Schroder Real Return Active ETF (ASX:GROW)

Quarterly Disclosure of Correlation between MPI and Full Portfolio Holdings

Period: 01 July 2026 to 30 September 2026

In accordance with Rule 10A.3.1(e) of Schedule 10A of the Operating Rules of ASX, Schroder Investment Management Australia Limited (**SIMAL**) is required to disclose the correlation of the Material Portfolio Information (**MPI**) and the full portfolio holdings for the Schroder Real Return Active ETF.

SIMAL has used the daily percentage change in the MPI (as derived from the MPI that represents the material portfolio holdings of the fund) and the daily percentage change in NAV of the full portfolio holdings (as represented by the net asset value of the fund) to calculate the daily tracking error between MPI and NAV of the portfolio for the period covered by this notice.

The daily percentage change in the MPI is calculated using the actual weights of the Top 20 positions held, as disclosed daily. The daily percentage change in NAV of the full portfolio holdings are calculated using the daily NAV per unit of the Fund.

The tracking error for the period covered by this announcement is: 0.32%
