¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

2026 Corporate Governance Statement

The Board of Patrys Limited (**Patrys** or the **Company** or the **Group**) is responsible for the overall corporate governance of the Company. The Board believes that good corporate governance helps ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (**Recommendations**) during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (**Statement**) discloses the extent to which the Company has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website <https://patrys.com/investors#corporate-governance>, including the 2026 Annual Report and all the Company's policies contained herein.

This Statement is current as at 28 September 2026 and has been approved by the Board of Directors of Patrys Limited.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1 - Role of the Board and Management

The role of the Board is to approve the strategic direction of the Company, guide and monitor the management of the Company and its businesses and oversee the implementation of appropriate corporate governance with respect to the Group's affairs. The Board aims to protect and enhance the interests of its shareholders, while considering the interests of other stakeholders, including employees, customers, suppliers, and the wider community.

The Board has a formal Board Charter which is available on our website at <https://patrys.com/corporate-governance>. The Charter sets out the matters expressly reserved for the Board's determination, and those matters delegated to the management.

During the reporting period, the Board delegated responsibility for the day-to-day management of the Company and its business to the Chief Executive Officer (CEO). Dr Samantha South was appointed CEO with effect from 16 February 2026. The CEO may delegate authority for specific activities and transactions as appropriate but remains accountable to the Board for the exercise of that delegated authority.

The Board maintains ultimate responsibility for the strategy, control and risk profile of the Group.

Recommendation 1.2: Appointment of Directors

The Nomination and Remuneration Committee facilitates the selection and appointment of Directors. Before the Board appoints a new Director or puts forward a candidate for election, the Committee identified and assesses the necessary and desirable competencies and characteristics for potential Board Directors and ensure that appropriate background checks are undertaken.

We provide our shareholders with all material information in our possession that is relevant to their decision on whether or not to elect or re-elect a Director through a number of channels, including via the notice of meeting and other information contained in the 2026 Annual Report.

Recommendation 1.3: Appointment Terms

Upon appointment, each Director receives a letter of appointment which sets out the formal terms of their appointment including remuneration and other award entitlements. Directors also receive a deed of indemnity, insurance and access.

Each senior executive has a written agreement with the Company which sets out the terms of their appointment, including the remuneration entitlements and performance requirements. Details of executive contracts in place are detailed in the Company's Annual Remuneration Report in the 2026 Annual Report.

Recommendation 1.4: Company Secretary

The Board is supported by the Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and Directors' duties, and acting as an interface between the Board and Senior Executives across the Group. The Board and individual Directors have access to the Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

Details regarding our Company Secretary, including experience and qualifications, are set out in the Directors' Report in our 2026 Annual Report.

Recommendation 1.5: Diversity Policy

The workforce of the Company comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected. To demonstrate the Company's commitment to developing measurable objectives to achieve diversity and inclusion in its workplace, the Company has implemented a Diversity Policy which can be viewed on our website at <https://patrys.com/corporate-governance>.

The Diversity Policy provides a framework for the Company to achieve:

- a diverse and skilled workforce, with the aim of leading to continuous improvement and achievement of corporate goals;
- a workplace culture characterised by inclusive practices and behaviours;
- equal employment and career development opportunities for all staff, regardless of gender, sexual preference or cultural background; and
- a work environment that values and utilises the contributions of employees with diverse backgrounds, experiences and perspectives.

The Board is cognisant that diversity is a multi-dimensional consideration that extends beyond gender differentiation.

The Board and management consider building a diverse and inclusive workforce as paramount to gaining the best insight into the needs of our stakeholders that includes a diversity of perspectives and backgrounds.

The proportion of women on the Board, in senior executive positions and women across the entire organisation as at 28 September 2026 was as follows:

- Women on the Board – 20%
- Women in senior executive positions – 100%
- Women across the entire organisation – 33%

For the purposes of this disclosure, the Chief Executive Officer is considered the Company's Senior Executive, having responsibility for running the business and delivering on the Company's strategic objectives.

The Board has set the following diversity objectives:

- To cultivate an inclusive workplace of fairness and equality which fosters the unique skills and talents of a diverse range of people; and
- To encourage diversity in skill set, experience, qualifications and age of our workforce. With a diverse mix of professionals, we will continue to encourage diversity in hiring and sourcing candidates.

Recommendation 1.6: Board, Committees and Individual Directors Performance Assessment

The Board is committed to formally evaluating its performance, the performance of its committees and individual Directors, as well as the governance processes supporting the Board. The Board does this through an annual assessment process.

The performance review and assessment process involves:

- completion of a questionnaire/survey by each Director, which is facilitated by the Company Secretary;
- the preparation by the Company Secretary and provision of a report to the Nomination & Remuneration Committee which outlines the feedback on the performance of the Board, Board Committees and individual Directors based on the survey results; and
- discussion by the Nomination and Remuneration Committee of any areas and actions for improvement and reporting them to the Board for discussion at the next appropriate meeting.

Individual Directors' performance is also assessed through open and frank discussions between the Chair of the Nomination and Remuneration Committee and each Board member. Similarly, the Chair of the Nomination and Remuneration Committee's performance is assessed by the Chair of the Board. A report on these one-on-one discussions is then prepared for the Board's consideration. Actions for improvement are then taken on board for the Director's self-development.

These KPIs are reviewed annually by the CEO/Nomination and Remuneration Committee (where applicable). The performance of each Chief Executive against these objectives is evaluated annually.

In the case of the CEO, this review is conducted by the Nomination and Remuneration Committee, and the results are reported to the Board, in addition to continuous feedback provided to the CEO by the Board.

Due to the recent changes in the management a formal performance evaluation of the Chief Executive Officer was not undertaken during FY2026 but is anticipated in FY2027 in accordance with the Company's performance evaluation process.
