Dear Shareholder,

Non-Renounceable Entitlement Offer – Notice to Ineligible Shareholders

On 1 October 2026, Range International Limited (ASX: RAN) (**Company**) announced that it intended to undertake a non-renounceable pro rata offer of 1 fully paid ordinary share in the capital of the Company (**Share**) for every 1 existing Share held at the Record Date of 6 October 2026, at an offer price of \$0.09 per Share to raise approximately \$1.69 million (subject to rounding and before costs) (**Entitlement Offer**).

Details of the Entitlement Offer

The Entitlement Offer is being made in accordance with section 708AA of the *Corporations Act 2001* (Cth) (**Corporations Act**) as modified by ASIC Corporations (Non-Traditional Rights Issues) Instrument 2026/98.

The Entitlement Offer is only open to eligible shareholders (**Eligible Shareholders**) as determined by the Company. The Company will provide Eligible Shareholders with details of their entitlements and how to apply under the Entitlement Offer.

The purpose of this notice is to inform you that, according to our records, unfortunately you do not satisfy the eligibility criteria to participate in the Entitlement Offer.

Why am I not eligible to participate in the Entitlement Offer?

The Entitlement Offer is being made to Eligible Shareholders, being each shareholder of the Company as at 7:00 pm (AEDT) on Tuesday, 6 October 2026 (**Record Date**) that:

- has a registered address on the Company's share register in Australia, New Zealand, Indonesia, Singapore or the United Kingdom;
- is not located in the United States and is not acting for the account or benefit of a person in the United States (to the extent that the shareholder holds Shares for the account or benefit of a person in the United States); and
- is eligible under all applicable securities laws to receive an offer under the Entitlement Offer without any requirement for a prospectus to be lodged or registered (other than in Australia).

The Company has determined, pursuant to section 9A(3) of the Corporations Act and Listing Rule 7.7.1(a) of the ASX Listing Rules, that it would be unreasonable to make offers to shareholders in countries outside Australia, New Zealand, Indonesia, Singapore and the United Kingdom in connection with the Entitlement Offer.

This is due to the legal and regulatory requirements in countries outside Australia, New Zealand, Indonesia, Singapore and the United Kingdom and the potential costs to the Company of complying with these requirements, compared with the relatively small number of shareholders in those countries, the relatively small number of existing Shares they hold and the relatively low value of Shares to which those

shareholders would otherwise be entitled to subscribe for.

Unfortunately, according to our records, you do not satisfy the eligibility criteria for an Eligible Shareholder stated above. Accordingly, in compliance with ASX Listing Rule 7.7.1(b) and section 9A(3)(b) of the Corporations Act, this letter is to inform you that the Company has determined that you are not an Eligible Shareholder and, therefore, are ineligible to participate in the Entitlement Offer.

The Entitlement Offer is non-renounceable and therefore the entitlements that you would have been entitled to will not be offered for sale and no amount will be payable to you.

You are not required to do anything in response to this letter.

On behalf of the Directors, thank you for your ongoing support of the Company.

Yours faithfully,

David Hwang
Company Secretary
Range International Limited
