Rosewood Aged Care adopts Swift TV

- **Swift TV to be installed across Rosewood's WA facilities**
- **$175,000 minimum Total Contract Value (TCV) based on a 24-month term for the Swift TV system**
- **TCV could increase above $270,000 based on take up of Swift's optional Entertainment Plus package**

Swift TV is pleased to announce that its new Swift TV product will be implemented throughout Rosewood's Western Australian Aged Care facilities. Installation is expected to be completed in 2026.

Minimum TCV of $175,000 includes installation revenue and Swift Engagement platform subscription revenue for the initial 24-month contract term. Swift TV offers Rosewood the flexibility to provide Swift's Premium Entertainment Plus package to all residents.

The Swift TV platform will provide all residents with Swift's unique communication and engagement features and user interface that has been designed and developed specifically for Aged Care residents.

Swift CEO Brian Mangano commented, "We are very pleased to have the opportunity to implement Swift TV with one of Western Australia's best Aged Care providers and look forward to a long relationship that goes well beyond a contract term."
