REQUEST FOR VOLUNTARY SUSPENSION

In accordance with Listing Rule 17.2, xReality Group Limited (**XRG**) requests a voluntary suspension by reason that, for reasons outside of its control, XRG is unable to release its revised 4E today.

XRG requests that the suspension continue for today and until the commencement of an automatic suspension anticipated under Listing Rule 17.5 by reason that the audit of XRG's FY26 financial accounts (**Accounts**) is not yet complete and as such, the Accounts will not be lodged today.

XRG expects that the suspension will end when the Accounts are audited and XRG is in a position to release the revised 4E and lodge its Accounts.

XRG is not aware of any reason why the suspension should not be granted.

If the ASX requires any other information, please let us know.

Yours sincerely
