About Aura Energy (ASX: AEE, AIM: AURA)

Aura Energy Limited (ASX:AEE, AIM:AURA) is an Australian-based company focused on the development of uranium and battery metals to support a cleaner energy future. Aura is committed to creating value for host nations, local communities, and shareholders through responsible and sustainable resource development. Aura is advancing two key projects:

- **Tiris Uranium Project, Mauritania** – A near-term, long-life, high-value project transitioning from development to production, positioning the Company as a future uranium supplier.
- **Häggån Polymetallic Project, Sweden** – A large-scale polymetallic project containing vanadium, sulphate of potash and uranium providing longer-term growth potential.
