

ASX / MEDIA RELEASE
21 October 2026

Notice of Expiry of Listed Options (ASX Code: 1CGO)

One Click Group Limited (ASX: 1CG) ("One Click" or the "Company") gives notice of the upcoming expiry of its listed options exercisable at \$0.03 each and expiring on 17 November 2026 (ASX: 1CGO) ("1CGO Options"). The 1CGO Options will expire at 5:00pm (WST) on Tuesday, 17 November 2026 ("Expiry Date").

In accordance with item 5.3 of Appendix 6A of the ASX Listing Rules, the Company is not required to send a notice to each holder of 1CGO Options, as the 1CGO Options are substantially out of the money. That is, the closing market price of the Company's fully paid ordinary shares ("Shares") on 20 October 2026, being the trading day 20 business days before the Expiry Date, of \$0.008 was less than 50% of the exercise price of the 1CGO Options, and the highest market price at which Shares traded on ASX in the six months preceding that trading day was less than 75% of the exercise price of the 1CGO Options.

Notwithstanding the above, the Company sets out below the information prescribed by paragraph 5.2 of Appendix 6A of the ASX Listing Rules in respect of the 1CGO Options:

- (a) The number of 1CGO Options on issue is 36,540,346. If all 1CGO Options were exercised, 36,540,346 Shares would be issued.
- (b) Each 1CGO Option entitles the holder to subscribe for one Share upon payment of the exercise price of \$0.03 on or before the Expiry Date, being 17 November 2026.
- (c) If a holder does not exercise their 1CGO Options before the Expiry Date, their entitlement to exercise those 1CGO Options will lapse and the holder will have no further right or entitlement in respect of them.
- (d) Quotation of the 1CGO Options on ASX will cease at the close of trading on Wednesday, 11 November 2026, being four business days before the Expiry Date.
- (e) The market sale price of Shares on ASX was \$0.008 on 20 October 2026, being the last trading day before the date of this notice.
- (f) The highest and lowest market sale prices of Shares on ASX during the three months immediately preceding the date of this notice, and the respective dates of those sales, were:
 - Highest: \$0.012 on 20 July 2026; and
 - Lowest: \$0.008 on 20 October 2026.
- (g) No underwriting agreement exists in respect of the exercise of the 1CGO Options.

Holders of 1CGO Options have the following courses of action available to them:

1. **Exercise your 1CGO Options.** Your 1CGO Options may be exercised in whole or in part by payment of the exercise price of \$0.03 per 1CGO Option, so that payment is received no later than 5:00pm (WST) on 17 November 2026.

We note, however, that the exercise price of \$0.03 exceeds the current market price of Shares of \$0.008, and the 1CGO Options are therefore significantly out of the money.

To exercise your 1CGO Options, please contact the Company's share registry, Computershare Investor Services Pty Limited, on 1300 850 505 (within Australia) or +61 3 9415 4000 (outside Australia), or the Company Secretary, Timothy Barker, on 1300 707 117 or at tim@azc.com.au.
2. **Sell your 1CGO Options.** If you wish to sell your 1CGO Options, you must do so before the close of trading on 11 November 2026, after which quotation of the 1CGO Options on ASX will cease.
3. **Do nothing and allow your 1CGO Options to expire.** If you do not exercise or sell your 1CGO Options, they will expire at 5:00pm (WST) on 17 November 2026 and your right to subscribe for Shares at an exercise price of \$0.03 per Share will lapse.

Holders of 1CGO Options who have any questions in relation to this notice should contact the Company Secretary, Timothy Barker, on 1300 707 117 or at tim@azc.com.au.

This announcement has been authorised for release by Timothy Barker, Joint Company Secretary.
