ALTECH – LEGAL CLAIM FROM FORMER GERMAN CONSULTANT

Altech Batteries Limited (Altech/the Company) (ASX: ATC and FRA: A3Y) advises that it has received a legal claim from a former German-based consultant seeking payment of €461,070 (approximately A\$741,747).

The claim relates to a success fee which the former consultant alleges are owing in connection with services previously provided to Altech Industries Germany GmbH.

Altech strongly disputes the claim in its entirety and does not believe that the claim has any legal merit. The Company has obtained, and continues to obtain, appropriate legal advice in relation to the matter and intends to vigorously defend the claim.

Altech has not admitted any liability in relation to the claim and does not presently consider that the claim establishes any obligation on the part of the Company to make the payment sought.

The Company will provide further updates to shareholders if and when there are material developments in relation to the matter.
