About Forrestania Resources Limited

Forrestania Resources Limited (ASX: FRS) is an Australian gold exploration and development company focused on building a significant Western Australian gold business.

Forrestania's strategy is centred on growing its gold resource inventory through disciplined exploration, value-accretive acquisitions and the advancement of high-quality development opportunities capable of supporting long-term production.

Forrestania has established a substantial portfolio of gold assets across Western Australia's premier mineral provinces, including the Southern Cross, Eastern Goldfields and Forrestania regions. These assets provide the foundation for the Company's strategy to develop two complementary processing hubs at Edna May and Lake Johnston, creating a scalable platform for future production and regional consolidation.

Supported by an experienced Board and management team with a proven track record of discovery, project development and mine operations, Forrestania is committed to creating long-term shareholder value through technical excellence, disciplined capital allocation and responsible resource development.
