The Company has a written agreement with each Director and senior executive of the Company, which sets out the terms of their appointment.

Recommendation 1.4

The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.

The Company complied with Recommendation 1.4 in full for the whole of the Reporting Period.

The Board and the Company as a whole is committed to an inclusive workplace that embraces and values diversity while always upholding the principle of meritocracy.

During the Reporting Period:

- (a) the Company had in place a Diversity Policy which was disclosed on its website;
- (b) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation are set out below. The Company defines its senior executives as those executive employees identified as "Key Management Personnel" in the Remuneration Report of the Company's latest Annual Report:
 - None of the board members as at 30 June 2026 were female;
 - 50% of the senior executives as at 30 June 2026 were female; and
 - 43% of the Company's entire workforce of 14 people, were female as at 30 June 2026.

Further, the Board considers that, at this stage, the incremental benefits of a structured diversity program are disproportionate to the implementation costs involved, when compared to the Company's current practices.

Recommendation 1.6

A listed entity should:

- (a) ***have and disclose a process for periodically evaluating the performance of the Board, its committees and individual Directors; and***
- (b) ***disclose for each reporting period, whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.***

As a result, the duties that would ordinarily be assigned to the Nomination Committee under the Remuneration and Nomination Committee Charter are carried out by the full board.

A copy of the Remuneration and Nomination Committee Charter is set out in the Corporate Governance Plan which is available at the Company's website.

The Board fulfills its duties in this regard, by devoting time at board meetings to discuss Board composition and succession matters on at least an annual basis. All members of the Board are involved in the Company's nomination process, to the maximum extent permitted under the Corporations Act and ASX Listing Rules.

Recommendation 2.2

A listed entity should have and disclose a board skill matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.

The Company did not comply with Recommendation 2.2 in full for the whole of the Reporting Period.

The Board of the Company is comprised of directors with a broad range of technical, commercial, financial and other skills, experience and knowledge relevant to overseeing the business of the Company.

The Company's program for the induction of new directors is tailored to each new Director depending on their personal requirements, background, skills, qualifications and experience and includes the provision of a formal letter of appointment and an induction pack containing sufficient information to allow the new Director to gain an understanding of the business of the Company and the roles, duties and responsibilities of Directors.

Whilst there is no formal program for the periodical review of the need for existing directors to undertake professional development, all Directors are encouraged to undergo continual professional development and, subject to prior approval by the Chairman, all Directors have access to numerous resources and professional development training to address any skills gaps.

Further, in accordance with the Nomination and Remuneration Committee Charter, the Board (in the absence of a Remuneration Committee) is also responsible for granting permission, on a case by case basis, for scheme participants to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the Scheme.

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
