Resolutions

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, TTX is required to present to its Shareholders the Remuneration Report as disclosed in TTX's Annual Financial Report.

The vote on this Resolution is advisory only and does not bind the Directors or TTX. The Remuneration Report is

set out in TTX's Annual Financial Report and is also available on TTX's website at www.tetratherix.com.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (the subject of this Notice of Meeting), and then again at the 2027 Annual General Meeting (2027 AGM), TTX will be required to put to the vote a resolution (Spill Resolution) at the 2027 AGM to approve the calling of a further meeting (Spill Meeting). If more than 50% of the votes cast are in favour of the Spill Resolution, TTX must convene the Spill Meeting within 90 days of the 2027 AGM. All of the Directors who were in office when the 2027 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Directors' recommendation

The Directors (excluding Dr Ali Fathi) recommend that Shareholders vote for this Resolution.

Resolutions 6, 7(a) and 7(b) – Ratification of May Placement and Approval of Tranche 2 Placement Shares

On 28 May 2026, TTX announced the placement of an aggregate of 2,500,000 Shares each at an issue price of \$6.00 per Share.

The placement comprised two tranches being:

- (i) Tranche 1 under which TTX issued 2,163,818 Shares on 4 June 2026 at an issue price of \$6.00 per Share utilising TTX's existing placement capacity under Listing Rule 7.1; and
- (ii) Tranche 2 under which TTX will issue 336,182 Shares at an issue price of \$6.00 per Share, subject to receipt of Shareholder approval at the Meeting.

The purpose of the placement was to raise \$15,000,000 (before costs). TTX intends to apply the proceeds to production expansion, strategic partnerships, customer success, digitisation, working capital and transaction costs.

The placement was made to sophisticated and professional investors. The Tranche 1 participants were identified by TTX's management from its existing investor relationships with the assistance of joint lead managers of the Placement. None of the Tranche 1 participants is a related party of TTX, a member of TTX's key management

personnel, a substantial holder in TTX, an adviser to TTX, or an associate of any of those persons. Tranche 2 Placement Shares are proposed to be issued to Atlanta Daniel and Gillian Shea (or their respective nominees), each of whom is a Director of TTX.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 and Listing Rule 7.1A limit the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% and 10% respectively of the fully paid ordinary shares on issue at the start of that period.

The issue of the Placement Shares did not fall within an exception and the Tranche 1 Placement Shares were issued without Shareholder approval under TTX's placement capacity under Listing Rule 7.1.

ASX Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under Listing Rule 7.1 and Listing Rule 7.1A, provided the issue did not breach the maximum threshold set by Listing Rule 7.1 and Listing Rule 7.1A. If they do, the issue is taken to have been approved under Listing Rule 7.1 and Listing Rule 7.1A and so does not reduce TTX's capacity to issue further equity securities without shareholder approval under those rules.

TTX wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1 and Listing Rule 7.1A and thus TTX is seeking ratification of the issue of the Placement Shares. TTX confirms that the issue and allotment of the Placement Shares did not breach Listing Rule 7.1 and Listing Rule 7.1A at the date of issue.

If this Resolution is passed, the issue will be excluded in calculating TTX's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities TTX can issue without Shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating TTX's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities TTX can issue without Shareholder approval over the 12-month period following the date of the issue.

The Tranche 2 Placement Shares are to be issued to Atlanta Daniel and Gillian Shea (or their respective nominees), each of whom is a Director of TTX.

Listing Rule 10.11 provides that an entity must not permit any of the following persons to acquire equity securities without the approval of the holders of its ordinary securities:

10.11.1 a related party of the entity;

10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;

10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;

10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

10.11.5 a person whose relationship with the entity or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by security holders.

The issue falls within Listing Rule 10.11.1 and therefore requires the approval of Shareholders under Listing Rule 10.13.

Information required under Listing Rule 10.13:

Name of the person	Atlanta Daniel – nominee: Radar Ventures Limited Partnership (Resolution 7(a)) Gillian Shea – nominee: Sheabain Pty Limited (Resolution 7(b))
Tranche 2 Placement Shares	Maximum of 336,182 Shares will be issued, being 329,515 Shares to Atlanta Daniel (or nominee) under Resolution 7(a) and 6,667 Shares to Gillian Shea (or nominee) under Resolution 7(b)
Terms	Tranche 2 Placement Shares will be fully paid ordinary shares ranking equally with existing shares on issue and are issued on the same terms as Tranche 1 Placement Shares

Issue date	Tranche 2 Placement Shares will be issued no later than 1 month after the date of the Meeting (or such later date as ASX approves)
Issue price	\$6.00
Use of funds	Proceeds raised from the Placement Offer will be used to fund production expansion, strategic partnerships, customer success, digitisation, working capital and transaction costs
Remuneration	Tranche 2 Placement Shares are issued in each of Atlanta Daniel and Gillian Shea's capacity as an investor and not as remuneration. Atlanta Daniel and Gillian Shea have each paid the subscription monies for their Tranche 2 Placement Shares to TTX in advance of the Meeting. TTX is holding those monies in a separate account] pending the outcome of the Meeting. No Tranche 2 Placement Shares will be issued unless Shareholder approval is obtained. Voting power following issuance would be: (i) Atlanta Daniel (and Related Entities) – 13.22% (ii) Gillian Shea (and Related Entities) – 0.048%
Voting	A voting exclusion statement is included with the Resolution

If Resolution 7(a) or Resolution 7(b) is passed, TTX will be able to proceed with the relevant issue within 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use any of TTX's 15% annual placement capacity.

If Resolution 7(a) or Resolution 7(b) is not passed, TTX will not issue the relevant Tranche 2 Placement Shares and will refund in full the subscription monies paid for those shares to the relevant director within 1 month after the date of the Meeting.

Each of Resolutions 7(a) and 7(b) seeks the required Shareholder approval to issue the relevant Tranche 2 Placement Shares under and for the purposes of Listing Rule 10.11.

Directors' recommendation

The Directors (excluding Atlanta Daniel and Gillian Shea) recommend that Shareholders vote for each of Resolutions 7(a) and 7(b).

Resolution 8 – Appointment of Auditor

On 2 October 2026, pursuant to section 327A(1) of the Corporations Act, BDO Audit Pty Ltd was appointed as auditor of TTX.

Under section 327A(2) of the Corporations Act, an auditor who has been appointed under section 327A(1) of the Corporations Act only holds office until the company's next annual general meeting.

Pursuant to section 328B of the Corporations Act, TTX received a valid notice of nomination which nominated Nexia Sydney Audit Pty Ltd to be appointed as the new auditor of TTX. A copy of the notice of nomination is set out in Annexure A of this Notice of Meeting.

BDO Audit Pty Ltd has provided TTX with its written consent to act, subject to Shareholder approval being obtained, as TTX's auditor in accordance with section 328A(1) of the Corporations Act.

Accordingly, under this Resolution, Shareholder approval is being sought to appoint Nexia Audit as the auditor of TTX.

Directors' recommendation

The Board of Directors recommends that Shareholders vote for this Resolution.
