

Change of Company Name and ASX Code

Liberty Metals Ltd (ASX: LIB) (Liberty or the Company) announced on 14 October 2026 that a Special Resolution had been passed by Shareholders at the General Meeting to change the name of the Company from Liberty Metals Ltd to El Dorado Goldfields Ltd.

The Company is pleased to advise that the name change has now been processed by the Australian Securities and Investments Commission and that the effective date for the change of Company name on the Australian Securities Exchange (**ASX**) will be from the commencement of trading on **Friday, 23 October 2026**. The Company's new ASX code will be **EDO** following the change.

The name change reflects the Company's focus on the Oko North and Oko South Projects in Guyana's Oko Gold District, as announced to the ASX on 12 August 2026.

In conjunction with the change of name, the Company has launched a new website at www.eldoradogoldfields.com.

Liberty Metals Chairman, Nicholas Katris, commented:

"Our new name marks the beginning of a new chapter for the Company. El Dorado Goldfields is now a Guyana-focused gold explorer, with a substantial landholding at Oko North and Oko South in one of the world's most exciting emerging gold districts, surrounded by major discoveries and with early exploration already confirming hard-rock gold mineralisation at Oko North¹.

The name El Dorado speaks to the legendary gold endowment of the Guiana Shield and to our ambition to deliver the next major discovery there. With a highly experienced exploration team on the ground, we are focused on systematically exploring the Oko Projects and look forward to sharing our progress with shareholders under our new identity, new ASX code and new website."

END

The announcement was authorised for release by the Board of Liberty Metals Ltd.
