

Amaero Inc. Announces Change of Financial Year-End to 31 December

Amaero Inc. (NASDAQ:AMRO; ASX:3DA) (“**Amaero**” or the “**Company**”), a leading U.S.-based producer of high-value refractory and titanium alloy spherical metal powders for additive manufacturing (“**AM**”) and advanced manufacturing, and a pioneer in Powder Metallurgy Hot Isostatic Pressing (“**PM-HIP**”) manufacturing of large near-net-shape components, announces that in connection with the initial public offering of its common stock on the Nasdaq Capital Market on October 15, 2026, Amaero changed its financial year-end from 30 June to 31 December.

As the Company is not required to prepare an annual report in respect of the period 1 July 2025 to 30 June 2026 under the laws of Delaware (or the US generally), the Company will not be preparing an annual report for this period. Instead, in accordance with the Company’s reporting obligations under the US Securities Exchange Act of 1934, Amaero will publish an annual report for the calendar year ending 31 December 2026 to the ASX in the first quarter of 2027, which will be prepared in accordance with US Generally Accepted Accounting Principles (“**US GAAP**”).

For a detailed comparison of the financial reporting regimes in Australia and the United States and how these differences have affected Amaero’s accounts, please refer to section 6.8 and Annexure I of the Scheme Booklet first released by the Company’s predecessor (Amaero Ltd) to the ASX on May 7, 2026.

The Australian Securities and Investments Commission have been notified of this change.

This announcement has been authorised for release by the Chairman and CEO.

About Amaero

Amaero Inc. (“Amaero”) is a leading U.S.-based producer of high-value refractory and titanium alloy spherical metal powders for additive manufacturing (“AM”) and advanced manufacturing, and a pioneer in Powder Metallurgy Hot Isostatic Pressing (“PM-HIP”) manufacturing of large near-net-shape components. With manufacturing and corporate headquarters in Tennessee, we occupy a strategically critical position at the intersection of U.S. national security priorities, AM technology, and the domestic reshoring of imperative U.S. supply chains.

Forward-Looking Statements

This announcement contains “forward-looking statements,” including statements regarding Amaero’s intended use of proceeds from the Offering. In some cases, you can identify forward-looking statements because they contain words such as “may,” “will,” “expects,” “plans,” “anticipates,” “could,” “would,” “intends,” “believes,” or the negative of these words or other similar terms or expressions that concern our expectations, strategy, plans, or intentions. These statements are based on management’s current expectations, assumptions, and beliefs concerning future developments, which are inherently subject to uncertainties, risks, and changes in circumstances that are difficult to predict, including risks related to changes in Amaero’s operating plan. Therefore, we cannot assure you that the events reflected in the forward-looking statements will occur, and actual events could differ materially from those described in the forward-looking statements. Any forward-looking statement speaks only as of the date as of which such statement is made, and except as required by law, we undertake no obligation to update or publicly revise any forward-looking statements.
