Estimate only

Unit holders should not rely on this information for the purposes of completing their income tax return.

The income components set out in this statement are estimates only for the interim distribution made by the Fund for this distribution period. All percentage figures and non-cash item amounts (including franking credits) are indicative, based on information available at the date of publication, and are subject to revision.

Details of the final full year components attributed to each unit holder will be provided in the AMMA Statement, which will be issued following the end of financial year.

In determining amounts to be attributed to investors in the AMMA Statement at the end of the year, adjustments may be made to the distribution components to allocate the full year distribution components more consistently across all distributions for the year. As a result, the composition of previously disclosed interim distributions may be revised and the final full year components attributed to you may differ from the estimates you received during the year.

Fund Payment Notice

A Fund Payment Notice for the purposes of Subdivision 12-H of Schedule 1 of the Taxation Administration Act 1953 (Cth) and other information about non-resident withholding tax components of the distribution amount will be available at the Fund's 'Resources' section at macquarie.com/mam.
