Managed exposure to high growth mineral companies.

Targeting multiples on investment aligned
to the mining cycle.

Performance of Lion's *Australia focused*[#] Investing Strategy since January 2022

\$ invested	\$ value	Performance
\$65.2M	\$131.9M	+102%

[#] Lion reset its investment strategy in 2022, having finalised major asset sales and underlying assets becoming majority cash. New Investments (which are separate from the Legacy Investment Portfolio) are companies invested in by Lion for the first time after 1 January 2022, and are focussed completely on Australian projects. Performance includes realised gains as well as value of portfolio holdings.

- Investment performance figures reflect the historic performance of Lion Selection Group Limited (ASX:LSG, 1997–2007), Lion Selection Limited (ASX:LST, 2007–2009), Lion Selection Group Limited (NSX:LGP, 2009–2013) and Lion Selection Group Limited (ASX:LSX, 2013–present).
- Methodology for calculating total shareholder return is based on MorningStar (2006), which assumes reinvestment of distributions.
- Distributions made include cash dividends, shares distributed in specie as a dividend, proceeds from an off-market buyback conducted in December 2008, and the distribution of shares in Catalpa Resources via the demerger of Lion Selection Limited in December 2009. Lion assume all distributions are reinvested, with all non-cash distributions sold and the proceeds reinvested on the distribution pay date.
- Investment performance is pre-tax and ignores the potential value of franking credits on dividends that were partially or fully franked.
- Past performance is not a guide to future performance.
- Indices used for comparison are accumulation indices, which assume reinvestment of dividends.

Well funded to invest: Net cash \$29.1M at 30 September 2026.

History of dividends: Distributions in excess of 343cps³ over Lion's 29+ years.

Lion aims to pay sustainable dividends from surplus investment proceeds, whilst balancing the investment requirements of the Company with the market conditions and capital growth.

Listed on ASX: Code LSX

Size of portfolio: \$157.1M as at 30 September 2026

Shares on issue: 143,293,575

Vested Performance Rights: 47,600

Unvested Performance Rights: 1,380,600

Investment approach: Lion searches for opportunities in the micro-cap resources space with a contrarian eye, targeting companies depressed by the mining cycle or missed by investors. Avoiding risks (to limit downside) and looking for opportunities where de-risking / the advancing cycle / growing metal inventory will add value strongly.

Lowest jurisdiction risk: Australian focus.

Lion investment horizon: 3-5 years.

Investment Research: 100% internally derived by a full-time professional directly employed mining investment team.
