Chair's Message

Dear Shareholders,

2026 ANNUAL GENERAL MEETING

On behalf of the Board, I am pleased to invite you to attend the 2026 Annual General Meeting (**AGM**) of AUB Group Limited (**Company** or **AUB Group**), which has been scheduled as follows:

Thursday, 12 November 2026 at 10:00am (Sydney time)

MUFG Corporate Markets

Liberty Place

Level 41

161 Castlereagh Street

Sydney NSW 2000

The AGM will be held as a physical meeting, and the Directors are pleased to be able to meet shareholders face to face once again.

The Notice of Meeting in the following pages details the business of the Meeting and, together with the Explanatory Statement, contains important information in relation to the matters to go before shareholders.

Even if you plan to attend the AGM, we encourage you to submit a directed proxy vote as early as possible so that your vote will be counted if for any reason you cannot attend on the day. Shareholders can lodge their proxy online at au.investorcentre.mpms.mufig.com or complete and return a printed proxy form by 10.00am (Sydney time) on Tuesday, 10 November 2026. Printed proxy forms can be obtained by contacting the Company's share registry at support@cm.mpms.mufig.com or 1800 194 270.

Shareholders are encouraged to submit questions ahead of the Meeting on any shareholder matters that may be relevant to the Meeting at au.investorcentre.mpms.mufig.com. Questions must be submitted by no later than 10.00am (Sydney time) on Thursday 5 November 2026.

In the event that it is necessary for the Company to give further updates, information will be provided on the Company's website and lodged with the Australian Securities Exchange (**ASX**).

ASSESSMENT OF LONG TERM INCENTIVE PLAN

This Notice of Meeting does not contain a Long Term Incentive (**LTI**) grant resolution, as a new LTI framework is being reviewed. The new LTI structure once completed, will be presented to shareholders for approval in a later, separate meeting to be scheduled.

To provide some context for the proposed change, in 2023, Return on Invested Capital (**ROIC**) was introduced as a separately weighted performance measure in AUB's LTI framework. The ROIC measure effectively introduced a hurdle rate of return on capital deployed to acquisitions.

Since then, AUB's capital base and business mix have continued to evolve following significant strategic investments. The Board is now concerned the ROIC hurdle could unintentionally discourage future acquisitions, despite being value-accretive investments that satisfy AUB's strategic and financial investment criteria. Consequently, the Board is undertaking a review of the current LTI framework to ensure it remains appropriately calibrated and continues to align executive incentives with AUB's long-term strategy, disciplined capital allocation objectives and the creation of sustainable shareholder value.

CLOSING

On behalf of the Board, I would like to thank our people, partners and management team for their contribution throughout the year. I also extend my thanks to our clients and shareholders for their

continued trust and support. We remain excited about the future and confident in AUB's ability to continue creating long-term value for shareholders.

I look forward to your participation at the Meeting.

Yours sincerely,

Placement Capacity Refresh

Resolution 3 – Placement Capacity Refresh (Prior Issue of Institutional Placement Shares)

Background

The Company issued 13,605,443 Shares pursuant to the fully underwritten institutional placement announced by the Company to ASX on 27 January 2026 (**Institutional Placement**), utilising the Company's placement capacity under Listing Rule 7.1.

ASX Listing Rules 7.1 and 7.4

This Resolution proposes that shareholders of the Company approve and ratify the prior issue and allotment of 13,605,443 Shares (**Institutional Placement Shares**) which were issued on 2 February 2026 (**Issue Date**).

All of the Institutional Placement Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Institutional Placement Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's shareholders, it uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue or agreement to issue of equity securities after it has been made or agreed to be made. If they do, the issue or agreement to issue is taken to have been approved under Listing Rule 7.1 (provided that the issue or agreement to issue did not breach Listing Rule 7.1) and so does not reduce the company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks shareholder approval to subsequently approve the prior issue of the Institutional Placement Shares for the purposes of Listing Rule 7.4.

If Resolution 3 is passed, the issue of the Institutional Placement Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without shareholder approval over the 12 month period following the Issue Date.

If Resolution 3 is not passed, the issue of the Institutional Placement Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without shareholder approval over the 12 month period following the Issue Date.

Information Required by ASX Listing Rule 7.5

The following information is provided to shareholders in relation to the issue of the Institutional Placement Shares.

- (a) The Institutional Placement Shares were issued to Institutional Investors who were identified through a bookbuild process, which involved Macquarie Capital (Australia) Limited seeking expressions of interest to participate in the Institutional Placement from non-related parties of the Company. No investor who was issued with more than 1% of the Company's issued

capital under the Institutional Placement is:

- (i) a related party of the Company;
 - (ii) a member of the Company's key management personnel;
 - (iii) a substantial holder in the Company;
 - (iv) an adviser to the Company; or
 - (v) an associate of any of the above.
- (b) The Company issued 13,605,443 Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The Shares were issued on 2 February 2026.
- (e) Each of the Shares was issued at an issue price of \$29.40 per Share which raised \$400,000,000 (before costs).
- (f) Funds raised from the issue of the Shares were used by the Company to fund the acquisition of 95.9% of the shares in PIHL Holdings Limited (**Prestige**). Prestige is a diversified insurance broking and underwriting platform in the UK.
- (g) The Shares were issued pursuant to a placement agreement, the material terms of which were announced to ASX on 27 January 2026 and are as follows:
- (i) The lead manager and underwriter was Macquarie Capital (Australia) Limited;
 - (ii) The management fee was 0.4% of the Institutional Placement proceeds (ex-GST);
 - (iii) The Institutional Placement was fully underwritten; and
 - (iv) The underwriting fee was 1.6% of the Institutional Placement proceeds (ex-GST).

Directors' recommendation

The Directors recommend that shareholders vote **FOR** this Resolution.

Resolution 4 – Renewal of Proportional Takeover Approval Provisions

Background

Schedule 5 of the Company's Constitution contains provisions which prohibit the registration of transfers of shares acquired under a proportional takeover bid unless a resolution approving the bid is passed by the shareholders.

Under the Corporations Act, proportional takeover approval provisions expire three years from adoption or renewal and may then be renewed. The proportional takeover approval provisions were adopted at the Company's Annual General Meeting on 10 November 2020, and were renewed at the Company's Annual General Meeting on 2 November 2023.

The Board is seeking shareholder approval to renew the proportional takeover approval provisions in the Constitution. If shareholders approve the renewal of the proportional takeover approval provisions, these provisions will have effect for a further three years.

Where the approval of shareholders is sought to insert or renew proportional takeover approval provisions in a constitution, the Corporations Act requires certain information to be included in the notice of meeting. This information is set out below.

Proportional takeover bid

A proportional takeover bid is one where the takeover bid made to each shareholder of a company is only for a proportion of that shareholder's shares.

This means that control of the company may pass without shareholders having the chance to sell all their shares to the bidder. The bidder may take control of the company without paying an adequate amount for gaining control.

To deal with this possibility, a company may provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must vote on whether to accept or reject the offer and that decision will be binding on all shareholders. The benefit of the provision is that shareholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

Effect of provisions to be renewed

If a proportional takeover bid is made, the Directors must ensure that a resolution of shareholders to approve the takeover bid is voted on at least 14 days before the last day of the takeover offer period.

Each member has one vote for each fully paid share held. Each partly paid share carries a fraction of a vote, reflecting the amount paid up. The vote is decided on a simple majority. The bidder and its associates are not allowed to vote. If the resolution is not passed, transfers giving effect to takeover contracts for the bid will not be registered and the offer will be taken to have been withdrawn.

If the bid is approved (or taken to have been approved), the transfers must be registered if they comply with other provisions of the Corporations Act and the Company's Constitution.

The Directors breach the Corporations Act if they fail to ensure the approving resolution is voted on. However, if the resolution is not voted on, the bid will be taken to have been approved. This effectively means that shareholders may only prohibit a proportional takeover bid by passing a resolution rejecting the proportional takeover bid.

The proportional takeover approval provisions do not apply to full takeover offers and will only apply for three years after the date of renewal. The provisions may be renewed again by a special resolution of shareholders. Similar provisions are commonly found in the constitutions of other ASX listed companies and are regularly renewed.

Potential advantages and disadvantages

Since the current Constitution was adopted, there have been no proportional takeover bids for the Company and therefore the rule has not been activated.

The proportional takeover approval provisions enable the Directors to ascertain the views of shareholders on a proportional takeover bid. Apart from this, there is no specific advantage for Directors (in their capacity as directors) in reinserting the proportional takeover provisions, because they remain free to make their own recommendation on whether a proportional takeover bid should be approved or rejected.

The potential advantages of the proportional takeover approval provisions for shareholders of the Company include:

- (a) shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) the provisions may help shareholders to avoid being locked in as a minority;
- (c) the bargaining power of shareholders is increased which may help ensure that any partial offer is adequately priced; and
- (d) knowing the view of the majority of shareholders may help each individual shareholder to assess the likely outcome of the proportional takeover offer and to decide whether to accept or reject that offer.

The potential disadvantages for shareholders of the Company include:

- (a) proportional takeover offers for securities in the Company may be discouraged;
- (b) shareholders may lose an opportunity of selling all or some of their securities at a premium;
- (c) the chance of a proportional takeover being successful may be reduced; and
- (d) the provisions may be considered to be an additional restriction on the ability of individual shareholders to deal freely in their shares.

The Board considers that the potential advantages for shareholders of the proportional takeover approval provisions outweigh the potential disadvantages. In particular, shareholders as a whole are able to decide whether or not a proportional takeover bid is successful.

No knowledge of present acquisition proposals

At the date of this notice, no Director is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

Approval and Recommendation by Directors

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' recommendation

The Directors recommend that shareholders vote **FOR** this Resolution.

- (c) It is proposed that Pacific Indemnity gives financial assistance in connection with the Acquisition comprising:
 - i. a guarantee by Pacific Indemnity of the obligations of AUB Group and some of its subsidiaries under the Facility Agreement and associated documents; and
 - ii. any document, notice, certificate, resolution, guarantee, indemnity, covenant, representation, warranty, undertaking or agreement necessary, advisable or incidental in connection with any of the above documents,(the **Financial Assistance**).
- (d) As is the case with AUB Group's current funding arrangements, and many similar funding arrangements of other companies, it is a requirement of the lender providing the financing under the Facility Agreement that AUB Group's obligations be guaranteed by the bulk of AUB Group's wholly owned subsidiaries. To comply with that requirement, if AUB Group acquires a new wholly owned subsidiary, it may need to ensure that the new wholly owned subsidiary becomes a guarantor after its acquisition. Now that the Acquisition has completed, AUB Group is obliged to procure that Pacific Indemnity becomes a guarantor by acceding to the Facility Agreement (which has already been signed by AUB Group and the bulk of its existing subsidiaries as guarantors).
- (e) The accession to the Facility Agreement by Pacific Indemnity would constitute financial assistance for the acquisition of shares in Pacific Indemnity. On completion of the Acquisition, AUB Group became the 100% direct owner, and the ultimate holding company, of Pacific Indemnity. As AUB Group is a listed holding company, it is a requirement of section 260B(2) of the Corporations Act that the Financial Assistance be approved by a special resolution of the members of AUB Group.
- (f) The proposed Financial Assistance comprises Pacific Indemnity acceding to the Facility Agreement as a guarantor.

Reasons for the Proposal to Give Financial Assistance

The Financial Assistance will assist AUB Group in connection with the acquisition of Pacific Indemnity.

- (a) It is a requirement of the Facility Agreement that Pacific Indemnity gives the proposed financial assistance. In the view of the Directors, such a reasonable requirement was a necessary part of obtaining finance on the most favourable terms. Obtaining finance of such a large amount without that requirement would have been challenging, and would most likely have resulted in funding being obtained on terms which would have been more restrictive and expensive.
- (b) If Pacific Indemnity does not give the proposed financial assistance within a specified period, then AUB Group will be in breach under the Facility Agreement. Therefore, if this Resolution is not passed, AUB Group will seek to renegotiate the Facility Agreement so it is no longer in breach.

Advantages of the Proposed Financial Assistance

The proposed Financial Assistance will benefit AUB Group, enabling it to comply with the Facility Agreement under which it raised funds on favourable terms, used to finance the Acquisition and for its own working capital purposes.

Effect of the Proposed Financial Assistance on the Interests of AUB Group and its Shareholders

The proposed Financial Assistance will have no adverse effects on the interests of AUB Group and its shareholders.

Effect of the Proposed Financial Assistance on AUB Group's Ability to Pay its Creditors

The proposed Financial Assistance will have no adverse effects on the ability of AUB Group to pay its creditors.

Other Information Material to Decision

The Financial Assistance will have no adverse effects on AUB Group.

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company. If you leave this section blank, or your named proxy does not attend the Meeting, the Chairman of the Meeting will be your proxy. If you do not mark any of the boxes on the items of business, your proxy may vote as they choose. If you mark more than one box on an item your vote on that item will be invalid. If you wish to appoint a Director (other than the Chairman) or other member of the KMP or their closely related parties as your proxy, you must specify how they should vote on Resolution 1 by marking the appropriate box (either For/Against/Abstain). If you do not specify how your proxy should vote, your proxy will not be able to exercise your vote for Resolution 1.
