Orezone Applies to Change ASX Admission Category to Foreign Exempt Listing

October 13, 2026 – Vancouver, BC - Orezone Gold Corporation (TSX: ORE | ASX: ORE | OTCQX: ORZCF) (the “Company” or “Orezone”) is pleased to announce it has formally applied to ASX to change its admission category from a standard ASX Listing to an ASX Foreign Exempt Listing.

The application follows in-principle advice from ASX that it would be likely to approve the change following receipt of a formal application, subject to Orezone providing certain information in a form suitable for release to the market.

If ASX approves the change, Orezone will be primarily subject to the listing requirements of its home exchange, the TSX, and will be exempt from complying with most ASX Listing Rules. The change would not affect CDI holders’ ability to trade their CDIs on ASX. The Company's ASX ticker code would remain ORE.

ABOUT OREZONE GOLD CORPORATION

Orezone Gold is an emerging intermediate gold producer with operations in Canada and West Africa. Its Casa Berardi and Bomboré gold mines host significant mineral endowments, growth opportunities, and exploration upside. The recently acquired Casa Berardi mine in Quebec has produced over 3.2 million oz of gold to-date while the Bomboré mine was constructed and brought into production by Orezone in late 2022.

Orezone is led by an experienced management team committed to safe, sustainable, and responsible mining practices, with a focus on delivering long-term value for all stakeholders.
