About LPE

LPE is an ASX-listed energy provider focused on embedded network services to residential communities and commercial property. LPE delivers electricity, hot water, solar, battery, EV charging and smart metering solutions through long-term supply agreements that generate strong recurring revenue.

The Company services Queensland, New South Wales, South Australia and Tasmania, and Victoria, supporting residents to reduce their carbon footprint and energy bills with no upfront cost, and continues to extend its multi-utility offering across strata, land lease communities and retail shopping centres.

Our value proposition continues to evolve as we work with partners, communities and customers to find new solutions to take us into the future.
