Explanatory Memorandum

Shareholders are referred to the Explanatory Memorandum accompanying and forming part of this Notice of Meeting for further details and information regarding each agenda item.

Terms and abbreviations used in this Notice of Meeting and Explanatory Memorandum are defined in the Glossary contained in the Explanatory Memorandum.

Entitlement to vote

It has been determined that under regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), for the purposes of the Meeting, the shareholding of each Shareholder will be taken to be as it appears in the Company's share register at 7pm (Sydney time) on Tuesday 10 November 2026. Accordingly, share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

All Resolutions by Poll

In accordance with clause 19.9 of the Company's constitution, the Chair intends to call a poll on each of the resolutions proposed at the Meeting, that will allow each Shareholder to participate in the vote in real time at the Meeting or in advance of the Meeting. Consequently, each resolution considered at the Meeting will be conducted by poll, rather than a show of hands.

Proxies

A Shareholder entitled to attend and vote has a right to appoint a proxy to attend and vote instead of the Shareholder.

Who can be a proxy

A proxy need not be a member of the Company and can either be an individual or a body corporate. If a Shareholder appoints a body corporate as a proxy, that body corporate should ensure that it:

1. appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D of the Corporations Act; and
2. provides satisfactory evidence of the appointment of its corporate representative no later than 48 hours prior to commencement of the Meeting.

If a representative of the corporation is to attend the Meeting, the Shareholder must complete the appropriate certificate of appointment of corporate representative and send the form to proxies.au@cm.apac.mpms.mufig.com prior to the Meeting. A form of the certificate may be obtained from the Company's Share Registry or online at <https://au.investorcentre.mpms.mufig.com>

A Shareholder who is entitled to vote at the Meeting may appoint:

- one proxy if the Shareholder is only entitled to one vote; or
- two proxies if the Shareholder is entitled to more than one vote.

Where the Shareholder appoints two proxies, the appointment may specify the proportion or number of votes that each proxy may exercise. If the appointment does not specify a proportion or number, each proxy may exercise one half of the votes, in which case any fraction of votes will be discarded.

Proxies appointed by corporate Shareholders must be executed in accordance with their constitution or signed by a duly authorised attorney.

Voting

A proxy may decide whether to vote on any motion except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as a proxy.

If a proxy is directed how to vote on an item of business, the proxy may only vote on that item, in accordance with that direction. If a proxy is not directed how to vote on an item of business, a proxy may vote how he/she thinks fit.

Chair as proxy

The Constitution provides that where the appointment of a proxy has not identified the person who may exercise it, the appointment will be deemed to be in favour of the Chair of the meeting to which it relates, or to another person as the Board determines.

City Chic Collective Limited

Notice of Annual General Meeting 2026

If a Shareholder appoints the Chair as the Shareholder's proxy (or if the Chair becomes proxy by default) and does not specify how the Chair is to vote on an item of business, the Chair will vote, as a proxy for that Shareholder, in favour of the item on a poll, including Items 2 and 5 even though this Resolution is connected directly or indirectly with the remuneration of the Company's Key Management Personnel or a Closely Related Party, which include the Chair.

Proxy Forms

If additional Proxy Forms are required, please contact the Company's Share Registry on 1300 554 474, which will supply it on request. 2. Item 2: Resolution 1: Adoption of the Remuneration Report

The Directors' Report for the 52 weeks ended 28 June 2026 includes a Remuneration Report. The Remuneration Report is set out on pages 35 to 45 of the 2026 Annual Report.

The Remuneration Report discusses matters including (but not limited to):

City Chic Collective Limited

Explanatory Memorandum

Spill Resolution

At the 2025 AGM, the Company received a vote of 64.12% in favour of the adoption of the FY25 Remuneration Report and 32.88% against. Because the votes "against" exceeded 25% of the votes cast, the Company recorded what is known as a "first strike" under the executive remuneration provisions of the Corporations Act 2001. In response to the first strike, Directors sought feedback from major shareholders to understand key concerns. Shareholders generally indicated that their concerns were largely unrelated to remuneration but reflected broader frustrations with the Company's performance.

To address these concerns the Company has undertaken several key initiatives in FY26 and into FY27 that it believes will address these concerns.

These key strategic initiatives include:

- **Customer:** Continuing to amplify the focus on the City Chic customer, strengthening emotional connections with the brand through targeted marketing investment and improved customer engagement. These initiatives have contributed to increased average selling prices, improved customer retention and stronger profitability.
- **Product:** Revitalising and evolving the product assortment, with a particular focus on fit, quality and value. This has enhanced the customer proposition and supported an improvement in gross margin and reduced returns rates.
- **Simplification:** Simplifying the business and driving operational efficiencies across the Company. These actions have resulted in a material reduction in the cost of doing business and improved the overall efficiency of the operating model.

These initiatives have led to another year of meaningful progress. While there is still work to do, the business is in a stronger position than it has been for some time, with improved profitability, a stable balance sheet and positive operating momentum heading into FY27.

In addition, as outlined in the Remuneration Report, in FY26 the Board and Management agreed to a buyback of all loan funded shares issued under the Loan Funded Share Plan and the cancellation of the FY24 Performance Rights issued under the Company's Long Term Incentive Plan. The buyback and cancellation of these securities occurred for nil consideration to participants, resulting in no value being received by participants.

Another important aspect of the shareholder feedback related to the performance measures attached to the Company's long-term incentive arrangements. Some shareholders expressed the view that an EBITDA-based measure was not the optimal metric for assessing long-term value creation. The Board has responded to this feedback by moving to an EBIT-based performance measure. The Board believes EBIT provides a stronger alignment between incentive outcomes and the underlying profitability of the business, while also reflecting the ongoing investment required to support sustainable growth.

The Board has listened to shareholder feedback and has sought to address both the concerns raised and to strengthen the alignment between senior executive incentives and shareholder interests.

If (and only if) the votes against the 2026 Remuneration Report represent at least 25% of the votes cast, the Company will receive a "second strike". Under the Corporations Act, if the Company receives a second strike, a resolution must be put to shareholders, allowing shareholders, if they so choose, to pass a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director who under the ASX Listing Rules may continue to hold office indefinitely without being re-elected and if elected Mr Morris as he was not a director when the 2026 Remuneration Report was approved) will cease to hold office but be eligible for election (Spill Resolution). Item 6 sets out the Spill Resolution. If the resolution in Item 6 is passed, then it will be necessary for the Board to convene a further general meeting (Spill Meeting) of the Company within 90 days of the AGM (see Item 6 of the Explanatory Statement for more details).

During discussion on this item of business, there will be an opportunity for shareholders to ask questions about, or comment on, the Remuneration Report.

Voting exclusions apply to Key Management Personnel and their Closely Related Parties in certain circumstances – please see the voting exclusion statement included in the Notice.

Directors Recommendation

The Directors unanimously recommend that Shareholders vote in favour of the adoption of the Remuneration Report.

The Chair intends to vote all available open proxies in favour of the adoption of the Remuneration Report.

3. Item 3: Resolution 2: Re-election of Director, Mr Neil Thompson

Regulatory and Constitutional requirements

ASX Listing Rule 14.5 imposes a requirement on the Company to hold an election of Directors at each annual general meeting.

ASX Listing Rule 14.4 and clause 23.10(b) of the Constitution provide that a Director (other than the Managing Director) may not hold office for more than three years or beyond the third annual general meeting following the Director's appointment (whichever is the longer period) without submitting for re-election.

Any Director who retires in accordance with clause 23.10 of the Constitution is eligible for re-election.

Retirement by rotation and re-election of Mr Neil Thompson

Neil Thompson retires in accordance with clause 23.10(b) of the Constitution and offers himself for re-election.

Mr Thompson was appointed as an independent, non-executive director to the Board on 5 August 2021 and his appointment was approved by shareholders on 17 November 2021. Mr Thompson is chair of the Audit and Risk Committee and a member of the People, Culture and Remuneration Committee.

Experience and Skills

Mr. Thompson has over thirty years of financial, operational and strategic experience from a broad range of roles and industries with global reach, including freight and logistics, industrial products and software sectors.

On 21 July 2026, Mr Thompson was appointed Acting Chief Financial Officer of Beamtree Holdings Limited (ASX:BMT) a global AI health technology company. In February 2026, Mr Thompson also re-joined Potentia Capital as a Finance Operating Partner. Mr Thompson had previously held this role up to January 2024 before taking up the role of Chief Financial Officer at Education Horizons, a leading provider of education software, to facilitate the sale of that business. This sale was successfully completed in June 2025. Mr Thompson was previously the Chief Financial Officer of Ascender HCM (a payroll software and services company). He is a director of the Australian World Orchestra.

Directors' Recommendation

The Board (with Mr Neil Thompson abstaining) recommends voting in favour of Resolution 2 for the re-election of Mr Neil Thompson to the Board of the Company.

The Chair intends to exercise all available proxies in favour of Resolution 2.

4. Item 4: Resolution 3: Election of Director, Mr Eric Morris

Regulatory and Constitutional requirements

ASX Listing Rule 14.4 and clause 23.6 of the Constitution provide that if in any year there is a Director (not including the Managing Director) appointed as an addition to the existing Directors since the last annual general meeting, that Director may only hold office until the next annual general meeting without submitting for election or re-election.

Any Director who is appointed in accordance with clause 23.6 of the Constitution is eligible for election.

Election of Eric Morris

Eric Morris was appointed as an independent, non-executive director to the Board on 7 September 2026 in accordance with clause 23.6 of the Constitution and offers himself for election. Mr Morris is a member of the Audit and Risk Committee and the People, Culture and Remuneration Committee.

Directors' Recommendation

The Board (with Mr Eric Morris abstaining) recommends voting in favour of Resolution 3 for the election of Mr Eric Morris to the Board of the Company.

The Chair intends to exercise all available proxies in favour of Resolution 3.

5. Item 5: Resolution 4: Grant of FY27 Performance Rights under the Equity Incentive Plan to the CEO and Managing Director, Mr Phil Ryan

Background

Item 5 seeks Shareholder approval to grant to Mr Phil Ryan, the Company's CEO and Managing Director and therefore a related party of the Company, FY27 Performance Rights under the Company's Equity Incentive Plan (also referred to in this Notice as the Plan, the Long-Term Incentive Plan or LTIP).

Executive remuneration framework and CEO variable remuneration

As outlined in the Remuneration Report, the principles used to determine the nature and amount of remuneration for executives are as follows:

PRINCIPLES USED TO DETERMINE THE NATURE AND AMOUNT OF REMUNERATION

PRINCIPLE 1

The objectives of the Group's executive remuneration framework are as follows:

- competitiveness and sustainability;
- acceptability to the Group's strategic and business objectives and the creation of shareholder value;
- performance linkage/alignment of executive compensation;
- transparency and acceptability to shareholders.

PRINCIPLE 2

The reward framework is designed to align executive reward to the Company's interests. The Board have considered that it should seek to enhance the Company's interests by:

- including economic profit as a core component of plan design; and
- attracting and retaining high calibre executives.

PRINCIPLE 3

Alignment to program participants' interests:

- rewards capability and experience
- reflects competitive reward for profitable growth; and
- provides a clear structure for earning rewards.

City Chic Collective Limited

Explanatory Memorandum

As part of his remuneration, Mr Phil Ryan is eligible to receive both short-term and long-term incentives, in addition to his fixed remuneration. Details of Mr Ryan's remuneration for FY26 are included in the Remuneration Report.

Long Term Incentives

In recent years, the Company has utilised a range of equity incentive plans to deliver the long term, variable component of remuneration to senior executives – namely the Company's Equity Incentive Plan or LTIP and loan funded share plan (**LFSP**).

As outlined in the Remuneration Report, in FY26, the Board and Management agreed that all securities issued to Mr Ryan under the LTIP and LFSP prior to FY26 were either bought back or cancelled by 3 November 2025 for no consideration.

At the 2025 Annual General Meeting, shareholders approved the grant of FY26 Performance Rights under the LTIP to Mr Ryan, subject to an EBITDA performance condition measured over a three-year performance period. Consistent with the approved terms, the number of FY26 Performance Rights granted to Mr Ryan was determined by applying 50% of Mr Ryan's fixed annual remuneration and dividing that amount by the Company's share price, calculated using the five-day volume weighted average price (VWAP) of the Company's ordinary shares over the five trading days immediately preceding the 2025 Annual General Meeting (**Quantum Methodology**). Applying the Quantum Methodology resulted in the grant of 4,362,618 FY26 Performance Rights to Mr Ryan.

Whilst the Board continues to believe that EBITDA Margin is an appropriate measure of operational performance and has served as an effective incentive to encourage a focus on profitability and value creation, the Board has carefully considered shareholder feedback regarding the vesting conditions attached to long-term incentives.

In response to this feedback, and as set out in Item 2, the Board is proposing to replace the EBITDA-based performance hurdle with an EBIT-based performance hurdle for the FY27 Performance Rights. The Board believes EBIT provides a broader measure of business performance by taking into account depreciation and amortisation associated with the Company's asset base and investments. As a result, EBIT is more closely aligned to the sustainable earnings generated by the business and the long-term value delivered to shareholders. Details of the performance conditions and hurdles are set out in the tables below.

In addition, the Board has also considered the methodology for determining the number of FY27 Performance Rights to be granted in light of the Company's current share price and applying the historical Quantum Methodology. In the Board's view, a mechanical application of this methodology could result in the number of FY27 Performance Rights if vesting at 100% leading to a level of potential dilution that the Board does not consider appropriate.

Accordingly, the Board has determined that:

- the total number of FY27 Performance Rights to be issued to all eligible participants under the Plan or LTIP in FY27 is to be capped at a number equal to 3% of the total number of ordinary shares on issue in the Company on 28 June 2026: and
- the number of FY27 Performance Rights proposed to be issued to Mr Ryan will be an entitlement representing his allocation of this capped amount proportional to all other participants.

In making this determination the Board considered both the predictive value of the rights at the proposed time of grant and the potential value that may be realised by participants if the performance conditions are achieved over the three-year performance period.

In summary, the FY27 Performance Rights proposed to be issued under the LTIP will be subject to an EBIT performance condition measured over a three-year performance period and the total number of FY27 Performance Rights to be granted to all participants will be capped at an amount equal to 3% of the total number of ordinary shares on issue in the Company on 28 June 2026.

Short Term Incentives

As part of Mr Ryan's remuneration in each of FY22, FY23, FY25 and FY26 Mr Ryan has been eligible for a short-term cash incentive subject to performance hurdles. As a result of performance and other relevant

City Chic Collective Limited

Explanatory Memorandum

hurdles not being met, no short-term incentive was paid to Mr Ryan in relation to any of FY22, FY23, FY25 and FY26.

In FY24 Mr Ryan agreed to forego his cash based short term incentive and receive his full entitlement to variable pay as deferred equity FY24 Performance Rights which were approved by shareholders at the 2023 AGM. As outlined above the FY24 Performance Rights approved and granted to Mr Ryan were cancelled for no consideration in FY26.

In addition, effective from the date of the 2023 AGM, Mr Ryan elected to accept a reduction in his total fixed remuneration from \$1,000,000 (including superannuation) to \$840,000 (including superannuation). This reduction in total fixed remuneration remains in place for FY27.

Reasons for Grant of FY27 Performance Rights to Mr Phil Ryan

In the context of the above commentary on historic long- and short-term incentives, the Board believes it is in the best interests of the Company and Shareholders to approve the grant to Mr Ryan FY27 Performance Rights under the Equity Incentive Plan, with an EBIT performance condition measured over a three-year period (**Vesting Conditions**).

The Board believes that the grant of FY27 Performance Rights to Mr Ryan is in the best interests of the Company and Shareholders.

If approved, the proposed FY27 Performance Rights form a significant component of Mr Ryan's at-risk remuneration and are designed to align his interests with those of shareholders over the longer term. Vesting is subject to the achievement of challenging EBIT-based performance hurdles measured over a three-year period, ensuring that value is only realised if sustained improvements in the Company's financial performance are delivered.

The Board considers equity-based incentives to be an important mechanism for retaining and motivating key executives during a critical period in the Company's ongoing turnaround and growth strategy. The three-year performance period encourages decisions that support the long-term success of the business rather than short-term outcomes.

Importantly, if the Vesting Conditions are not achieved, the Performance Rights will lapse and no value will be received by Mr Ryan. Conversely, if the Vesting Conditions are achieved, shareholders will have benefited from improved profitability and the creation of sustainable long-term value. The Board therefore believes the proposed grant provides an appropriate alignment between executive reward and shareholder outcomes.

The purpose of Item 5 is to seek Shareholder approval of the 'deferred equity' grant of FY27 Performance Rights to Mr Ryan as part of his variable remuneration for FY27.

Details of the Equity Incentive Plan

The Equity Incentive Plan provides for the Board to grant, from time to time, performance rights and/or options to selected executives of a Group Company.

A summary of the key terms of the Equity Incentive Plan are set out below, and these terms apply to the FY27 Performance Rights.

Eligibility and securities to be issued	The Board may (in its discretion) from time to time invite Eligible Individuals (as defined below) to participate in the Plan and be issued performance rights and/or options upon the terms set out in the Plan and upon such additional terms and conditions, including any vesting conditions, as the Board determines.
Eligible Individuals	An Eligible Individual means a person who is declared by the Board to be eligible to receive grants of performance rights and/or options under the Plan. In this Notice, an Eligible Individual that is issued performance rights and/or options under the Plan is referred to as a "participant".
Issue price	Unless the Board determines otherwise, no payment is required for the grant of a performance right or option.

City Chic Collective Limited Explanatory Memorandum

Dividends	Any shares issued under the Plan upon exercise of a vested performance right or exercise of an option will rank equally in all respects with other ordinary shares for the time being on issue except as regards any rights attaching to such shares by reference to a record date prior to the date of their allotment. Unvested and unexercised performance rights and unexercised options are not eligible to receive dividends declared in relation to ordinary shares.
Vesting, lapsing and allocation of shares	The Board may determine that performance rights and/or options offered will be subject to such vesting conditions as it determines. Vesting conditions may include performance-based conditions and/or service-based conditions. Performance rights and/or options will not vest unless: • the vesting conditions attaching to the performance rights and/or options have been satisfied or waived by the Board; • the Board otherwise determines in accordance with the terms of the Plan (which includes in the event of a takeover, scheme of arrangement or winding-up of the Company as summarised below). If the vesting conditions are not met, the unvested performance rights and/or options will lapse. Upon the exercise of a vested performance right or exercise of an option, the Company must issue to or procure the transfer to the participant the number of shares in respect of which performance rights have vested or options have been exercised.
Lapsing of performance rights and/or options	Performance rights and/or options will lapse, in whole or part, as determined by the Board on the earlier of: • any date nominated and specified by the Board • failure to meet applicable vesting conditions in the prescribed period • the participant ceasing to be a Company employee, unless otherwise determined by the Board • the 10-year anniversary of the date of grant of a performance right or option • where, in the opinion of the Board, the participant has acted fraudulently, dishonestly or in breach of their obligations to the Company • otherwise, at a specified time and for any reason, determined in the Board's absolute discretion.
Takeovers and Changes of Control	If the Company becomes subject to a takeover bid (as defined in the Corporations Act) the Board may, in its absolute discretion, determine that all or a specified number of a participant's performance rights or options vest, having regard to whether pro rata performance is in line with the applicable performance conditions and service conditions over the period from the date of grant to the date of the takeover bid. The Board may, in its absolute discretion, determine that all or a specified number of a participant's performance rights or options vest where the Board is satisfied that the applicable performance conditions and service conditions have been satisfied on a pro rata basis over the period from the date of grant to the relevant date where: a) a Court orders a meeting to be held in relation to a proposed compromise or arrangement for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; b) any person becomes bound or entitled to acquire shares in the Company under: i. section 414 of the Corporations Act (upon a scheme of arrangement being approved); or ii. Chapter 6A of the Corporations Act (compulsory acquisition following a takeover bid);

City Chic Collective Limited Explanatory Memorandum

	c) the Company passes a resolution for voluntary winding up; or d) an order is made for the compulsory winding up of the Company.
Changes in capital structure	If: a) shares are issued pro rata to the Company's shareholders generally by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment) involving capitalisation of reserves or distributable profits; or b) any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is effected; the number of performance rights or options to which each participant is entitled, or any amount payable on vesting of a performance right or exercise of an option, or both as appropriate, will be adjusted in the manner determined by the Board to ensure that no advantage or disadvantage accrues to the participant as a result of such corporate actions. If Shares are offered pro rata for subscription by the Company's shareholders generally by way of a rights issue during the currency of and prior to: (1) the exercise of performance rights; or (2) the exercise of any options, the Board may, in its discretion, adjust the number of performance rights, options or shares to take account of the rights issue.
Other	The Board may at any time and from time to time amend or vary the Plan and all or any rights or obligations of the participants or any of them. However, no amendments can be made to materially reduce a participant's accrued benefits or entitlements as they existed before the date of the amendment without the consent of the participant (except for the purpose of complying with laws (including tax laws) or regulating the maintenance or operation of the Plan, to correct any manifest error or mistake or to enable the Plan or the Company to comply with the Corporations Act, the Listing Rules or its Constitution).

ASX Listing Rule 10.14

ASX Listing Rule 10.14 requires Shareholder approval by ordinary resolution before a director can acquire securities or rights to securities under an employee incentive scheme. Accordingly, ASX Listing Rule 10.14 requires Shareholders to approve the proposed issue of FY27 Performance Rights to Mr Ryan as Mr Ryan falls within Listing Rule 10.14.1 by virtue of being a director.

If approval is given for the issue of FY27 Performance Rights under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1, and separate approval is not required under ASX Listing Rule 10.11 (which provides a general restriction against issuing securities to directors without Shareholder approval).

If Shareholders do not approve the grant of FY27 Performance Rights, Mr Ryan will not be entitled to any alternative grant of securities regarding his variable long-term incentives for FY27.

Explanatory Memorandum

Additional Information required by ASX Listing Rule 10.15

For the purposes of ASX Listing Rule 10.15, the following additional information is provided to Shareholders in relation to Item 5:

Information	Disclosure
Details of Mr Ryan's current total remuneration package	Mr Ryan agreed to a reduction in his fixed salary effective from the 2023 AGM and this reduction continues in FY27. Mr Ryan's remuneration for FY27 consists of: - total fixed salary of \$810,000 (exclusive of superannuation) (reduced from \$972,500 (exclusive of superannuation in FY23); - superannuation; - variable short term cash incentive equal to up to 50% of total fixed remuneration based on Board agreed KPI's; and - subject to Shareholder approval, variable long term incentive opportunity for 4,023,000 FY27 Performance Rights which will, subject to Vesting Conditions being met, entitle Mr Ryan to up to 4,023,000 fully paid ordinary shares in the Company.
Determination of the maximum number of securities that may be acquired by all persons for whom approval is required	The number of FY27 Performance Rights to be granted to Mr Ryan will be 4,023,000. The total number of FY27 Performance Rights to be issued to all eligible participants under the Plan or LTIP in FY27 is to be capped at a number equal to 3% of the total number of ordinary shares on issue in the Company on 28 June 2026. The number proposed to be issued to Mr Ryan if approved by shareholders represents his allocation of this capped amount proportional to all other participants.
Vesting Conditions	Under the Equity Incentive Plan, FY27 Performance Rights granted only vest subject to the achievement (or waiver in certain circumstances) of specific Vesting Conditions. The Vesting Conditions set by the Board for the proposed issue of FY27 Performance Rights to Mr Ryan include both a performance-based vesting condition (Performance Condition) and a time-based vesting condition (Service Condition). In order for any FY27 Performance Rights to vest, both the Performance Condition and the Service Condition must be met. This means that no Performance Rights can vest until after the end of the Service Condition, being 4 July 2029 (subject to the Plan and unless otherwise waived by the Board), as assessed by the Board in its absolute discretion.

FY27 Performance Right Service Condition	In order for any FY27 Performance Rights to vest, the Service Condition requires Mr Ryan to remain an employee or executive Director of the Company up to and including 4 July 2029. The intention of the Service Condition is primarily two-fold; it seeks to retain an executive of Mr Ryan's capability and experience, and simultaneously seeks to drive the continued focus of Mr Ryan on growing the Company sustainably over the longer term.										
The price for each security to be acquired under the Equity Incentive Plan	As the FY27 Performance Rights are part of Mr Ryan's remuneration, no amount is payable on the grant of FY27 Performance Rights or on allocation of ordinary shares if FY27 Performance Rights vest and are exercised.

At the 2025 AGM, Shareholder approved the grant of 4,362,618 FY26 Performance Rights and in February 2026 this number of FY26 Performance Rights were granted to Mr Ryan. Should Shareholders approve the grant of FY27 Performance Rights, the equity incentives in place for Mr Ryan will be the FY26 Performance Rights and the FY27 Performance Rights.										
The names of all Directors entitled to participate in the Equity Incentive Plan	All executive Directors are entitled to participate in the Equity Incentive Plan, which currently includes only Mr Ryan.										

City Chic Collective Limited Explanatory Memorandum

	Non-executive directors are not entitled to participate in the Equity Incentive Plan.
The date by which the entity will issue the securities	If approved, the FY27 Performance Rights will be issued to Mr Ryan as soon as practicable after the 2026 Annual General Meeting, but in any event no later than 12 months after the Meeting.
Other	The Company advises that: • details of any FY27 Performance Rights issued under the Equity Incentive Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement confirming that approval for the issue was obtained under Listing Rule 10.14; and • if any additional persons covered by Listing Rule 10.14 that are not currently named in this Notice of Meeting become entitled to participate in an issue of FY27 Performance Rights (or other securities) under the Equity Incentive Plan after the date of this Resolution, such person will not participate until approval is obtained under Listing Rule 10.14.

A voting exclusion statement is included in the Notice.

Corporations Act - Acceleration of vesting and Termination Benefits

Part 2D.2, Division 2 of the Corporations Act provides that a listed company must not permit a person in a managerial or executive office (including a Director) to receive a benefit in connection with their retirement or removal from office or employment (**Termination Benefit**), except with respect to certain statutory exceptions, over the applicable 'base salary amount' (calculated as 12 months of the applicable person's base salary plus any short term benefits not dependent on performance conditions paid during the relevant period), without Shareholder approval.

The Board has formed the view that should the FY27 Performance Rights proposed to be issued to Mr Ryan not automatically be forfeited on cessation of employment, the value of the FY27 Performance Rights provided may be considered a Termination Benefit. Similarly, in the event that the FY27 Performance Rights issued to Mr Ryan vest if the Company becomes subject to a change of control event, the value of the FY27 Performance Rights provided may be considered a Termination Benefit (particularly if Mr Ryan is no longer employed by the Company after the relevant change of control event). Accordingly, Shareholder approval must be sought for any such benefit which Mr Ryan may receive under the Equity Incentive Plan.

Accordingly, where a participant ceases to be an employee before the performance right or option has vested, the Board may determine the extent to which the FY27 Performance Rights or options granted to the participant vest, under the Equity Incentive Plan. If no determination is made by the Board, then all FY27 Performance Rights and options held by the participant will lapse. If Shareholders approve Item 5, the maximum number of FY27 Performance Rights that may vest upon the retirement or removal from office of Mr Ryan under the Equity Incentive Plan will be the number of FY27 Performance Rights granted to Mr Ryan under Item 5). However, the actual number of FY27 Performance Rights that may vest upon retirement or removal from office (if any) will depend on a range of factors. Accordingly, the precise value of the affected FY27 Performance Rights cannot presently be ascertained at this time. Matters, events and circumstances that will, or are likely to, affect the calculation of that value include the following:

- the number of unvested FY27 Performance Rights held by Mr Ryan prior to the cessation of employment;
- the extent to which the relevant Vesting Conditions attaching to the FY27 Performance Rights before they vest are met at the time;
- the period that has elapsed at that time since the issue of the FY27 Performance Rights;
- the reasons for cessation of employment;
- the number of FY27 Performance Rights that vest; and
- the Company's share price at the date of vesting.

The Company will calculate the value of the FY27 Performance Rights on the basis of the prevailing share price of the Company at the time.

What happens if Shareholders do not approve the resolution?

Firstly, the Board takes Shareholder feedback on remuneration seriously, and will consider any feedback associated with a vote against this resolution.

If Shareholder approval is not obtained, the proposed grant of FY27 Performance Rights to Mr Ryan will not proceed.

In such circumstances, the Board will consider alternative remuneration arrangements, including a cash payment, which it believes may be less effective in aligning Mr Ryan's interests with Shareholders.

Directors' Recommendation

The Directors, except for Mr Phil Ryan, unanimously recommend that Shareholders vote in favour of Resolution 4.

The Chairperson intends to exercise all available proxies in favour of Resolution 4.

6. Item 6: Resolution 5: Spill Resolution

The Corporations Act provides that if at least 25% of the votes cast on the adoption of the Remuneration Report at two consecutive AGMs are against adopting the Remuneration Report, shareholders will have the opportunity to vote on a "Spill Resolution".

At last year's Annual General Meeting, at least 25% of the votes cast on the resolution to adopt the Remuneration Report were against adopting the report.

If it is unclear during the meeting that less than 25% of the votes cast on Item 2 are against the adoption of the Remuneration Report, Item 6 will be put to the meeting and voted on as required by section 250V of the Corporations Act (**Spill Resolution**). In the event that this Item is passed, it will only be effective if, once the formal results of the poll conducted on Item 2 are settled, at least 25% of the votes cast on Item 2 are against the adoption of the Remuneration Report.

If it is clear during the meeting that less than 25% of the votes cast on Item 2 are against adopting the Remuneration Report at this year's Annual General Meeting, then there will be no second strike and Item 6 will not be put to the meeting.

If put, the Spill Resolution will be considered as an ordinary resolution.

Shareholders should note that if the Spill Resolution is passed:

- the Company will convene a general meeting of members to be held within 90 days of the date of this year's Annual General Meeting (**Spill Meeting**); and
- each of Michael Kay, Neil Thompson and Natalie McLean, who were directors when the last directors' report was approved by the board (**Relevant Directors**), will cease to hold office immediately before the end of the Spill Meeting.

Each Relevant Director is eligible to seek re-election as a director of the Company at the Spill Meeting.

Even if Neil Thompson is re-elected at the AGM, he will still be subject to the Spill Resolution and will need to be re-elected at the Spill Meeting if he is to remain a director. Mr Philip Ryan, as CEO and Managing Director, is excluded from the requirement to retire and stand for election at the Spill Meeting. If Mr Morris is elected at the AGM he is also excluded from the requirement to retire and stand for election at the Spill Meeting as he was not a director at the time of approval of the last directors report.

Shareholders should be aware that if the Spill Resolution is passed, the convening of a Spill Meeting will result in the Company incurring material additional expense in conducting the meeting as well as the potential disruption to its focus on core business operations. Shareholders should also note that there are no voting exclusions applicable to the resolutions appointing directors at the Spill Meeting.

Directors' Recommendation

The Directors unanimously recommend shareholders vote AGAINST the resolution to convene a Spill Meeting if Item 6 is put to shareholders.

The Chair intends to vote all available open proxies against Item 6 if Item 6 is put to shareholders.
