- has been approved by the Board and is available on the Company's website under Corporate Governance at <https://www.painchek.com/investor-relations/corporate-governance/> and is current as at 30 June 2026.

Consistent with the Company's commitment to transparency in its dealings with stakeholders, this Statement has been prepared with reference to each recommendation contained in the Governance Principles.

All references to the Company website in this Statement refer to www.painchek.com.

PRINCIPLE 1. – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT*Recommendation 1.1*

A listed entity should disclose:

- (a) the respective roles and responsibilities of its board and management; and*
- (b) those matters expressly reserved to the board and those delegated to management.*

Recommendation 1.2

A listed entity should:

- (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and*

Recommendation 1.3

A listed entity should have a written agreement with each director and senior executive setting out the terms of their employment.

Complies

The Company has entered into agreements with each Director and senior executive, which outlines the terms of their appointment. Each Directors has signed a letter of appointment and each of the Company's senior executives is engaged under an employment or contractor agreement.

Recommendation 1.4

The Company Secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the board.

Complies

The Company Secretary has a direct reporting line to the Chair and all Directors have direct access to the Company Secretary, who is appointed by, and accountable to, the Board on all governance matters and the proper functioning of the Board.

Recommendation 1.5

A listed entity should:

- (a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;*
- (b) disclose that policy or a summary of it; and*
- (c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either:*
 - (1) the respective proportions of men and women on the board, in senior executive positions and across the whole organization (including how the entity has defined "senior executive" for these purposes); or*

- (2) *if the entity is a “relevant employer” under the Workplace Gender Equality Act, the entity’s most recent “Gender Equality Indicators” as defined in and published under that Act.*

Partially Complies

The Company has established a Diversity Policy (which is available on the Company website), which states that diversity not only refers to gender but extends to age, ethnicity, religious or cultural background, language, marital or family status and disability. The Diversity Policy does set out a requirement to set measurable objectives and to assess annually both the objectives and the entity’s progress in achieving them.

During the reporting period the Company has not formally set measurable objectives for achieving gender diversity in accordance with the Diversity Policy.

The Company is not a relevant employer under the Workplace Gender Equality Act.

The Company defines “senior executive” as a person that has overall responsibility for one or more business functions.

As at 30 June 2026, the proportion of women and men across the levels of Board, senior management and total employees were as follows:

- The proportion of female directors: 33% as at 30 June 2026 (currently 50%)
- The proportion of female employees who are senior managers / executives: 45%
- The proportion of female employees in the whole organisation: 39%

Given the current size and stage of development of the Company, the Board has not considered it necessary to formally set measurable objectives for achieving gender diversity. However, the Company is committed to an inclusive workplace that embraces and promotes diversity as part of its corporate culture.

The Company does not believe this departure from recommendation 1.5 to be detrimental to shareholders.

Recommendation 1.6

A listed entity should:

- (b) *disclose in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with the process.*

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
