ASX Announcement

AUD\$1.41 million Small Uncrewed Aerial Systems Spares Order

Key highlights:

- AUD\$1.41 million including GST (AUD\$1.28 million excluding GST) order for small uncrewed aerial system spare parts.
- Order demonstrates continued confidence in the product and service offering.

HighCom Limited (ASX: HCL) (HighCom or the Company) is pleased to advise that its wholly owned subsidiary, **HighCom Technology Pty Ltd**, has received an order of AUD\$1.41 million including GST (AUD\$1.28 million excluding GST) from Defence under the current Small Uncrewed Aerial Systems (SUAS) Support Contract (**Order**). This is a subsequent order of spares to the one announced on 24 June 2026. The Order will be completed in FY27.

Note: The AUD value of the Order has been calculated using a \$0.715 exchange rate from US dollars.

Mr Bede Galvin, HighCom Technology's President, stated that *"This Order forms part of HighCom's continued support to Defence and highlights the importance of sustainment in ensuring operational readiness and capability availability. As a technology integrator, we remain committed to delivering dependable solutions and responsive support that enable our customers to meet their mission requirements."*

This ASX announcement has been authorised for release by the Board of Directors.
