DataDot announces Chief Financial Officer and Company Secretary transition

DataDot Technology Limited (ASX: DDT) (**DataDot** or the **Company**) today announces the appointment of Andrew Hunt as Contract Chief Financial Officer and Company Secretary, effective 16 October 2026, succeeding Paul Tosi.

The appointment forms part of the Company's operational restructuring, with the finance and company secretarial functions transitioning to an outsourced service model through Lewis Finlay Accountants Pty Ltd.

The revised structure is intended to provide a more flexible and cost-effective approach to financial management and corporate administration, while supporting the integration of artificial intelligence and automation into the Company's financial and reporting processes to improve operational efficiency and productivity.

Andrew previously served as DataDot's Chief Financial Officer and Company Secretary and brings extensive financial, operational and corporate governance experience, together with an established understanding of the Company's business and operations.

DataDot Managing Director Brad Kellas said:

"Andrew's familiarity with DataDot and his extensive financial and corporate experience make him well placed to support the Company through this next phase. The transition to an outsourced model is consistent with our focus on managing costs, improving operational efficiency and leveraging technology to streamline our business processes."

In accordance with ASX Listing Rule 12.6, Andrew Hunt will be the person responsible for communications with ASX in relation to Listing Rule matters.

This announcement is authorised for release by the Board of Directors.
