29 SEPTEMBER 2026 | ASX RELEASE

UNMARKETABLE PARCEL SALE FACILITY

HyTerra Ltd (ASX: HYT) (**HyTerra** or the **Company**) advises that it will implement an unmarketable parcel sale facility (**Facility**) for shareholders whose holding of HyTerra shares has a market value of less than $500 as at the Record Date (an **Unmarketable Parcel**). The Facility was foreshadowed in the Company's 'Cost base and capital structure' announcement dated 24 September 2026. It enables eligible shareholders to sell an Unmarketable Parcel without incurring brokerage or other costs of sale, and reduces the disproportionate cost to the Company of administering a large number of very small holdings on its register.

Eligibility for the Facility

The **Record Date** for determining which shareholders hold an Unmarketable Parcel is 5.00pm (WST) on Monday, 28 September 2026. Whether a holding is an Unmarketable Parcel is determined by reference to the closing price of HyTerra shares on the Record Date, being $0.006 (**Reference Price**).

Based on the Reference Price, a holding of 83,333 shares or fewer had a market value of less than $500 and is an Unmarketable Parcel; a holding of 83,334 shares or more is a marketable parcel.

On the basis of the Company's share register, HyTerra estimates that approximately 1,035 shareholders, holding an aggregate of approximately 21.2 million shares with an aggregate market value of approximately $127,380, hold Unmarketable Parcels. Final numbers will be confirmed from the register as at the Record Date.

The term "Unmarketable Parcel" is used in this announcement to describe a holding with a market value of less than $500 under the ASX Listing Rules. It does not mean that the shares are incapable of being sold on market.

The Facility is assessed by reference to registered holdings on the Company's register. Beneficial interests in HyTerra shares held through a broker, nominee or custodian, including in connection with trading under the Company's OTCQB quotation (HYTLF), are not separately assessed under the Facility, and any notice under the Facility will be given to the relevant registered holder. The Facility does not affect the Company's OTCQB quotation. The proposed Consolidation is a separate corporate action and will apply to the underlying HyTerra ordinary shares.

What shareholders need to do

The Facility operates on an opt-out basis. A shareholder who holds an Unmarketable Parcel and who does not give the Company written notice by the Retention Deadline that they wish to retain their shares will have that Unmarketable Parcel sold under the Facility.

Shareholders who wish to keep their shares need only submit their retention election online via the Automic Investor Portal or complete and return the Retention Form accompanying the shareholder letter, so that their election is received by 5.00pm (WST) on Wednesday, 18 November 2026 (**Retention Deadline**). The Retention Form is the written notice that clause 3 of the Company's constitution requires, and shareholders are asked to use it; any other clear written notice electing to retain shares that is received by the Retention Deadline will also be accepted. No action is required by shareholders who do not hold an Unmarketable Parcel.

How the Facility interacts with the Consolidation

Shareholders will separately be asked to approve a consolidation of the Company's share capital on a 20:1 basis (**Consolidation**) at an Extraordinary General Meeting to be held on Wednesday, 4 November 2026. The Facility and the Consolidation will run in parallel, and the Company has structured them so that a shareholder's position under the Facility is not altered by the Consolidation.

Whether a shareholder receives a notice under the Facility is determined by reference to holdings at the Record Date, on a pre-Consolidation basis. If the Consolidation is approved, affected holdings will be consolidated in the same manner as all other shareholdings, and the Consolidation will not, of itself, alter a shareholder's rights under the Facility. The Retention Deadline falls after the Consolidation is expected to take effect, so a shareholder may elect to retain their shares before, during or after implementation of the Consolidation.

Shares of participating shareholders will not be sold until implementation of the Consolidation is complete, and will be sold as post-Consolidation shares at a post-Consolidation price. The Consolidation is not, of itself, expected to alter the economic value of a shareholder's holding, although the market price of HyTerra shares may change before the sale under the Facility occurs. A worked example is set out in the questions and answers accompanying this announcement.

Key dates

Event	Date
Record Date for determining Unmarketable Parcels	5.00pm (WST), Monday, 28 September 2026
Shareholder letter and Retention Form dispatched	Friday, 2 October 2026
Extraordinary General Meeting to consider the proposed Consolidation	Wednesday, 4 November 2026
Retention Deadline — last day to elect to retain shares	5.00pm (WST), Wednesday, 18 November 2026
Participating Unmarketable Parcels sold and proceeds paid	Late November / December 2026

These dates are indicative only. The Company may extend the timetable or cancel the Facility, subject to the ASX Listing Rules, the Corporations Act and the Company's constitution, and any change will not reduce the rights afforded to shareholders under those requirements. Any material change or cancellation will be announced to ASX.

Sale of shares and payment of proceeds

HyTerra has appointed GBA Capital Pty Ltd (**GBA**) as broker to the Facility. GBA will conduct a bookbuild and an on-market special crossing, with all Unmarketable Parcels sold at a single common sale price.

Clause 3 of the Company's constitution requires the sale price to be not less than the Authorised Price, being the simple average of the last closing price of HyTerra shares on ASX for each of the ten trading days immediately preceding the date of the offer received by the Company. All costs of the sale, including GBA's broker fee, will be borne by the Company, as clause 3 requires, and will not be deducted from the proceeds payable to affected shareholders.

The Company will receive the aggregate proceeds of the sale and pay each participating shareholder their pro rata share, by electronic transfer to the account recorded for their holding or by cheque mailed to their address in the register, following completion of the sale, which is expected to occur in late November or December 2026. Because all Unmarketable Parcels are sold at a single price, the proceeds a shareholder receives may be more or less than the price at which that shareholder could have sold those shares on market at another time.

Important information

Neither the Facility nor this announcement constitutes financial product advice or a recommendation by HyTerra or its directors to buy, hold or sell HyTerra shares. Shareholders should consider their own circumstances and, if in any doubt, obtain their own financial, taxation or legal advice before deciding whether to participate in the Facility.

A sale of shares under the Facility may have taxation consequences, which will depend on a shareholder's individual circumstances. The Facility is conducted under clause 3 of the Company's constitution and ASX Listing Rule 15.13, which require that affected shareholders be given at least six weeks from the date the notice is sent to give the Company written notice that they wish to retain their shares. Clause 3 requires the Company to bear all the costs of the sale, consistently with ASX Listing Rule 15.13, which requires those costs to be borne by the entity or the purchaser. Clause 3 may only be invoked once in any 12-month period. The Company cannot commence a sale under the Facility following a takeover offer or takeover announcement for HyTerra, and if a takeover offer or takeover announcement is made after the notice is given but before an agreement is entered into for the sale of participating shares, the Facility ceases to operate for those shares; a new notice may be given after the offer period closes.

Enquiries

Shareholders with questions about the Facility should contact the Company's share registry, Automic, on 1300 288 664 (within Australia) or +61 2 9698 5414 (overseas), or by email at corporate.actions@automicgroup.com.au.

This announcement has been authorised for release by the Board of HyTerra Ltd.

ANNEXURE A — LETTER TO AFFECTED SHAREHOLDERS

2 October 2026

Dear Shareholder

Unmarketable Parcel Sale Facility

HyTerra Ltd (**HyTerra** or the **Company**) has established an unmarketable parcel sale facility (**Facility**) which allows shareholders who hold less than a marketable parcel of HyTerra shares to sell that holding without paying brokerage or any other cost of sale.

You have received this letter because, according to the Company's share register at 5.00pm (WST) on Monday, 28 September 2026 (**Record Date**), you held an Unmarketable Parcel of HyTerra shares. Based on the closing price of HyTerra shares on the Record Date of $0.006 (**Reference Price**), a holding of 83,333 shares or fewer had a market value of less than $500 and is an unmarketable parcel (**Unmarketable Parcel**). The term is used to describe a holding worth less than $500 under the ASX Listing Rules; it does not mean that your shares are incapable of being sold on market.

If you wish to keep your shares

Submit a retention election online via the Automic Investor Portal at https://portal.automic.com.au/investor/home by 5.00pm (WST) on Wednesday, 18 November 2026 (**Retention Deadline**). You will need to create an account (if you do not already have one), log in and follow the prompts to submit your retention election. Alternatively, you may complete and sign the enclosed Retention Form and return it by post so that it is received by Automic, the Company's share registry, by **5.00pm (WST) on Wednesday, 18 November 2026** (**Retention Deadline**).

A valid online retention election or completed Retention Form constitutes the written notice that clause 3 of the Company's constitution requires you to give if you wish to keep your shares. You will then keep all of your HyTerra shares and no further action is required.

You may also keep your shares by increasing the relevant registered holding to at least $500 before the Retention Deadline. Whether your holding constitutes a marketable parcel will be determined by reference to the number of shares in your relevant registered holding and the applicable market price at the relevant time. Shareholders should allow for any changes to their holding resulting from the Consolidation and movements in HyTerra's share price.

If you are unsure whether your holding remains an Unmarketable Parcel, you may submit a retention election or Retention Form by the Retention Deadline to ensure that your shares are retained.

If you submit a retention election or Retention Form and later change your mind, you may withdraw it in writing at any time before the sale of shares under the Facility is completed. Your holding will then again be dealt with under the Facility.

If you wish to sell your shares

You do not need to do anything. If a Retention Form, or other written notice electing to retain your shares, is not received by the Retention Deadline, your Unmarketable Parcel will be sold under the Facility and the proceeds will be paid to you, with no brokerage or other sale costs deducted. If the Retention Form is not received by the Company by the Retention Deadline, you will be taken to have irrevocably appointed the Company as your agent to sell your Unmarketable Parcel and to deal with the proceeds of the sale in accordance with the constitution.

Proposed 20:1 share consolidation

At an Extraordinary General Meeting to be held on Wednesday, 4 November 2026, shareholders will be asked to approve a consolidation of the Company's share capital on a 20:1 basis (**Consolidation**). If the Consolidation is approved, every 20 HyTerra shares you hold will become 1 HyTerra share, with any fractional entitlement rounded up to the nearest whole share. For example, a shareholder who holds 40,000 HyTerra shares before the Consolidation would hold 2,000 HyTerra shares after the Consolidation.

You received this letter because of your holding at the Record Date, before the Consolidation. The Consolidation changes the number of shares you hold, but it will not, of itself, alter your rights under the Facility, and it does not affect your right to elect to retain your shares. You do not need to work out your post-Consolidation holding in order to keep your shares — simply return the Retention Form by the Retention Deadline.

If you do not elect to retain your shares, your shares will not be sold until the Consolidation has been implemented. They will then be sold as post-Consolidation shares at a post-Consolidation price. The Consolidation is not, of itself, expected to alter the economic value of your holding, although the market price of HyTerra shares may change before the sale occurs. Question 11 in the accompanying questions and answers explains this in more detail, with a worked example.

How your shares will be sold and when you will be paid

The Company has appointed GBA Capital Pty Ltd (**GBA**) as broker to the Facility. GBA will conduct a bookbuild and an on-market special crossing, and all Unmarketable Parcels will be sold at a single common sale price. Clause 3 of the Company's constitution requires that price to be not less than the Authorised Price, being the simple average of the last closing price of HyTerra shares on ASX for each of the ten trading days immediately preceding the date of the offer received by the Company.

The Company will pay all costs of the sale, including GBA's broker fee, as clause 3 of the constitution requires. Nothing will be deducted from your proceeds. You will be paid your pro rata share of the sale proceeds in late November or December 2026, by electronic transfer to the account recorded for your holding or by cheque mailed to your address in the register. Please make sure those details are current: they can be updated through the Automic investor portal at https://portal.automic.com.au/investor/home where available, or by contacting Automic.

Because all Unmarketable Parcels are sold at a single price, the amount you receive may be more or less than the price at which you could have sold your shares on market at another time.

Taxation

A sale of your shares under the Facility may have taxation consequences, which will depend on your individual circumstances. Neither the Company nor Automic is able to give you taxation advice, and you should consult your own adviser if you are in any doubt.

Important information

Neither the Facility nor this letter constitutes financial product advice or a recommendation by HyTerra or its directors to buy, hold or sell HyTerra shares. The Facility is conducted under clause 3 of the Company's constitution and ASX Listing Rule 15.13, which require that you be given at least six weeks from the date this letter is sent to give written notice that you wish to keep your shares. Clause 3 requires the Company to bear all the costs of the sale. Clause 3 may only be invoked once in any 12-month period. If a takeover offer or takeover announcement is made in respect of HyTerra after this letter is sent but before an agreement is entered into for the sale of your shares, the Facility will cease to operate for those shares.

Consistent with its continuous disclosure obligations, the Company may release information to ASX during the Facility period that is material to your decision whether to retain your shares. Any such information will be available on the ASX website (www.asx.com.au, ASX code "HYT") and on the Company's website (www.hyterra.com). The Company may otherwise extend the timetable or cancel the Facility, subject to the ASX Listing Rules, the Corporations Act and the Company's constitution, and any change will not reduce the rights afforded to you under those requirements.

Questions

Answers to the questions we are most often asked are set out in the questions and answers accompanying this letter. If you have any other questions about the Facility, please contact Automic on 1300 288 664 (within Australia) or +61 2 9698 5414 (overseas), or speak to your financial, taxation or legal adviser.

Yours faithfully

Riley Kemp
Chief Executive Officer
HyTerra Ltd

ANNEXURE B — QUESTIONS AND ANSWERS

These questions and answers are general in nature and do not take account of any shareholder's individual circumstances. They should be read together with the letter to affected shareholders and the Company's announcement of the Facility.

Question	Answer
1. What is an unmarketable parcel?	A holding of shares with a market value of less than $500. At the Record Date, based on the Reference Price of $0.006, a holding of 83,333 shares or fewer was an Unmarketable Parcel, and a holding of 83,334 shares or more was a marketable parcel. The term describes a holding worth less than $500 under the ASX Listing Rules. It does not mean that the shares are incapable of being sold on market.
2. Why is HyTerra offering the Facility?	Very small holdings can be disproportionately costly or inconvenient for shareholders to sell through a broker, and they cost the Company a disproportionate amount to administer. The Facility allows eligible shareholders to have their holding sold without paying brokerage or other sale costs, and reduces the Company's ongoing register and shareholder communication costs.
3. Why have I received a letter?	Because the Company's share register showed that your holding was an Unmarketable Parcel at 5.00pm (WST) on Monday, 28 September 2026, being the Record Date. Shareholders who did not hold an Unmarketable Parcel at that time are not affected and need do nothing.
4. What happens if I do nothing?	Your shares will be sold under the Facility and the sale proceeds will be paid to you. No brokerage or other cost of sale will be deducted from your proceeds.
5. How do I keep my shares?	Submit a retention election online via the Automic Investor Portal at https://portal.automic.com.au/investor/home or complete, sign and return the Retention Form by post so that it is received by Automic by 5.00pm (WST) on Wednesday, 18 November 2026. You will then keep all of your HyTerra shares. Using the Retention Form is the surest way to make the election, but any other clear written notice that you wish to retain your shares, received by that time, will also be accepted. If you return a Retention Form and later change your mind, you may withdraw it in writing at any time before the sale of shares under the Facility is completed. Your holding will then again be dealt with under the Facility.
6. Can I keep my shares by buying more shares?	Yes. Subject to the timing and registration requirements applying to the Facility, your holding will not be sold if you increase the relevant registered holding to at least a marketable parcel. For a purchase to be an effective election to retain your shares, the additional shares purchased must be registered under the same

	name and address, and with the same holder number (SRN or HIN), as your existing holding by the Retention Deadline. Because the number of shares making up a marketable parcel may change following the Consolidation and with movements in HyTerra's share price, you should ensure that your relevant registered holding no longer constitutes an Unmarketable Parcel by the Retention Deadline.
7. What are the key dates?	**Event** / **Date** **Record Date** — 5.00pm (WST), Monday, 28 September 2026 **Letter and Retention Form dispatched** — Friday, 2 October 2026 **Extraordinary General Meeting to consider the Consolidation** — Wednesday, 4 November 2026 **Retention Deadline** — 5.00pm (WST), Wednesday, 18 November 2026 **Sale of shares and payment of proceeds** — Late November / December 2026
8. What price will my shares be sold at?	GBA Capital Pty Ltd will conduct a bookbuild and an on-market special crossing, and all Unmarketable Parcels will be sold at a single common sale price. Selling every parcel at the same price means the outcome for a shareholder does not depend on the order in which individual parcels happen to be sold, but it also means the amount you receive may be more or less than the price at which you could have sold your shares on market at another time. Clause 3 of the Company's constitution requires the sale price to be not less than the Authorised Price, being the simple average of the last closing price of HyTerra shares on ASX for each of the ten trading days immediately preceding the date of the offer received by the Company.
9. Will I pay brokerage or any other cost?	No. The Company will pay all costs of the sale, including the broker's fee. Nothing is deducted from your proceeds.
10. When and how will I be paid?	You will be paid your pro rata share of the sale proceeds in late November or December 2026, by electronic transfer to the account recorded for your holding or by cheque mailed to your address in the register. Please make sure those details are current. They can be updated through the Automic investor portal at https://portal.automic.com.au/investor/home where available, or by contacting Automic or your sponsoring broker, as applicable. If your whereabouts are unknown, or a required certificate is not returned, your proceeds will be dealt with under

the laws relating to unclaimed money.

11. How does the proposed 20:1 consolidation affect the Facility?

Your holding at the Record Date, before the Consolidation, is what determined that you received a notice under the Facility. If the Consolidation is approved, your holding will be consolidated on the same 20:1 basis as every other holding, and the Consolidation will not, of itself, alter your rights under the Facility. If you do not elect to retain your shares, they will be sold only after the Consolidation has been implemented, as post-Consolidation shares at a post-Consolidation price.

The Consolidation is not, of itself, expected to alter the economic value of your holding, although the market price of HyTerra shares may change before the sale under the Facility occurs. The following example illustrates the effect of the Consolidation on a holding that was an Unmarketable Parcel at the Record Date.

	Before Consolidation	After Consolidation
Example holding	40,000 shares	2,000 shares
Illustrative share price	$0.006	$0.120
Market value of holding	$240	$240
Shares needed for a marketable parcel ($500)	83,334 shares	4,167 shares

The figures above are illustrative only, assume the Reference Price of $0.006 and take no account of any movement in the market price of HyTerra shares.

12. Do I need to work out my post-consolidation holding to keep my shares?

No. Simply submit the Retention Form or an online retention election by the Retention Deadline. You do not need to calculate anything.

13. What if the Consolidation is not approved?

The Facility is not conditional on the Consolidation. If shareholders do not approve the Consolidation, the Facility will still proceed and participating holdings will be sold as soon as practicable following the Retention Deadline on a pre-Consolidation basis.

14. What if my shares are CHESS-sponsored?

The Facility applies to eligible holdings on both the issuer-sponsored and CHESS subregisters, and you do not need to arrange any transfer of your holding. Where shares are CHESS-sponsored, clause 3 of the Company's constitution authorises the Company to move the holding from your CHESS holding to an issuer-sponsored or certificated holding for the purposes of the sale.

15. I hold HyTerra shares through OTCQB (HYTLF) — does the Facility affect me?	The Facility is assessed by reference to registered holdings on the Company's register. Beneficial interests in HyTerra shares held through a broker, nominee or custodian, including in connection with trading under the Company's OTCQB quotation (HYTLF), are not separately assessed under the Facility, and any notice under the Facility will be given to the relevant registered holder. The Facility does not affect the Company's OTCQB quotation. The proposed Consolidation is a separate corporate action and will apply to the underlying HyTerra ordinary shares.
16. What if I have more than one holding?	Each registered holding is assessed separately, so you may hold an Unmarketable Parcel in one holding and not in another, and a separate Retention Form is required for each holding you wish to retain. Registered holdings may be amalgamated after completion of the Facility, where applicable.
17. What happens if a takeover offer or takeover announcement is made?	The Company cannot commence a sale under the Facility following a takeover offer or takeover announcement for HyTerra. If a takeover offer or takeover announcement is made after notice of the Facility is given but before an agreement is entered into for the sale of your shares, the Facility ceases to operate for those shares. A new notice may be given after the offer period closes.
18. Are there taxation consequences?	A sale of your shares may have taxation consequences, which depend on your individual circumstances. Neither the Company nor Automic can give you taxation advice, and you should consult your own adviser if you are in any doubt.
19. Can HyTerra change or cancel the Facility?	The Company may extend the timetable or cancel the Facility, subject to the ASX Listing Rules, the Corporations Act and the Company's constitution, and any change will not reduce the rights afforded to shareholders under those requirements. Any material change or cancellation will be announced to ASX. Clause 3 of the constitution may only be invoked once in any 12-month period.
20. Who do I contact if I have other questions?	Automic, the Company's share registry, on 1300 288 664 (within Australia) or +61 2 9698 5414 (overseas), or email corporate.actions@automicgroup.com.au. If you are in any doubt about what to do, you should speak to your financial, taxation or legal adviser.

SHARE RETENTION FORM

YOUR RETENTION FORM MUST BE RECEIVED BY NO LATER THAN 5:00PM (WST) ON 18 NOVEMBER 2026

This is an important document and requires your immediate attention. This document should be read in conjunction with the enclosed shareholder letter. If you are in any doubt as to how to deal with this form, you should consult your professional advisor.

Option 1: Online Election

Complete this if you wish to retain your shares.

Visit https://portal.automic.com.au/investor/home.

To make your election online, simply scan the barcode to the right or enter the above link into your browser. Instructions lodging your election online and accessing this portal are provided in the section overleaf.

- ✓ **It's fast and simple:** Electing online is quick and easy, it eliminates postal delays and removes the risk of forms being lost in transit.
- ✓ **It's secure and confirmed:** Electing online provides you with greater privacy and confirmation that your election has been successfully received.

Option 2: Paper Election

Return this form if you wish to retain your shares.

If you wish for your shares to be sold under the Unmarketable Parcel Sale Facility, you **do not** need to return this form.

Please provide your contact details below **only if you wish to retain your shares**. If you wish for your shares to be sold under the Unmarketable Parcel Sale Facility, no action is required.

Telephone Number	Contact Name (PLEASE PRINT)

Email Address

SUPPORT YOUR COMPANY: By providing your email address, you elect to receive all communications despatched by the Company electronically (where legally permissible).

Payment Details

If you wish for your shares to be sold under the Unmarketable Parcel Sale Facility, to ensure prompt payment of any sale proceeds by electronic funds transfer (EFT), please review and update your payment details via the Automic Investor Portal at https://portal.automic.com.au/investor/home.

INSTRUCTIONS FOR COMPLETING THIS FORM

ELECTION OPTIONS

RETENTION OF SHARES
If you wish to retain your shares, please make an election online or return this form so it is received no later than the closing date.

SELLING YOUR SHARES
If you wish for your shares to be sold under the Unmarketable Parcel Sale Facility you do not need to make an election or return this form. To ensure you receive payment via EFT please update your payment details at https://portal.automic.com.au/investor/home.

LODGING YOUR RETENTION FORM

IMPORTANT! Retention Forms cannot be returned by fax or email.
Your Retention Form must be returned via one of the return methods provided below.

Due to recent changes to delivery times by Australia Post, standard delivery may now take up to ten (10) business days, or longer from regional areas. Shareholders should bear this in mind when returning their Retention Form using Australia Post.

ONLINE

Existing users: If you have an existing Automic Investor Portal account, with access to Hyterra Ltd, you do not need to register and can log in with your existing username and password at https://portal.automic.com.au/investor/home.

If you do not automatically see your Hyterra shareholding in your account, you can easily add it by selecting the "Add holding" button on the top right-hand corner of the screen and following the prompts.

New users: If you do not have an existing Automic account you will need to register for Investor Portal by visiting https://singleholding.automic.com.au/signup and following these steps:

1. In the Company Name field, select "*Hyterra Ltd (HYT)*"
2. Enter your Holder Number (SRN or HIN)
3. Enter the postcode (Australian address) or click "change country" to select the country code (overseas address) relevant to your holding
4. Tick the "I'm not a robot" box and click "Next"
5. Complete the prompts to set up your Username and Password

Once you are logged in, select "Offers" from the left-hand vertical menu and follow the prompts.
