AUGUST PERFORMANCE

Revenue. Fly Wallet revenue doubled to \$38.0 million (July: \$19.0 million)¹, with card item sales up 27% to \$1.31 million.

Profitability. Gross profit was \$151k (July: \$284k†), reflecting the timing of management fee billing, with the balance expected to be recognised in September 2026. Operating expenses fell 35% to \$73k, mainly consulting fees, resulting in an operating profit of \$79k².

CORPORATE MILESTONES

21 Aug General Meeting

All resolutions approved, including a 10:1 consolidation of capital and the change of name to Klevo Group Limited.

25 Aug Option Exercise

Fully paid ordinary shares issued on the cashless exercise of certain unlisted options, following shareholder approval.

31 Aug Appendix 4E

FY2026 preliminary final report lodged: revenue up 324% to \$13.5M and loss after tax down 72% to \$0.66M.

¹ Revenue includes ~\$36.6 million of stablecoin sales (July: ~\$17.8 million). The reported revenue of stablecoin sales represents cash proceeds received and settled with Mastercard after the conversion of stablecoin to fiat.

² The Company generated an operating profit of \$79k from its core operations. This excludes any non-cash unrealised foreign exchange and bank revaluations.

† July 2026 gross profit and operating profit updated following month-end close (previously reported as \$278k and \$167k on 12 August 2026). July revenue is unchanged.

Important information. Financial information relates to Fly Wallet Pty Ltd on a standalone basis, is prepared on an accrual basis from management accounts, is unaudited and may change as part of the Company's financial reporting and audit process. Operating profit is a non-IFRS measure. Statements about the timing of management fee income are forward-looking and subject to risks and uncertainties; actual results may differ materially.

This announcement has been authorised for release by the Board of Directors of the Company.
