7F.2 Any other information the entity wishes to provide about the proposed issue

This Appendix 3B contains a correction of the previous Appendix 3B issued on 4 September 2026 for the placement in conjunction with the institutional component of the ANREO. Due to an administrative error, the allocation of shares between institutional shortfall issued under the ANREO and the shares issued under the institutional placement was incorrect and the number of shares that were stated to be issued under the placement understated the actual number issued under the placement. The number of Institutional Shortfall Shares under the ANREO was also overstated by the same number. This Appendix 3B is a correction of that allocation between the institutional placement and the institutional component of the ANREO only, and the total number of shares issued on 10 September 2026 has not changed. This Appendix 3B also relates to an additional placement of 26,095,979 shares on 25 September 2026 in conjunction the retail component of the ANREO.

7F.3 Any on-sale of the +securities proposed to be issued within 12 months of their date of issue will comply with the secondary sale provisions in sections 707(3) and 1012C(6) of the Corporations Act by virtue of:
