Please bring your personalised Proxy Form with you as it will help you to register your attendance at the Meeting. DATED 28TH OCTOBER 2026
BY ORDER OF THE BOARD

The Directors recommend Shareholders read this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Financial Statements and Report

Under the Corporations Act, the directors of the Company must table the Financial Report, the Directors' Report and the Auditor's Report for Audalia Resources for the year ended 30 June 2026 (**Annual Report**) at the Meeting.

These reports, together with the declaration of Directors, are set out in the Annual Report. Shareholders who elected to receive a printed copy of annual reports should have received the Annual Report with this Notice of Annual General Meeting. In accordance with section 314 (1AA)(c) of the Corporations Act, the Company advises the Annual Report is available from the Company's website: <https://www.audalia.com.au/investors/company-reports/>.

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2026.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report, which is available online;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the Auditor questions about:
 - (i) the conduct of the audit;
 - (ii) the preparation and contents of the Auditor's Report;
 - (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the Auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Auditor about:

- (a) the content of the Auditor's Report; and
- (b) the conduct of the audit of the Annual Report,

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

1. Resolution 1 – Adoption of Remuneration Report

1.1 General

Under the Corporations Act, the Company is required to include, in the Directors' Report, a detailed Remuneration Report setting out the prescribed information in relation to the remuneration of directors and executives of Audalia Resources and the Company's remuneration practices.

Shareholders will be given reasonable opportunity at the meeting to ask questions and make comments on the Remuneration Report.

Under section 250R(2) of the Corporations Act, the Remuneration Report is required to be submitted for adoption by a resolution of Shareholders at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

1.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual

financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous Annual General Meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

1.4 Voting Intention

The Chair of the Meeting intends to vote all available proxies in favour of the Resolution.

2. Background to Resolutions 2, 3, and 4 – Re-election of Directors

ASX Listing Rule 14.4 provides that other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election. Clause 15.2 of the Constitution requires that at the annual general meeting, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt) shall retire from office, provided always that no Director other than the Managing Director shall hold office for more than 3 years or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself for re-election. The Directors to retire at an annual general meeting are those who have been longest in office since their last election. In determining the number of Directors to retire by rotation, no account is to be taken of a Director who only holds office until the next annual general meeting pursuant to clause 15.4 of the Constitution. A retiring director is eligible for re-election.

The Directors have resolved to implement best practice and to request that Shareholders consider the re-election of all Directors at each annual general meeting. This practice provides Shareholders with an opportunity to vote on the re-election of each of the Company's Directors each year and ask questions about their proposed re-appointment.

3. Resolution 2– Re-election of Director – Mr Siew Swan Ong

3.1 General

Mr Ong, who has served as a director since 9 October 2010 and was last re-elected at the Company's 2025 Annual General Meeting held on 28 November 2025, retires in accordance with the Company's Constitution and the current practice of the Board and, being eligible, offers himself for re-election.

If Resolution 2 is passed, Mr Ong will be re-elected as a Director of the Company.

If Resolution 2 is not passed, Mr Ong will not be re-elected and will retire as a Director. If this were to occur, the Company may consider appointing another director in place of Mr Ong.

He is an advocate & Solicitor for more than 25 years, including managing his own legal practice in the areas of Banking Law, Commercial Law, Land & Mining Law. If Resolution 3 is passed, Mr Butler will be re-elected as a Director of the Company.

If Resolution 3 is not passed, Mr Butler will not be re-elected and will retire as a Director. If this were to occur, the Company may consider appointing another director in place of Mr Butler.

4.2 Qualifications and other directorships

He has a geology degree from Otago University and is a Fellow member of the Australasian Institute of Mining and Metallurgy. Accordingly, the Board (other than Mr Butler) recommends Shareholders vote in favour of the Resolution.

4.5 Voting Intention

The Chair of the Meeting intends to vote undirected proxies in favour of the Resolution.

5. Resolution 4 – Re-election of Director – Mr Xu (Geoffrey) Han

5.1 General

Mr Han, who has served as a director since 30 June 2016 and was last re-elected at the Company's 2025 Annual General Meeting held on 28 November 2025, retires in accordance with the Company's Constitution and the current practice of the Board and, being eligible, offers himself for re-election.

If Resolution 4 is passed, Mr Han will be re-elected as a Director of the Company.

If Resolution 4 is not passed, Mr Han will not be re-elected and will retire as a Director. If this were to occur, the Company may consider appointing another director in place of Mr Han.

5.2 Qualifications and other directorships

Mr Han holds a Masters in Chemical Engineering from Curtin University and has held senior engineering positions with a number of WA resource companies over the last 10 years. 5.4 Board Recommendation

The Board has reviewed Mr Han's performance since his appointment to the Board and considers that Mr Han's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Han) recommends Shareholders vote in favour of the Resolution.

5.5 Voting Intention

The Chair of the Meeting intends to vote undirected proxies in favour of the Resolution.

6. Resolution 5 – Approval of 7.1A Mandate

8.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$19,296,996 (based on the number of Shares on issue and the closing price of Shares on the ASX on 20 October 2026).

Resolution 7 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information is provided below in relation to Resolution 7:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to progress exploration and evaluation work and regulatory approvals and permits required to support development of the Medcalf Project, the acquisition of new resources and assets (including expenses associated with such an acquisition), supplementing general working capital and covering the costs of the issue of Equity Securities.

(c) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of those Shareholders who do not receive any Shares under the issue.

If Resolution 7 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 20 October 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.011	\$0.022	\$0.033
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	877,136,191 Shares	87,713,619 Shares	\$964,850	\$1,929,700	\$2,894,549
50% increase	1,315,704,287 Shares	131,570,429 Shares	\$1,447,275	\$2,894,549	\$4,341,824
100% increase	1,754,272,382 Shares	175,427,238 Shares	\$1,929,700	\$3,589,399	\$5,789,099

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (i) There are currently 877,136,191 Shares on issue as at the date of this Notice of Meeting.
- (ii) The issue price set out above is the closing price of the Shares on the ASX on 20 October 2026.
- (iii) The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (v) The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) the alternative methods of raising funds that are available to the Company, including but not limited to, entitlements issues, share purchase plans, placement or other issues in which existing security holders may participate;

- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issue of Equity Securities;
- (v) the circumstances of the Company, including, but not limited to, the financial situation and solvency of the Company; and
- (vi) advice from professional advisers, including corporate, financial and broking advisers (if applicable).

(e) Previous approval under Listing Rule 7.1A

- (i) The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 28 November 2025 (**Previous Approval**).
- (ii) During the 12 month period preceding the date of the Meeting, being on and from 28 November 2025, the Company issued a total of 65,000,000 Equity Securities under Listing Rule 7.1A, representing 8.00% of the total number of Equity Securities on issue at Friday, 28 November 2025. Details of the Equity Securities issued under Listing Rule 7.1A in the preceding 12 month period are set out in Schedule 1.

8.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

9. Resolution 6 – Ratification of issue of Placement Shares

9.1 Background

During the 12 month period preceding the date of the Meeting, being on and from 28 November 2025, the Company issued the following **Placement Shares** under Listing Rule 7.1A:

- On 22 December 2025, the Company issued 20,000,000 Shares at a price of \$0.027 per Share by way of placement to a sophisticated investor (**Placement Participants**), without Shareholder approval, as announced to ASX on 17 December 2025 (**December 2025 Placement**). The Placement raised \$540,000 for the Company.
- On 6 May 2026, the Company issued 15,000,000 Shares at a price of \$0.030 per Share by way of placement to a sophisticated investor (**Placement Participants**), without Shareholder approval, as announced to ASX on 16 April 2026 (**May 2026 Placement**). The Placement raised \$450,000 for the Company.
- On 3 July 2026, the Company issued 15,000,000 Shares at a price of \$0.030 per Share by way of placement to a sophisticated investor (**Placement Participants**), without Shareholder approval, as announced to ASX on 29 June 2026 (**July 2026 Placement**). The Placement raised \$450,000 for the Company.
- On 19 August 2026, the Company issued 15,000,000 Shares at a price of \$0.030 per Share by way of placement to a sophisticated investor (**Placement Participants**), without Shareholder approval, as announced to ASX on 17 August 2026 (**August 2026 Placement**). The Placement raised \$450,000 for the Company.

All **Placement Shares** were issued pursuant to the Company's placement capacity under Listing Rule 7.1A.

9.2 Listing Rules requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issued at the start of that period.

The issue of the Placement Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

Under ASX Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolutions passed at its annual general meeting, to increase the 15% limit in ASX Listing Rule 7.1 by an extra 10%, to a combined 25%.

The Placement Shares do not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 10% limit in 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A for the 12 month period following the issue date.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1A. To this end, Resolution 6 seeks Shareholder approval to subsequently approve the issue of the Placement Shares under and for the purposes of Listing Rule 7.4.

9.3 Resolution

Under Resolution 6, the Company seeks from Shareholders approval for, and ratification of, the issue of the 65,000,000 Placement Shares to Placement Participants so as to restore the capacity of the Company to issue further securities under Listing Rule 7.1A in the next 12 months.

If Resolution 6 is passed, the issue will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval under that rule.

If Resolution 6 is not passed, the issue will be included in calculating the Company's 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval under that rule.

9.5 Directors' recommendation

The Board believes that the ratification of the issue of the Placement Shares under Resolution 6 is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months without the requirement to obtain prior Shareholder approval (subject to the approval of Resolution 5). Accordingly, the Board recommends Shareholders vote in favour of Resolution 6.

11. Resolution 8 – Approval to issue Loan Shares

11.1 Background

On 24 March 2015, the Company entered into a loan agreement with Mr Yek Yek Ong, pursuant to which Mr Yek Yek Ong advanced a total of \$2,000,000 to the Company (**Unrelated Loan**) at an interest rate of 8% per annum and the Company initially agreed to repay the Unrelated Loan on 20 March 2016. The parties subsequently agreed to extend the repayment date on several occasions and the current repayment date for the Unrelated Loan is 15 July 2028.

On 19 October 2026, the parties entered into an agreement to convert the Unrelated Loan into Shares (**Repayment Agreement**). A summary of the material terms of the Repayment Agreement is set out below:

- (i) (**Loan Balance**): \$2,000,000
- (ii) (**Loan Shares**): subject to Shareholder approval, the Company agreed to issue 66,666,667 Shares at a deemed issue price of \$0.03 each, in satisfaction of the Loan Balance (**Loan Shares**)

The Repayment Agreement otherwise contains terms and conditions considered standard for an agreement of this nature.

Resolution 8 seeks Shareholder approval to issue up to 66,666,667 Loan Shares to Mr Yek Yek Ong pursuant to Listing Rule 7.1.

11.2 Listing Rules requirements

A summary of Listing Rule 7.1 is set out in Section 9.2 above.

The effect of Resolution 8 will be to allow the Company to issue the Loan Shares to Mr Yek Yek Ong in satisfaction of the Unrelated Loan during the period of 3 months after the Meeting (or longer period if allowed by ASX), without using the Company's 15% annual placement capacity

11.3 Resolution

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Loan Shares. In addition, the issue of the Loan Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of the Loan Shares and the Company may be required to repay the Unrelated Loan in cash.

Accordingly, the Board recommends Shareholders vote in favour of Resolution 8.

12. Resolution 9 – Approval to issue Related Party Loan Shares

12.1 Background

The Company had previously entered into the following loan agreements with a Director, Mr Siew Swan Ong:

Date Announced	Loan Amount	Other Terms
16 June 2020	\$1,000,000	Interest-free, fee-free
29 October 2021	\$1,000,000	5% interest per annum, compounded daily
26 October 2022	\$500,000	5% interest per annum, compounded daily
14 September 2023	\$500,000	5% interest per annum, compounded daily

(together, **Related Party Loans**).

The Related Party Loans are all unsecured, negotiated at arm's length and are repayable on 15 July 2028.

On 19 October 2026, the parties entered into an agreement to convert the Related Party Loan into Shares (**Related Party Repayment Agreement**). A summary of the material terms of the Related Party Repayment Agreement is set out below:

- (i) **(Loan Balance)**: \$3,000,000
- (ii) **(Related Party Loan Shares)**: subject to Shareholder approval, the Company agreed to issue 100,000,000 Shares at a deemed issue price of \$0.03 each, in satisfaction of the Loan Balance (**Related Party Loan Shares**)

The Related Party Repayment Agreement otherwise contains terms and conditions considered standard for an agreement of this nature.

Resolution 9 seeks Shareholder approval to issue up to 100,000,000 Related Party Loan Shares to Mr Siew Swan Ong pursuant to Listing Rule 10.11.

12.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Related Party Loan Shares constitutes giving a financial benefit. Mr Siew Swan Ong is a related parties of the Company by virtue of being a Director.

The current Directors whom do not have a material personal interest in the Resolution (being Mr Brent Butler and Mr Xu Han), have determined that the exception in section 210 of the Corporations Act applies in related to the proposed issue of Related Party Loan Shares to Mr Siew Swan Ong (and/or his nominees), given that the Related Party Loan Shares is considered to be on arm's length terms (being on the same deemed issue price as issue price under the May 2026 Placement, July 2026 Placement and August 2026 Placement).

12.3 Listing Rules requirements

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (i) a related party;
- (ii) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- (iii) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (iv) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- (v) a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Related Party Loan Shares falls within ASX Listing Rule 10.11.1 and does not fall within any of the exceptions in ASX Listing Rule 10.12. Accordingly, the issue of the Related Party Loan Shares requires the approval of Shareholders under ASX Listing Rule 10.11.

Resolution 9 seeks the required Shareholder approval for the issue of the Related Party Loan Shares under and for the purposes ASX Listing Rule 10.11.

12.4 Resolution

If Resolution 9 is passed, the Company will be able to proceed with the issue of the Related Party Loan Shares to Mr Siew Swan Ong within one (1) month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue

of the Related Party Loan Shares (because approval is being obtained under ASX Listing Rule 10.11), the issue of the Related Party Loan Shares will not use up any of the Company's 15% placement capacity under ASX Listing Rule 7.1. The issue of the Related Party Loan Shares will also allow the Company to preserve its existing cash reserves, which can otherwise be focused on operations, instead of allocating funds to pay out the Related Party Loans in cash.

If Resolution 9 is not passed, the Company will not be able to proceed with the issue of the Related Party Loan Shares. In this instance, the Company would need to use its existing cash reserves to satisfy payment of the Related Party Loan.

The following information is provided in relation to Resolution 9, as required by Listing Rule 10.13:

No funds were raised from the issue of the Related Party Loan Shares.
Purpose of the issue and use or intended use of any funds raised	The purpose of the issue was to comply with its obligations under the Related Party Repayment Agreement and to discharge the Related Party Loans, and is not intended to remunerate or incentivise Mr Siew Swan Ong.
