TMK LAUNCHES NEW INVESTOR CENTRE

TMK Energy Limited (ASX:TMK) ("TMK" or the "Company") is pleased to announce that it has partnered with Relait to launch its new online Investor Centre, providing a centralised destination for current and prospective investors to access Company information and engage directly with management.

The Investor Centre integrates seamlessly into our recently launched new website (<https://www.tmkenergy.com.au/investor-centre>) and includes ASX announcements, financial and corporate reports, presentations, videos, links to the Company's social media channels, and other relevant Company updates.

Followers of TMK are encouraged to 'Join' the Investor Centre, enabling them to:

- Submit questions to management on specific announcements and articles
- Receive updates and notifications as new content is published
- Securely view details of their shareholdings via the integrated shareholder access functionality

Mr Dougal Ferguson, TMK Energy's Chief Executive Officer commented:

"Clear, timely and accessible communication with our shareholders is an important part of how we operate at TMK.

Our partnership with Relait brings our announcements, reports, videos, news and social media together in one easy-to-access platform, while providing shareholders with a direct way to engage with the Company and ask questions.

We see Relait as a valuable addition to our investor communications, helping us keep shareholders better informed and connected as we continue to advance the Gurvantes XXXV Project."

The Company encourages current and prospective investors to visit the Investor Centre via the TMK website and to register as followers to stay up to date with future news and developments.
