Update to Convertible Note Funding Agreement

Scalare Partners Holdings Limited (ASX: SCP) (“Scalare” or “the Company”) provides an update on its Convertible Note Funding Agreement with Blackstone Mercantile Group Ltd. SAC (“Blackstone”), which was entered into on 30 June 2026 and announced on 2 July 2026, and on the amendment announced on 26 August 2026.

To date, \$2,071,941 of the \$5.0 million commitment has been received by the Company.

Blackstone has advised that the remaining instalments will now be received as follows:

Instalment	Amount	Previous date	Revised date
Second	\$1,500,000	24 September 2026	By no later than 30 October 2026
Third	\$1,428,059 (minimum)	24 October 2026	By no later than 30 November 2026

Blackstone has also advised that they may invest up to an additional \$1.0 million, which if made would bring the total investment to \$6.0 million. The total guaranteed amount remains at \$5.0 million.

If the additional amount of up to \$1,000,000 is received it will be issued on the same terms as the existing convertible notes, including a conversion price of \$1.00.

The shareholder approval obtained for the issue of convertible notes under ASX Listing Rule 7.1 applies for three months, which ends on 4 November 2026.

As the final instalment is now to be paid after that date, the Company will seek new shareholder approval for the issue of the convertible notes relating to that instalment at its Annual General Meeting, to be held on 26 November 2026. Details will be set out in the Notice of Meeting, which the Company will release shortly. If shareholder approval is not obtained for the final instalment the Company would look to assess alternative funding options, if required.

The final instalment, including any amount above \$1,428,059, is conditional on that approval being obtained.

Fairfax Partners Inc will continue to be paid \$500,000 from each instalment as received, in line with the arrangement announced on 26 August 2026. This remains unchanged.

The Company has considered the revised timing and expects it to have no material impact on its operations.

This announcement was authorised for release by the Board of Scalare Partners.
