

BARKLY RARE EARTHS TO PRESENT AT IMARC 2026 AND HOST LIVE INVESTOR BRIEFING

Barkly Rare Earths Limited (“Barkly” or “the Company”) (ASX:BAK) is pleased to announce that it will present at IMARC 2026 in Sydney on Wednesday, 28 October 2026.

After the conference, Managing Director Craig Wright will host a live online analyst and shareholder briefing on **Thursday, 29 October 2026 at 1:00pm (AEDT)**. Craig will share the latest updates on Barkly’s activities and then take questions from attendees.

The briefing is a chance for shareholders and interested investors to hear from Craig directly and put their questions to him. Investors are encouraged to register now and submit questions in advance, so Craig can cover the topics that matter most to them.

Register and submit your questions here:
