

ASX & Media Release

Notice of Class Action

14 October 2026

AGL Energy Limited (AGL) has been served with class action proceedings filed in the Federal Court of Australia.

The proceedings allege that AGL engaged in misleading or deceptive conduct and breached consumer guarantees under the Australian Consumer Law in relation to AGL's carbon neutral products.

AGL takes its compliance obligations seriously and intends to vigorously defend the proceedings.

Authorised for release by AGL's Market Disclosure Committee.

About AGL Energy

We believe energy makes life better and we are passionate about powering Australian life. Proudly Australian for more than 185 years, AGL supplies around 4.6 million customer services¹. AGL operates Australia's largest private electricity generation portfolio within the National Electricity Market, comprising coal and gas-fired generation, renewable energy sources such as wind and hydro, as well as batteries and other storage technology. We are building on our history as one of Australia's leading private investors in renewable energy. Our ambition is to be a leader in the energy transition. As part of this, we are progressing our strategy to transition our energy portfolio and connect every customer to a sustainable future.
