

## ASX release

29 October 2026

### Way2VAT Appoints New Chairman

Global fintech leader in automated VAT claim and return solutions, Way2VAT Ltd (**ASX: W2V**, **Way2VAT** or the **Company**), is pleased to announce the appointment of Rob Edgley as Non-Executive Chairman effective today October 29th. Mr Edgley has been a Non-Executive Director of Way2VAT since the IPO in September 2021. Mr Edgley is a seasoned board member with a proven track record as a Non-Executive Director and Non-Executive Chairman overseeing development of high growth companies in both the ASX listed and Private company landscapes. Mr Edgley will replace Mr Adoram Ga'ash who is resigning as both Non-Executive Chairman and Non-Executive Director effective today, October 29<sup>th</sup>.

Mr Ga'ash has been involved with Way2VAT for 10 years, initially as a seed investor through his Venture Capital firm "Moneta Seed" and subsequently as Non-Executive Chairman of the company.

Mr Ga'ash will remain involved with the Company via a consulting arrangement to be agreed in the future pursuant to which Mr Ga'ash will seek to facilitate engagements with potential strategic partners and/or investors within Europe and the USA. The VAT Reclaim and e-Invoicing industry has seen significant investment and M&A activity in recent months recognising the impact of technology in this sector as governments are legislating mandatory e-invoicing to close VAT fraud gaps and the Company considers Mr Ga'ash's experience of more than 25 years in the Venture Capital industry will assist the Company as it considers various potential opportunities.

Mr Ga'ash commented "Way2VAT's sophisticated AI technology and current position in the largely fragmented VAT reclaim and consulting industry throughout Europe has resulted in opportunities to partner with a strategic partner to execute on it's roll-up strategy. I have given more than 10 years service to Way2VAT as an investor and as Chairman and I am pleased to continue to assist the company in this new capacity in the future."

New Chairman Mr Edgley commented "The Board is excited to have Adoram continue his association with the company in the future, focused on assisting the company in an area that he has substantial expertise as we look for a global strategic partner to assist us in executing our strategic priorities. I am very happy to take on the role of chairman at a time where the company has a number of significant growth opportunities. Way2VAT is perfectly positioned with key technological advantages in the areas of Global VAT reclaim, Vat Consultancy Services and its recently launched "Way2Invoice" e-Invoicing platform."
