Who may vote

Pursuant to regulation 7.11.37 of the Corporations Regulations, the Directors have determined that persons whose names are recorded in the register of members of the

Company as the holder of at least one Share as at 7.00pm (AEDT) on Wednesday 18 November 2026 are entitled to attend and vote at the meeting convened by this Notice. If a Share is held jointly, only one joint holder may vote. If more than one joint holder votes in respect of jointly held Shares, only the vote of the holder whose name appears first in the Company's register of members will be counted.

Voting by poll

The Chair will put the resolutions the subject of items 2 to 4 to a poll at the meeting. Voting results on the resolutions that are put to the meeting (including the relevant proxy votes) will be announced to the ASX as soon as practicable after the meeting.

Appointment of Proxies

A Shareholder who is entitled to attend and vote at the meeting has a right to appoint up to 2 proxies to attend and vote for the Shareholder at the meeting. A proxy need not be a Shareholder.

To be valid, proxy appointments and voting instructions must be received by Automic in one of the ways described below by 10.00am (AEDT) on Wednesday 18 November 2026. Shareholders may submit their proxy appointments and voting instructions as follows:

- online through Automic's website at <https://investor.automic.com.au/#/loginsah>;
- returning their hard copy personalised proxy form (if applicable) by post to GPO Box 5193, Sydney NSW 2001 or by email to meetings@automicgroup.com.au or by delivering to: Automic, Level 5, 126 Phillip Street, Sydney NSW 2000.

Where a Shareholder appoints two proxies, the appointment may specify the proportion or number of votes which each proxy may exercise. If the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, then each proxy may exercise half of those votes.

If a proxy is instructed to abstain from voting on a resolution, they must not vote on the Shareholder's behalf, and any vote cast by them on that resolution as the Shareholder's proxy will not be counted.

If a Shareholder appoints someone as their proxy (other than the Chair) and directs them how to vote, the Chair must cast those proxy votes on the Shareholder's behalf on a poll in accordance with the Shareholder's voting directions if the proxy does not do so.

If a Shareholder appoints the Chair as their proxy (or if he is appointed by default), and no voting direction is provided in relation to a resolution, by lodging their proxy appointment in one of the ways described above, the Shareholder will be taken to have expressly authorised the Chair to exercise their proxy as the Chair sees fit in relation to that resolution, including the resolutions in respect of the adoption of the Remuneration Report (item 2) even though the resolution is connected directly or indirectly with the remuneration of the Company's KMP.

If a Shareholder appoints a Director (other than the Chair) or another member of the Company's KMP, or any of their Closely Related Parties, as their proxy, the Shareholder must specify how the proxy should vote on the resolution the subject of item 2 by completing the "For", "Against" or "Abstain" boxes on the proxy form (or, if the proxy is appointed online, by directing the proxy how to vote on the relevant resolution in accordance with the instructions on the website). If the Shareholder does not do so, the proxy will not be able to exercise the Shareholder's vote on that resolution and those votes will not be counted. Further instructions on appointing proxies are available on the proxy form or on the website referred to above.

If a Shareholder returns a signed proxy form but does not nominate a person to act as the Shareholder's proxy, the Chair will be taken to have been appointed as the Shareholder's

proxy by default.

Hard copy proxy forms must be signed by the Shareholder or the Shareholder's attorney. Where the proxy form is signed by the appointor's attorney or other authority, a certified copy of the power of attorney or other authority must be returned in the same manner, and by the same time, as proxy appointments (except that it cannot be lodged online). If a Shareholder appoints a proxy and personally attends the meeting (whether in person or online through the virtual meeting platform), that Shareholder's proxy's authority to speak and vote on that Shareholder's behalf at the meeting will be suspended for so long as that Shareholder is present at the meeting.

**Chair's intention
regarding undirected
Proxies**

The Chair intends to vote all available (including undirected) proxies in favour of all resolutions, including the resolution the subject of item 2 (subject to the applicable voting exclusions described above).

**Corporate
representative**

A Shareholder who is a body corporate and who is entitled to attend and vote at the meeting, or a proxy who is a body corporate and who is appointed by a Shareholder entitled to attend and vote at the meeting as that Shareholder's proxy, may appoint a person to act as its representative at the meeting. The appointment must comply with section 250D of the Corporations Act. A corporate representative must provide written evidence of their appointment to Automic by obtaining and completing an 'Appointment of Corporate Representative' form from Automic's website at <https://www.automicgroup.com.au/hubfs/automic/forms/appointment-of-corporate-representative-form.pdf?hsLang=en-au>. Corporate representative forms must be provided to Automic before or at the time of registration of attendance at the AGM. A corporate representative form may be submitted in the same manner as a proxy form (except that it cannot be lodged online).

**Questions for the
Directors or Auditor**

Shareholders may submit written questions to the Directors on any matter relating to the management of the Company, the reports referred to in item 1 or item 2, or to the Company's auditor, Pitcher Partners, if the question is relevant to the preparation and content of Pitcher Partners' auditor's report for the year ended 30 June 2026, the accounting policies adopted by the Company in relation to the preparation of the financial statements of the Company or the independence of the auditor in relation to the conduct of the audit.

Such written questions must be sent to the Company by email to shareholders@pinnacleinvestment.com by 10.00am (AEDT) Friday 13 November 2026. A reasonable opportunity to ask such questions will also be given to Shareholders at the appropriate time at the meeting.

Technical difficulties

Technical difficulties may arise during the course of the AGM which may impact Shareholders attending online. The Chair has discretion as to whether and how the meeting should proceed in the event that a technical difficulty arises. In exercising his discretion, the Chair will have regard to the number of Shareholders impacted and the extent to which participation in the business of the meeting is affected.

Where the Chair considers it appropriate, the Chair may continue to hold the meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions.

For this reason, Shareholders are encouraged to submit proxy appointments before the meeting to Automic so that they are received by 10.00am (AEDT) on Wednesday 18 November 2026.

By order of the Board

Company Secretary

Explanatory memorandum

Introduction

This explanatory memorandum provides Shareholders with important information in relation to each item of business for the AGM, including the proposed resolutions to be considered by Shareholders of the Company.

Item 1: Financial Statements and Reports

In accordance with the Corporations Act, the financial report, Directors' report and auditor's report for the year ended 30 June 2026 will be laid before the meeting. These reports are contained in the Company's 2026 annual report.

This item does not require a formal resolution and, accordingly, no vote will be held on this item. Shareholders will be given a reasonable opportunity to ask questions in relation to, and make comments on, these reports and the management of the Company, and will also be given an opportunity to ask the Company's external auditor, Pitcher Partners, questions relevant to the conduct of the audit and other related matters, during discussion on this item. Please see "Information for Shareholders – Questions for the Directors or Auditor" in relation to any questions that Shareholders would like to submit to the Directors or the Company's auditor, whether in writing in advance of the meeting or at the meeting itself.

Item 2: Remuneration Report

Shareholders are asked to adopt the Remuneration Report for the financial year ended 30 June 2026. The Remuneration Report forms part of the Directors' report in the Company's 2026 annual report, which is available on the Company's website.

The Company's remuneration strategy for non-executive Directors is to remunerate them appropriately for their time, expertise and insight into strategic and governance issues, and to ensure the Company is able to attract and retain experienced and qualified Directors.

As part of this item, Shareholders will be given a reasonable opportunity to ask questions in relation to, and make comments on, the Remuneration Report.

Under the Corporations Act, the vote on this resolution is advisory only and does not bind the Board or the Company. However, the Company values Shareholders' feedback.

If at least 25% of the votes cast are against the adoption of the Remuneration Report (and comments were made on the Remuneration Report at the AGM), the Company's next Directors' report must include an explanation of the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for inaction.

If at least 25% of the votes cast are against the adoption of the Remuneration Report and, at the next annual general meeting of the Company following the AGM, 25% or more of the votes cast on the resolution to adopt the remuneration report for the financial year ending on 30 June 2027 are against the adoption of that remuneration report, the Company will be required to put to Shareholders at the 2027 annual general meeting a resolution that a further general meeting be held (within 90 days) at which all Directors (other than the Managing Director, if any) who were in office at the date of the Board's approval of the Directors' report for the financial year ending on 30 June 2027 must stand for re-election.

A voting exclusion statement applies to this resolution, as set out earlier in this Notice.

Recommendation

Noting that each Director has a personal interest in his or her own remuneration from the Company, the Board unanimously recommends that Shareholders vote in favour of adopting the Remuneration Report. The Chair intends to vote all available (including undirected) proxies in favour of this resolution (subject to the applicable voting exclusion described in this Notice).

Item 3: Re-election of Don Hamson as a Director

Rule 6.7 of the Company's constitution requires that at every annual general meeting one third, or the number nearest to one third (rounded up to the nearest whole number), of the Company's longest serving directors since last being elected or re-elected, excluding any Director appointed by the remaining directors to either fill a casual vacancy or as an addition to the existing Directors, must retire from office. Each retiring Director is eligible for re-election in accordance with the Constitution. As the longest serving Director since last being elected or re-elected, Don Hamson is retiring from office and offers himself for re-election.

A summary of Don Hamson's qualifications and experience is detailed below.

Dr Don Hamson has over 30 years investment management experience and was the founding Managing Director of Plato. Prior to establishing Plato, Dr Hamson was Head of Active Equities, Asia Pacific (and a member of the global Senior Management Group) at State Street Global Advisers. Prior to joining State Street, Dr Hamson was Chief Investment Officer at Westpac Investment Management, where he was involved in forming BT Financial Group and was a member of the Investment Committee.

Dr Hamson has a Bachelor of Commerce with First Class Honours and a PhD in Finance from the University of Queensland (UQ). Before moving to the investment industry, Don was a Lecturer in Finance at UQ and a visiting Professor at the University of Michigan Business School.

Recommendation

The Board (with Dr Hamson abstaining) considers that Dr Hamson is a valuable addition to the Board in light of the particular skills, knowledge and experience that he brings to the Board, and recommends that Shareholders vote in favour of the proposed resolution. The Chair intends to vote all available (including undirected) proxies in favour of this resolution.

Item 4: Re-election of Jonathan Trollip as a Director

As noted above, rule 6.7 of the Constitution requires one third of the retiring Directors to retire at every annual general meeting. Accordingly, a second Director other than Dr Don Hamson must retire at this year's AGM. The Board has agreed for Jonathan Trollip to retire from office and to offer himself for re-election.

A summary of Mr Jonathan Trollip's qualifications and experience is detailed below.

Mr Jonathan Trollip is a non-executive director with several years of commercial, corporate, governance, legal and transaction experience. Mr Trollip is the independent chairman of ASX listed Spheria Emerging Companies Limited and Staude Capital Global Value Fund Limited (listed investment companies). He is also a non-executive director of ASX listed BCAL Diagnostics Limited and of Kore Potash PLC (ASX, AIM and JSE listed).

Prior to becoming a professional non-executive director he worked as a principal of Meridian International Capital Limited, and before that he was a Partner with law firm Herbert Smith Freehills. In the philanthropy area, he is chairman of the PNI Foundation. Mr Trollip has a B.Arts, post graduate degrees in Economics and Law and is a Fellow of the Australian Institute of Company Directors.

Recommendation

The Board (with Mr Trollip abstaining) considers that Mr Trollip is a valuable addition to the Board in light of the particular skills, knowledge and experience that he brings to the Board, and recommends that Shareholders vote in favour of the proposed resolution. The Chair intends to vote all available (including undirected) proxies in favour of this resolution.
