

ASX RELEASE

29 September 2026

Change of Director's Interest

Acusensus Limited (ASX:ACE) (**Acusensus** or the **Company**) advises that entities associated with its Chair, Mr Ravin Mirchandani, and its Managing Director and Chief Executive Officer, Mr Alexander Jannink, have sold a portion of their shares following a block trade completed on Friday 25 September 2026.

Jannink and Associates Pty Ltd, of which Mr Jannink is a director, shareholder, and beneficiary, sold approximately 1.2 million shares to pay for an exercise of options and tax obligations arising from the vesting of performance rights.

Ador Powertron Limited (**Ador**), a company of which Mr Mirchandani is Executive Chairman, holds its Acusensus shares in its own right, separately from Mr Mirchandani. While Mr Mirchandani is an associate of Ador for substantial holding disclosure purposes, he does not have a relevant interest in the Acusensus shares held by Ador, and Ador is not a related party of Acusensus, for the purposes of the Corporations Act 2001 (Cth). Ador sold approximately 2.1 million shares to access capital required to support expansion plans for its own business.

Both Ador and Jannink and Associates Pty Ltd continue to be substantial shareholders in the Company post the transactions with holdings of approximately 10% and 9%, respectively.

In accordance with Listing Rule 3.19A.2, an Appendix 3Y - Change of Director's Interest Notice for Mr Jannink is attached. An Appendix 3Y for Mr Mirchandani is not required.

END

About Acusensus

Acusensus is a technology company that was founded in 2018 with a mission to design and develop artificial intelligence enabled road safety solutions. Collaborating with governments and commercial stakeholders to tackle distracted driving globally is Acusensus' first priority. Acusensus has pioneered intelligent solutions that provide anywhere, anytime digital evidence that can be used in conjunction with law enforcement to drive behavioural change and improve road safety. Acusensus technology is used to detect and provide prosecutable evidence of distracted driving (mobile phone use), seatbelt compliance, speeding, railway crossing compliance and the monitoring of vehicles of interest.

Leveraging AI and sensing expertise, Acusensus also provides technology that protects workers in live traffic environments. The Forsite by Acusensus road worker safety system integrates roadside sensors, connected wearables and real time analytics to give crews early warning of approaching vehicle risks, delivering the vital seconds needed to avoid harm while generating data that helps make worksites safer over time.

Acusensus listed on the Australian Securities Exchange in January 2023. Acusensus is headquartered in Melbourne, Australia, with offices in Sydney, Brisbane, Perth, Auckland (New Zealand), Christchurch (New Zealand), London (United Kingdom), Las Vegas Nevada (United States) and Hartford Connecticut (United States).
