Each Shareholder is entitled to submit a written question to the auditor before the Meeting if the question relates to the content of the auditor's report or the conduct of the audit in relation to the financial statements for the financial year ended 30 June 2026.

All written questions must be received by the Company no later than five business days before the Meeting. All questions should be sent to the Company and should not be sent direct to the auditor. The Company will send all questions to the auditor.

Resolution 1: Adoption of the Remuneration Report

The Corporations Act requires all listed companies to present their remuneration report for each financial year for adoption by Shareholders at the company's annual general meeting. The Directors' remuneration report can be found as a separately identified "Remuneration Report - Audited" within the Directors' report section of the Company's 2026 Annual Report.

Time will be allowed during the Meeting for questions by Shareholders regarding the Directors' remuneration report.

The vote on this resolution is advisory only and does not bind the Directors or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the remuneration report at the meeting when reviewing the Company's remuneration policy.

Under changes to the Corporations Act that came into effect on 1 July 2011, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at next year's Annual General Meeting (**second AGM**), the Company will be required to put to Shareholders a resolution proposing the calling of an Extraordinary General Meeting to consider the appointment of Directors of the Company (**Spill Resolution**).

Explanatory Memorandum

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Extraordinary General Meeting (**Spill Meeting**) within 90 days of the second AGM. The Remuneration Report for the financial year ended 30 June 2025 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held in November 2025. Accordingly, if more than 25% of the votes cast on Resolution 1 at the Meeting are against the adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders.

In the event that you choose to appoint the Chairman as your proxy:

- the Chairman's voting intention is to vote in favour of this Resolution to adopt the Remuneration Report;
- the attached Proxy Form provides that if the Chairman is appointed as proxy, the Chairman is directed to vote in accordance with the voting intention set out above, unless you direct the Chairman to vote in a different manner;
- the Chairman will only vote in accordance with his stated voting intention if the relevant Proxy Form box is marked as required;
- if the relevant box is unmarked, the Chairman will not be permitted to vote the relevant shares on the Resolution in relation to the Remuneration Report;
- for all other Resolutions where the Chairman is appointed as proxy, those proxies can remain undirected and may be voted on by the Chairman on that basis.

 - (vi) less the number of fully paid Shares cancelled in the 12 months.
- D = 10%.
- E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement has not been subsequently approved by the Shareholders under Listing Rule 7.4.

Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 7:

- (a) Minimum Price: Under the Listing Rules, the minimum price at which the Equity Securities may be issued is 75% of the VWAP of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) Risk of voting dilution: Shareholders should be aware there is a risk of economic and voting dilution that may result from an issue of Equity Securities under the 10% Placement Capacity, including the risk that:
 - (i) the market price for Equity Securities in that class may be significantly lower on the issue date than on the date of the Meeting where approval is being sought; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the date of issue.

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue, unless the only Equity Securities issued under the 10% Placement Capacity are options and these options are not exercised.

If Resolution 7 is approved by Shareholders, the Company will be able to issue Equity Securities under the 10% Placement Capacity in addition to the Company's 15% placement capacity under Listing Rule 7.1 and without the need to obtain further Shareholder approval. If Resolution 7 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities set out in Listing Rule 7.1.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of the Shares and the current number of Shares on issue as at the date of this notice of Meeting.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Explanatory Memorandum

Variable "A" in Listing Rule 7.1A.2	Number of Shares issued and funds raised under the 10% Placement Capacity and dilution effect	Dilution

	Funds raised	\$312,515	\$625,031	\$1,250,062
468,773,191 50% increase in current Variable A	Shares issued	46,877,319	46,877,319	46,877,319
	Funds raised	\$468,773	\$937,546	\$1,875,093
625,030,922 100% increase in current Variable A	Shares issued	62,503,092	62,503,092	62,503,092
	Funds raised	\$625,031	\$1,250,062	\$2,500,124

Notes:

1. The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.
2. The table above uses the following assumptions:
 - (i) The current Shares on issue are the Shares on issue as at the date of the Notice of Meeting.
 - (ii) The issue price set out above is the closing price of the Shares on ASX on 16 October 2026.
 - (iii) The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
 - (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
 - (v) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
 - (vi) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
 - (vii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (c) Period of mandate: Subject to paragraph (g) below, Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting where this approval is obtained and expiring on the first to occur of the following:
 - (i) 12 months after the date of the Meeting where this approval is obtained;
 - (ii) the time and date of the Company's next annual general meeting; and
 - (iii) the time and date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

The approval under Listing Rule 7.1A will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 or 11.2.

Explanatory Memorandum

- (d) Purpose of Issue under 10% Placement Capacity: The Company may issue Equity Securities under the 10% Placement Capacity for a cash consideration to raise funds for the acquisition of new assets or investments (including the expenses associated with such acquisition or investment), continued exploration and project development expenditure on the Company's current assets and/or for general working capital.
- (e) Allocation under the 10% Placement Capacity: As at the date of this Notice, the allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
 - (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
 - (iii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
 - (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at its 2025 annual general meeting held on 27 November 2025.

In the 12 months preceding the date of the Meeting, as part of the Third Placement the Company issued 7,187,498 Shares under ASX Listing Rule 7.1A.2, which represented approximately 2.71% of the total number of Shares on issue at the commencement of that 12 month period.

As required under ASX Listing Rules 7.3A.6(b), the details in respect of the issue of these Shares are set out below:

Names of the persons to whom the securities were issued	Xuan Dong and Xinwei Chen
Number and class of equity securities issued	7,187,498 fully paid ordinary shares issued under the Third Placement, which ranked pari passu with all existing Shares on issue and subject to a voluntary escrow restriction for a period of 12 months from the date of allotment
