards confirms that it does not currently provide any other services to the Company, and the Company confirms that it is unaware of any matter or circumstances that would give rise to a conflict-of-interest situation, as defined in section 324CD of the Corporations Act, in relation to the Company.

The Board has also noted that Stannards is registered as an auditor under section 1280 of the Corporations Act and is a well-established firm with the necessary expertise and skill necessary to meet the Company's requirements. Accordingly, subject to the Company receiving shareholder approval at this shareholders' meeting, Stannards has been nominated and selected as the Company's new auditor.

The Directors unanimously recommend that shareholders vote in favour of this resolution to appoint Stannards as the Company's new auditor.

5 Resolution 4 – Ratification of issue of Placement Shares to sophisticated investors

On 9 September 2026 the Company announced a placement of 12,916,667 fully paid Ordinary Shares to institutional and sophisticated investors, at an issue price of \$0.12 per share (which represent a 20% discount to the last closing price of \$0.15 per share on Friday, 4 September 2026 and a 11% discount to the 10-day volume weighted average price ("VWAP") of \$0.1347 up to and including 4 September 2026) to raise \$1.55 million to fund the ongoing build-out and growth initiatives within Aldridge Traffic Systems ("ATS"), to complete the Company's cost reduction and operational efficiency program, funds for working capital and costs of the Placement.

On 17 September 2026, the Company issued 10,310,172 fully paid Ordinary Shares under the Company's 15% placement capacity pursuant to Listing Rule 7.1 and 2,606,495 fully paid Ordinary Shares under the Company's 10% placement capacity pursuant to Listing Rule 7.1a.

Listing Rule 7.1 imposes a limit on the number of Ordinary Shares that the Company can issue without Shareholder approval. Generally, a company may not, without shareholder approval, issue, during any 12 months period, more than 15% of the number of Ordinary Shares on issue 12 months before the issue date. Subject to obtaining shareholder approval at the previous annual general meeting, Listing Rule 7.1A permits eligible entities to issue a further 10% of the number of Ordinary Shares on issue 12 months before the issue date.

If Resolutions 4 is passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 months period following the date of the issue.

If Resolutions 4 is not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 months period following the date of the issue.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

By ratifying the issue of 12,916,667 Ordinary Shares, the Company will retain the flexibility to issue equity securities in the future up to 15% placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

In accordance with Listing Rule 7.5 the following information is provided to Shareholders in relation to Resolution 4:

The number of securities issued:	12,916,667 Ordinary Shares
Date of issue:	17 September 2026
The issue price of Ordinary Share:	\$0.12 per Ordinary Share
The names of the allottees:	Various sophisticated investors
The terms of the securities:	Fully paid ordinary shares
The intended use of the funds raised:	The funds raised under the Placement are to be used to fund the ongoing build-out and growth initiatives within Aldridge Traffic Systems ("ATS"), to complete the Company's cost reduction and operational efficiency program, funds for working capital and costs of the Placement.

The Directors unanimously recommend that Shareholders **vote in favour** of Resolutions 4.

Related Parties (Directors) Participation in Placement of Shares

6 Resolutions 5, 6, 7, and 8 – Issue of Shares to Related Parties

On 9 September 2026, the Company announced that it had received binding commitments to raise up to approximately \$1.55 million pursuant to a placement of Shares to sophisticated investors (Placement).

As announced on 9 September 2026, the Directors wish to participate in the Placement on the same terms as unrelated participations and gave their commitment to subscribing for 2,583,333 New Shares, raising approximately 310,000, subject to the Company obtaining Shareholder approval for the related party participation (which is being sought pursuant to Resolutions 5, 6, 7, and 8).

Accordingly, Resolutions 5, 6, 7, and 8 seeks Shareholder approval for the issue of an aggregate of 2,583,333 Shares to directors of the Company as follows and their participation in the placement is on the terms set out below.

Director's commitment to subscribe for shares in the placement announced on 9 September 2026

Name of Director	Number of shares	Amount
Mr Alexander Beard	416,667	50,000
Mr Constantin Scrinis	1,072,916	128,750
Mr Michael Koutsakis	572,917	68,750
Mr Michael Monsonogo	520,833	62,500
	2,583,333	310,000

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Shares which constitutes giving a financial benefit and Mr Alexander Beard, Mr Constantin Scrinis, Mr Michael Koutsakis, and Mr Michael Monsonego (or their nominees) are related parties of the Company by virtue of being Directors.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the Shares will be issued to the Directors (or their nominees) on the same terms as Shares issued to non-related party participants in the Capital Raising and as such the giving of the financial benefit is on arm's length terms.

Section 195(4) of the Corporations Act

Section 195 of the Corporations Act provides that a Director of a public company may not vote or be present during meetings of Directors when matters in which that Director holds a "material personal interest" are being considered, except in certain limited circumstances. Section 195(4) relevantly provides that if there are not enough Directors to form a quorum for a Directors meeting because of this restriction, one or more of the Directors may call a general meeting and the general meeting may pass a resolution to deal with the matter.

It might be argued (but it is neither conceded nor, indeed, is it thought by the Board to be the case) that each of the Directors comprising the Board have a material personal interest in the outcome of Resolutions 5, 6, 7, and 8 as Shares are proposed to be issued to each of the Directors under the Participation. If each Director does have such an interest, then in accordance with section 195(4) a quorum could not be formed to consider the matters contemplated by Resolutions 5, 6, 7, and 8 at Board level.

Accordingly, for the avoidance of any doubt, and for the purpose of transparency and best practice corporate governance, the Company also seeks Shareholder approval for the purposes of section 195(4) of the Corporations Act that the 'arm's length terms' exception in section 210 of the Corporations Act applies to Resolutions 5, 6, 7, and 8.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 5, 6, 7, and 8 seeks Shareholder approval for the Participation under and for the purposes of Listing Rule 10.11.

Technical information required by Listing Rule 14.1A

If Resolutions 5, 6, 7, and 8 are passed, the Company will be able to proceed with the issue of the Shares under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used for additional working capital purposes. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity.

If Resolutions 5, 6, 7, and 8 are not passed, the Company will not be able to proceed with the issue of the Shares under the Participation, and no further funds will be raised in respect of the Capital Raising.

Technical Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolutions 5, 6, 7, and 8:

- (a) the Shares will be issued to Mr Alexander Beard, Mr Constatin Scrinis, Mr Michael Koutsakis, and Mr Michael Monsonogo (or their nominees), who fall within the category set out in Listing Rule 10.11.1, as Mr Alexander Beard, Mr Constantin Scrinis, Mr Michael Koutsakis, and Mr Michael Monsonogo are related parties of the Company by virtue of being Directors;
- (b) the maximum number of Shares to be issued is 2,583,333 Shares comprising:
 - (i) 416,667 Shares to Mr Alexander Beard (or his nominee) being the subject of Resolution 5;
 - (ii) 1,072,916 Shares to Mr Constantin Scrinis (or his nominee) being the subject of Resolution 6;
 - (iii) 572,917 Shares to Mr Michael Koutsakis (or his nominee) being the subject of Resolution 7; and
 - (iv) 520,833 Shares to Mr Michael Monsonogo (or his nominee) being the subject of Resolution 8.
- (c) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Shares will be issued on the same date;
- (e) the issue price will be \$0.12 per Share, being the same issue price as Shares issued to other participants in the Capital Raising. The Company will not receive any other consideration for the issue of the Shares;
- (f) the purpose of the issue of Shares under the Participation is to raise capital, which the Company intends to use for working capital purposes;
- (g) the Shares to be issued under the Participation are not intended to remunerate or incentivise the Director;
- (h) the Shares are not being issued under an agreement; and
- (i) voting exclusion statements are included in Resolutions 5, 6, 7, and 8 of the Notice.

7 Resolution 9 – Approval for Additional Placement Capacity

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index, and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 9 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Resolution 9 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 9 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

The exact number of Equity Securities to be issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2, (refer to section 6.2 below).

The Directors believes that Resolution 9 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution.

7.2 Listing Rule 7.1A

The ability to issue equity securities under Listing Rule 7.1A is subject to Shareholder approval by way of special resolution at the Annual General Meeting.

Approval cannot be sought at any other Shareholder's meeting and equity securities issued under the approval (if obtained) must be issued within 12 months after the date of the Annual General Meeting. No equity securities can be issued under Listing Rule 7.1A before the special resolution is passed.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of quoted Equity Securities on issue, being Ordinary Shares.

The exact number of Equity Securities that the Company may issue under an approval pursuant to Listing Rule 7.1A will be calculated according to the following formula:

$(A \times D) - E$

Where:

A number of fully paid Ordinary Shares on issue at the commencement of the relevant period:

- plus, the number of fully paid Ordinary Shares issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17,
- plus, the number of fully paid Ordinary Shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where;
- the convertible securities were issued or agreed to be issued before the commencement of relevant period; or
- the issue of, or agreement to issue, the convertible securities were approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4.

- plus, the number of fully paid Ordinary Shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
- the agreement was entered into before the commencement of the relevant period; or
- the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus, the number of fully paid Ordinary Shares issued in the relevant period with approval under rule 7.1 or rule 7.4,
- plus, the number of partly paid Ordinary Shares that became fully paid in the relevant period,
- less the number of fully paid Ordinary Shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating the Company's 15% placement capacity.

D means 10%.

E means the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Shares that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Shares in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to the formula above).

7.3 Technical Information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 9:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of the Company's Equity Securities, calculated over the 15 Trading Days immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i), the date on which the Equity Securities are issued.

(b) Date of Issue (Additional Placement Period)

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and expiring on the first to occur of the following:

- the date that is 12 months after the date of the Annual General Meeting.
- the time and date of the entity's next annual general meeting and
- the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking),

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Ordinary Shares under the issue.

If Resolution 9 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Ordinary Shares would be as shown in the table below. There is a risk that:

- (i) the market price for the Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the AGM; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of Ordinary Shares as of 21 September 2026 and the current number of Equity Securities on issue for variable "A" of the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) an example where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of Ordinary Shares the Company has on issue. The number of Ordinary Shares on issue may increase as a result of issues of Ordinary Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) an example of the result of the issue price of ordinary securities decreasing by 50% and increasing by 50% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.07 50% decrease in issue price	\$0.14 Issue Price	\$0.21 50% increase in issue price
Current Variable A 68,734,477 Shares	10% Voting Dilution	6,873,448 Shares	6,873,448 Shares	6,873,448 Shares
	Funds Raised	\$571,558	\$1,143,116	\$1,714,674
50% increase in Variable A 103,101,716 Shares	10% Voting Dilution	10,310,172 Shares	10,310,172 Shares	10,310,172 Shares
	Funds Raised	\$857,337	\$1,714,674	\$2,572,011
100% increase in Variable A 137,468,9548 Shares	10% Voting Dilution	13,746,896 Shares	13,746,896 Shares	13,746,896 Shares
	Funds Raised	\$1,143,116	\$2,286,232	\$3,429,348

(iii) The table above uses the following assumptions:

- The current shares on issue are the Ordinary Shares on issue as at the date of this notice.
- The issue price set out above is the closing price of the Ordinary Shares on the ASX on 21 September 2026.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Annual General Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1 or under any of the exceptions to Listing Rule 7.1 and assumes Resolution 9 is approved.

(d) *Purpose of issue under 10% Placement Capacity*

(e) *Any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of Equity Securities under Listing Rule 7.1A.2 will have an accompanying proposed use of*

funds at the time of issue. As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A Additional Placement Period. However, if Shareholders approve this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for general working capital purposes.

(f) Allocation under the 10% Placement Capacity

As at the date of the Notice the Company has not formed an intention to issue securities under a placement pursuant to Listing Rule 7.1A, and accordingly the allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the Company's circumstances, including, but not limited to, its financial position and solvency;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial, and broking advisers (if applicable).

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 2.7 upon issue of any Equity Securities

(g) Previous Approval under Listing Rule 7.1A

The Company has previously obtained approval under Listing Rule 7.1A.

(h) Previous issues of Equity Securities

In the 12 months preceding the date of the Annual General Meeting, the Company has issued the following Equity Securities:

On 17 September 2026, the Company issued 10,310,172 fully paid Ordinary Shares under the Company's 15% placement capacity pursuant to Listing Rule 7.1 and 2,606,495 fully paid Ordinary Shares under the Company's 10% placement capacity pursuant to Listing Rule 7.1a. The Company issued 12,916,667 fully paid Ordinary Shares at an issue of \$0.12 per share (which represent a 20% discount to the last closing price of \$0.15 per share on Friday, 4 September 2026 and a 11% discount to the 10-day volume weighted average price ("VWAP") of \$0.1347 up to and including 4 September 2026) to institutional and sophisticated investors pursuant to a placement to raise \$1.55 million to fund the ongoing build-out and growth initiatives within Aldridge Traffic Systems ("ATS"), to complete the Company's cost reduction and operational efficiency program, funds for working capital and costs of the Placement. For more information, please refer to explanatory statements on Resolution 4.

(i) Voting Exclusion

A voting exclusion statement is included in the Notice of Meeting. As at the date of this Explanatory Statement, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 9.

The Directors believe that Resolution 9 is in the best interests of the Company and unanimously recommend that Shareholders **vote in favour** of this Resolution 9.
