ASX RELEASE

Cancellation of shares and ASX Appendix 3Y's

Australian Mines Limited confirms that it has now cancelled 94,904,375 ordinary shares issued to participants under its Loan Share Plan, and discontinued use of that Plan. As a result, attached are three ASX Appendix 3Y's.

For the Appendix 3Y concerning the director Michael Ramsden, a typographical error has been picked up for the Appendix 3Y lodged on 29 November 2023, which showed shares held by him as 10,913,510, instead of 11,913,510, and has been repeated in subsequent ASX 3Y's for Mr Ramsden. The error was picked up during completion of the share cancellation process.

Also, on 30 October 2025 there were some internal transfers of shares from indirect holdings of Mr Ramsden to another, which did not result in a change of beneficial ownership for which there is no strict requirement to formally lodge an Appendix 3Y. The correct holdings are now recorded.

Australian Mines confirms that the correct number of shares held by or on behalf of Mr Ramsden was recorded in its 2025 and 2026 Annual Reports and it is confident it can comply with its obligations under the ASX Listing Rules as the error was a typographical one which will not reoccur.
