EXPLANATORY STATEMENT

This Explanatory Statement accompanies and forms part of the Company's Notice of Annual Meeting. The Meeting is to be held at 2:00 pm AEST / 4:00 pm NZDT on Wednesday, 4 November 2026 virtually via a Zoom Webinar accessible via the link:

https://strakergroup.zoom.us/webinar/register/WN_FP7P0Z8CSZOjB1owECFdcQ

This Explanatory Statement is to assist Shareholders in understanding the background to, and the legal and other implications of, the Notice and the reasons for the proposed Resolutions. Both documents should be read in their entirety and in conjunction with each other.

Terms used in this Explanatory Statement will, unless the context otherwise requires, have the same meaning as given to them in the Glossary contained in this Explanatory Statement.

Resolution 1: Auditor's Remuneration

BDO Auckland is the existing Auditor of the Company and has indicated its willingness to continue in office. Pursuant to section 207T of the Companies Act, BDO Auckland is automatically re-appointed at the Annual Meeting as Auditor of the Company. The proposed Resolution is to authorise the Directors to fix the Auditors' remuneration for the ensuing year for the purposes of section 207S of the Companies Act.

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

Resolution 2: Election of Director – Mr Ron Heinz

Clause 20.4 of the Company's Constitution provides that the Board may at any time appoint additional Directors to fill a casual vacancy or as an addition to existing Directors. A Director appointed by the Board under Clause 20.4 must not hold office (without re-election) past the next annual general meeting of the Company.

Pursuant to Clause 20.4 of the Company's Constitution Mr Ron Heinz was appointed a Non-Executive Director on 1 September 2025. In accordance with the Constitution, Mr Ron Heinz stands for election as a Non-Executive director of the Company.

Mr Heinz brings decades of experience in the technology sector. He began his career at Xerox in 1981 before joining Novell, where he rose to the position of Senior VP during his 12-year tenure. Starting in 2000, he served as CEO of Phobos, an internet security infrastructure company, until it was acquired in 2003 for US\$268 million. He then became CEO of data broadcasting solutions provider Helius, until it was acquired by Hughes Network Systems in 2006.

Following his executive career, Mr Heinz founded two private equity venture capital firms based in Utah: Signal Peak Ventures and Oquirrh Ventures, both specialising in making equity investments in technology businesses ranging from the provision of early stage capital to funding for growth into global markets. He remains a General Partner of both firms and has extensive ties to global industry partners with special emphasis in Artificial Intelligence, cyber security and networking infrastructure.

Ron is Director and Shareholder for 1Kosmos, Oquirrh Ventures, Rackware Inc, Revver, Seclore, and Signal Peak Ventures.

Having regard to the ASX Corporate Governance Principles, the Board considers Mr Heinz to be a non-independent Non-Executive Director.

If Resolution 2 is passed, Mr Ron Heinz will be appointed as Non-Executive Director of the Company.

If Resolution 2 is not passed, Mr Ron Heinz will not be appointed as Non-Executive Director of the Company and will retire at the end of the meeting.

Directors' Recommendation

The Board, with Mr Heinz abstaining, unanimously supports Mr Heinz's election as a Non-Executive Director of the Company and recommends that Shareholders vote in favour of this Resolution.

Resolution 3: Approval of Additional 10% Placement Capacity

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An eligible entity means an entity which is not included in the S&P/ASX 300 index and which has a market capitalisation of \$300 million or less. The Company is, as at the date of this Notice, an eligible entity for these purposes.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the eligible entity. As at the date of the Notice, only the Company's fully paid ordinary Shares are quoted. If Shareholders approve Resolution 3, the number of Shares the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 3 seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 3 is approved by Shareholders, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Information required under Listing Rule 7.3A is as follows:

1. Placement Period

The approval will be valid for the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- o the date that is 12 months after the date of the Annual General Meeting at which the approval was obtained;
- o the time and date of the Company's next annual general meeting; and
- o the time and date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

2. Minimum Issue Price

Any Equity Securities issued under Listing Rule 7.1A.2 will be issued for a cash consideration per security which is not less than 75% of the VWAP for securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph (i) above, the date on which the Equity Securities are issued.

3. Purpose

While the Company has no immediate plans to issue Shares under the 10% Placement Capacity, when it does it will only do so for cash consideration. The Company intends to use the funds raised towards working capital, investing activities (including

possible complementary business acquisitions if any are identified and approved by the Board), meet financing commitments or capital management activities deemed by the Board to be in the best interests of the Company.

4. Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' economic and voting power in the Company will be diluted as shown in the table below. Shareholders may also be exposed to economic risk and voting dilution, including the following:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the approval at Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows a number of potential dilution scenarios for a capital raising which may be conducted under ASX Listing Rule 7.1A as required by ASX Listing Rule 7.3A.4 where the number of the Company's Shares on issue (Variable "A" in the formula in ASX Listing Rule 7.1A.2) has remained current or increased by either 50% or 100% and the Share price has decreased by 50%, remained current or increased by 100% based on the closing Share price on ASX at 24 September 2026.

Share on issue (Variable A in Listing Rule 7.1A.2)	Issue price per Share	Dilution		
		\$0.0575 50% decrease in Current Market Price	\$0.115 Current Market Price	\$0.2300 100% increase in Current Market Price
Shares Variable A: 64,339,299	10% Voting Dilution	6,433,930	6,433,930	6,433,930
	Funds raised	\$369,951	\$739,902	\$1,479,804
Shares 50% increase in Variable A: 96,508,949	10% Voting Dilution	9,650,895	9,650,895	9,650,895
	Funds raised	\$554,926	\$1,109,853	\$2,219,709
Shares 100% increase in Variable A: 128,678,598	10% Voting Dilution	12,867,860	12,867,860	12,867,860
	Funds raised	\$739,901.95	\$1,479,804	\$2,959,608

Notes: the above dilution table uses the following assumptions which the Company does not represent will necessarily occur:

- The current number of Shares on issue (Variable A) is 64,339,299 as at 24 September 2026. Variable A may increase or decrease between the date of preparation of this table and the date of any issue under the 10% Placement Capacity (for example, as a result of pro rata issues, the exercise of convertible securities, buybacks or consolidations) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting. The 50% and 100% increase scenarios are included to illustrate the effect of dilution if Variable A increases;
- The Current Market Price of \$0.115 is the closing price of Shares on the ASX as at 24 September 2026.
- The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting;

6. The table shows only the effect of issues of Shares under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
7. No options or other convertible securities are exercised or converted into Shares before the date of issue of Equity Securities under the 10% Placement Capacity;
8. The issue of Shares under ASX Listing Rule 7.1A consists only of fully paid ordinary Shares in the Company;
9. "Funds Raised" are before any capital raising costs which may be incurred; and
10. The issue prices used in the table are hypothetical only and do not represent a forecast of the actual issue price. The actual issue price will be determined in accordance with the minimum issue price requirements described in section 2 above.

5. Allocation Policy

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- a) the methods of raising funds that are available to the Company;
- b) the effect of the issue of the Equity Securities on the control of the Company;
- c) the financial situation and solvency of the Company; and
- d) advice from professional and corporate advisers (if applicable).

Allottees under the 10% Placement Capacity pursuant to ASX Listing Rule 7.1A have not been determined as at the date of this Notice of Meeting and may include existing and/or new Shareholders but cannot include any related parties or associates of a related party of the Company.

6. The Company:

- a) has not issued, nor agreed to issue, any Equity Securities under Listing Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
- b) had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any Equity Securities under Listing Rule 7.1A.2 where such securities remain unissued as at the date of the Meeting

7. At the time of dispatching this Notice of Meeting, the Company has not invited and has not determined to invite any particular existing Shareholder or an identifiable class of existing Shareholder to participate in an offer under ASX Listing Rule 7.1A. However, the Company has included a voting exclusion statement for the purposes of this resolution.

Additional information under Listing Rule 7.1A.4

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give ASX:

- a) a list of the names of the persons to whom the Company issues the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with ASX Listing Rule 7.1A.4; and
- b) the information required by ASX Listing Rule 3.10.3 for release to the market. At the date of the Notice of Meeting the Company has not invited and has not determined to invite any particular existing Shareholder or an identifiable class of existing Shareholder to participate in an offer under ASX Listing Rule 7.1A. Accordingly, no existing Shareholder will be excluded from voting on this Resolution.

Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

Resolution 4-6: Issue of Options to Directors

The Company is proposing to issue 500,000 Options each to Linda Jenkinson, Steve Bayliss and Ron Heinz (the **Directors**), under the Company's 2020 LTI Employee Share Option Plan (the **Options Issues**).

The proposed allocation of the Options to the Directors forms part of their performance-based remuneration for the financial year ended 31 March 2026 and has been calculated in a manner that is consistent with the formula used to calculate option allocations for other members of the Company's senior leadership team.

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director of the company (**Listing Rule 10.14.1**);
- (b) an associate of a director of the company (**Listing Rule 10.14.2**); or
- (c) a person whose relationship with the company or a person referred to in (a) or (b) is such that, in ASX's opinion, the acquisition should be approved by its shareholders (**Listing Rule 10.14.3**), unless it obtains the approval of its shareholders.

The Options Issues falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Resolutions 4-6 seeks the required Shareholder approval under and for the purposes of Listing Rule 10.14

If Resolution 4-6 are passed the Company will be able to proceed with the Options Issues and the Options (and any Shares subsequently issued as result of the Options being exercised) will not count towards the Company's 15% Placement Capacity under Listing Rule 7.1.

If Resolution 4-6 are not passed the Company will not be able to proceed with the Options Issues and in that circumstance, issues may arise with the competitiveness of the total remuneration package of the relevant recipient of the Options Issues and alignment of rewards with other senior executives in the Company. The Board would then need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash long-term incentive subject to the risk of forfeiture, performance conditions and performance period.

Information required under Listing Rule 10.15 are as follows:

The Company attributes a value of A\$14,540 to the Options, calculated using the Black-Scholes valuation methodology. The Board considered that grant of Options forms an appropriate part of the remuneration package of the Directors because it aligns the interest of the Director with the interest of Shareholders. IMPORTANT INFORMATION

Resolutions

Resolutions 1,2,4,5 and 6 are Ordinary Resolutions. Ordinary Resolutions are required to be approved by a simple majority of the votes of those Shareholders entitled to vote and voting on the question.

Resolution 3 is a Special Resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Voting entitlements

Any person who is registered as a Shareholder of the Company at 7.00pm Sydney time/9:00pm New Zealand time on Monday, 2 November 2026 is entitled to attend and vote at the Meeting or to appoint a proxy to attend and vote in their place.

Proxies

All Shareholders are entitled to attend and vote at the Annual Meeting or to appoint a proxy to attend and vote in their place.

Enclosed with this Notice is a Proxy Form. For the appointment of a proxy to be valid, the Proxy Form must be received by the Company either by post to Arbitr Group Limited, C/- MUFG Corporate Markets (AU) Limited, Locked Bag A14, Sydney South, NSW 1235 or by fax to +61 2 9287 0309 at least 48 hours before the start of the Meeting that is by 2:00pm Sydney time/4:00pm New Zealand time on Monday, 2 November 2026. All joint holders of a Share must sign the proxy form.

A proxy need not be a Shareholder. If the Shareholder is entitled to cast two or more votes at the Meeting, then the Shareholder may appoint two proxies and may specify the proportion or number of votes that each proxy is appointed to exercise. If the Shareholder does not specify such proportion or number of votes each proxy may exercise, then each proxy may exercise half of the votes. A single proxy exercises all votes of the Shareholder.

If the Proxy Form is returned without direction as to how the proxy should vote on the resolutions, then the proxy may vote as he or she thinks fit on that resolution. The Chair of the Meeting and any Director appointed as proxy intend, to the extent possible, to vote all discretionary proxies in favour of the relevant resolution. If a proxy is excluded from voting on a particular resolution, then the proxy will only be able to vote in accordance with the Shareholder's express instructions (and so not under any discretion).

A Shareholder that is a corporation may sign under the hand of a duly authorised officer or by power of attorney. If the Proxy Form has been signed under a power of attorney, a copy of the power of attorney (unless already deposited with the Company) and a signed certificate of non-revocation of the power of attorney must be delivered to the Company with the Proxy Form.

Corporate Representatives

A Shareholder that is a corporation may appoint a representative to attend the Meeting on its behalf. The representative must bring a properly executed letter or other document confirming that they are authorised to act as the Shareholder's representative at the Meeting. A *'Certificate of Appointment of Corporate Representative'* may be obtained from MUFG via the website at <https://www.mpms.mufg.com/en/for-individuals/au/shareholders/forms/>

Powers of attorney

Any person representing a Shareholder(s) by virtue of a power of attorney must bring to the Meeting a copy of the power of attorney (unless already deposited with the Company) and a signed certificate of non-revocation of the power of attorney must be produced to the Company.

Postal voting

Pursuant to the Constitution, a Shareholder may not exercise his or her right to vote at the Meeting by casting a postal vote.

Annexure A: 2020 Employee Share Option Plan

The material terms of the 2020 Employee Share Option Plan (**2020 LTI ESOP**) are as follows:

Term	Description
Eligibility	Qualifying employees, senior executives and Directors of Arbitr Group Limited may participate in the 2020 LTI ESOP, with eligibility and the number of Options to be issued under the 2020 LTI ESOP to be determined by the Company's Board of Directors.
Vesting conditions	The 2020 LTI ESOP is governed by scheme rules that provide for the vesting of Options issued under the 2020 LTI ESOP to occur after a certain time period has lapsed from the time of issue of the Options issued under the 2020 LTI ESOP, or a specified performance hurdle is achieved by the participant.
Exercise	After the Options issued under the 2020 LTI ESOP have vested, participants may then choose to exercise a number of their 2020 LTI ESOP Options at any time within the specified exercise period (provided that the minimum number of Options that may be exercised at a time as stated on the certificate relating to the Options is met) by giving notice in writing to the Company and paying the relevant exercise price in respect of the 2020 LTI ESOP Options being exercised (unless the participant has elected to exercise the Options under the cashless exercise mechanism, see below). However, where certain "change of control" events occur (including where a person and that person's associates hold or control more than 50% of the total voting rights in the Company, a transfer of all, or substantially all, of the Company's assets, or a merger whereby the Company is not the surviving entity) all 2020 LTI ESOP Options will become fully exercisable and may be exercised on or before the date of the relevant event, after which time any unexercised 2020 LTI ESOP Options will lapse.
Exercise Price	The exercise price of the 2020 LTI ESOP Options will be determined by the Company's Board of Directors but subject to the requirement under the ASX Listing Rules that the Exercise Price for the Shares must be at least AUD\$0.20. At the time of exercise of the 2020 LTI ESOP Options, subject to Board approval at that time, the participant may elect not to be required to provide payment of the exercise price for the number of 2020 LTI ESOP Options specified in a notice of exercise, but that on exercise of those 2020 LTI ESOP Options the Company will issue to the participant that number of Shares equal in value to the positive difference between the "Market Value" of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those 2020 LTI ESOP Options. "Market Value" means, at any given date, the volume weighted average price per Share traded on the ASX over the 20 business days immediately preceding the notice of exercise being delivered to the Company by the participant, unless otherwise determined by the Board (in its sole discretion).
Expiry	Options issued under the 2020 LTI ESOP will expire at the end of the exercise period which is a date fixed in the Option certificate issued to each particular participant, unless a "change of control" event occurs (as referred to above).
Cessation of employment of holders of 2020 LTI ESOP Options	Participants who cease their employment or directorship with the Company (for reasons other than death or total and permanent disability) are given the lesser of the expiry of: (a) 60 days following termination; (b) the exercise period; or (c) another period determined by the Board in its absolute discretion, to exercise any applicable 2020 LTI ESOP Options that have vested and are able to be exercised at that time. Participants who cease employment or directorship with the Company in circumstances constituting total and permanent disability then the Board in its absolute discretion may allow any 2020 LTI ESOP Options that are exercisable at the time to be exercised or "net settled" (i.e. cancelled with Shares issued representing any gain) within a period of up to 3 months from the date of death or determination of total permanent disability. Unvested 2020 LTI ESOP Options at the time of cessation of employment will be cancelled and be of no further effect.

Capital Restructure	Any reconstruction of share capital of the Company (including any consolidation, re-capitalisation, subdivision, share buyback or cancellation) which affects the 2020 LTI ESOP Options will result in appropriate adjustments being made by the Directors of the Company in such a manner as they consider to be equitable (in accordance with the requirements of the Listing Rules and any applicable laws). Participants will have no other rights to a change in the exercise price of 2020 LTI ESOP Options or the number of Shares to be issued and allotted on the exercise of 2020 LTI ESOP Options under the terms of the 2020 LTI ESOP.
