(a) the preparation and content of the Auditor's Report;

3. Resolution 1 – Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. As prescribed by the Corporations Act, the vote on the adoption of the Remuneration Report is advisory only and does not bind the Company or the directors of the company. However, the Board does take the outcome of the vote and discussion at the meeting into account when considering future remuneration arrangements.

The Remuneration Report sets out the company's remuneration arrangements for the directors and senior management of the company. The Remuneration Report is part of the directors' report contained in the annual financial report of the company for a financial year.

In accordance with the requirements of the Corporations Act, if 25% or more of the votes cast are against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will, broadly, be invited to vote at the second of those meetings on a resolution (**Spill Resolution**) that another meeting be held within 90 days (**Spill Meeting**), at which all directors (other than the CEO) at the time of the last annual general meeting must cease to hold office unless re-elected at the Spill Meeting.

Resolution 1 is an Ordinary Resolution.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Directors' Recommendation

Acknowledging that each Director has a personal interest in his or her own remuneration as described in the Remuneration Report, the Board declines to make a recommendation to Shareholders regarding Resolution 1.

The Chair intends to exercise all available proxies in favour of Resolution 1.

4. Resolution 2 – Re-election Ms Yuan Yuan as a Director

Background

In accordance with Listing Rule 14.5 and article 7.3(d) of the Constitution, an entity which has directors must hold an election at each annual general meeting. This rule applies even where no director is required to stand for re-election at an annual general meeting under rule 14.4. An entity must have at least one director stand for election or re-election at each annual general meeting. If it is not having a new director stand for election and no director is due to stand for re-election under rule 14.4, the entity must select at least one of its existing directors to stand for re-election.

Resolution 2 provides that, pursuant to Listing Rule 14.5 and article 7.3(d) of the Constitution, Ms Yuan YUan retires from office and seeks election as a Director.

If Shareholders do not re-elect Ms Yuan as a Director she will step down at the conclusion of the meeting.

If Shareholders do re-elect Ms Yuan as a Director, she may remain on the Board and not have to stand for re-election under the Listing Rules or Constitution until the 2029 AGM.

Resolution 2 is an Ordinary Resolution.

The Chair intends to exercise all available proxies in favour of Resolution 2.

Directors' Recommendation

The Board (excluding Ms YUan) supports the re-election Ms Yuan and recommends that Shareholders vote in favour of Resolution 2.

5. Resolution 3 – Re-Election of Mr Roger Harris as a Director

Background

In accordance with Listing Rule 14.5 and article 7.3(d) of the Constitution, an entity which has directors must

hold an election at each annual general meeting. This rule applies even where no director is required to stand for re-election at an annual general meeting under rule 14.4. An entity must have at least one director stand for election or re-election at each annual general meeting. If it is not having a new director stand for election and no director is due to stand for re-election under rule 14.4, the entity must select at least one of its existing directors to stand for re-election.

Resolution 3 provides that, pursuant to Listing Rule 14.5 and article 7.3(d) of the Constitution, Mr Roger Harris retires from office and seeks election as a Director.

If Shareholders do not re-elect Mr Harris as a Director he will step down at the conclusion of the meeting.

If Shareholders do re-elect Mr Harris as a Director, he may remain on the Board and not have to stand for re-election under the Listing Rules or Constitution until the 2029 AGM.

Resolution 3 is an Ordinary Resolution.

The Chair intends to exercise all available proxies in favour of Resolution 3.

Mr Harris has continued to operate a family office for 30 years investing in the natural resources sector and other asset classes and continues in the development and growth of businesses through mergers and acquisitions.

Directors' Recommendation

The Board (excluding Mr Harris) supports the election of Mr Harris and recommends that Shareholders vote in favour of Resolution 3.

6 Resolution 4 – Approval of Additional 10% Share Issue Capacity

Background

ASX Listing Rule 7.1 requires Shareholder approval for an issue of securities in the Company if that issue will, when aggregated with all other issues during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12 month period.

In accordance with ASX Listing Rule 7.1A, eligible entities may seek Shareholder approval at their annual general meeting to issue a further 10% of their issued Share capital in addition to the 15% placement capacity set out in ASX Listing Rule 7.1 (**10% Share Issue Capacity**).

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of $300 million or less. The Company is an eligible entity as at the date of this Notice. If the Company's market capitalization exceeds $300 million on the date of the Meeting, the Company will withdraw this Resolution 4.

Any issue of securities under ASX Listing Rule 7.1A must be in an existing quoted class of equity securities and be issued at a cash consideration per security which is not less than 75% of the volume weighted average price of securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

(a) the date on which the price at which the equity securities are to be issued is agreed by the entity and the recipient of the equity securities; or

(b) if the equity securities are not issued within 10 trading days of the date in Section (a) above, the date on which the equity securities are issued,

and must be calculated in accordance with the formula prescribed by ASX Listing Rule 7.1A.2.

The Company is now seeking Shareholder approval by way of a Special Resolution to have the ability to issue equity securities under the 10% Share Issue Capacity. The approval of Resolution 4 will provide the Company with even greater flexibility to issue securities under the 10% Share Issue Capacity in addition to the 15% placement capacity set out in ASX Listing Rule 7.1 without a further requirement to obtain prior Shareholder approval.

Resolution 4 is a Special Resolution and therefore requires the approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by Proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chair intends to exercise all available proxies in favour of Resolution 4.

If Resolution 4 is approved as a Special Resolution, the Company will be able to issue 'equity securities' under ASX Listing Rule 7.1 and 7.1A without further Shareholder approval such that the Company's total annual placement capacity will be 25% of its issued capital.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in ASX Listing Rule 7.1 and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in ASX Listing Rule 7.1.

Information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution.

Period for which approval is valid

Approval under 7.1A will commence on the date of the Meeting and expire on the first to occur of the following:

(a) the date that is 12 months after the date of this Meeting;

(b) the time and date of the Company's next annual general meeting; and

(c) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking).

Minimum Price

Any equity securities issued under ASX Listing Rule 7.1A must be in an existing quoted class of equity securities and be issued at a cash consideration per security which is not less than 75% of the volume weighted average price of equity securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

(a) the date on which the price at which the equity securities are to be issued is agreed by the entity and the recipient of the equity securities; or

(b) if the equity securities are not issued within 10 trading days of the date in Section (a) above, the date on which the equity securities are issued.

Use of funds raised

The Company will only issue Shares under the 10% Share Issue Capacity for cash consideration.

The Company intends to use the funds raised towards further development of the Company's projects and/or for general working capital purposes.

The reasons for undertaking any particular issue under the 10% Share Issue Capacity would be announced at the time the Company sought to issue Shares under that 10% Share Issue Capacity.

Risk of Economic and Voting Dilution

Any issue of equity securities under ASX Listing Rule 7.1A will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of equity securities available under ASX Listing Rule 7.1A, the economic and voting dilution of existing Shares would be as shown in Table 1 below.

Table 1 shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of equity securities on issue as at 22 October 2026.

Table 1 also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under ASX Listing Rule 7.1A.

As required by the ASX Listing Rules, the table below shows a hypothetical example of the potential dilution of Shareholders of the Company where the full 10% Share Issue Capacity is utilised, on the basis of three different assumed issue prices and numbers of equity securities on issue.

Variable "A" in ASX Listing Rule 7.1A.2		**Dilution**		
		$0.0035	**$0.007**	**$0.014**
		50% decrease in Issue Price	**Issue Price**	**100% increase in Issue Price**
Current Variable A 5,430,089,695	**10% voting dilution**	543,008,969	543,008,969	543,008,969
	Funds raised	$1,900,531	$3,801,063	$7,602,126
50% increase in current Variable A 8,145,134,543	**10% voting dilution**	814,513,454	814,513,454	814,513,454
	Funds raised	$2,850,797	$5,701,594	$11,403,188
100% increase in current Variable A 10,860,179,390	**10% voting dilution**	1,086,017,939	1,086,017,939	1,086,017,939
	Funds raised	$3,801,063	$7,602,126	$15,204,251

The table has been prepared on the following assumptions:

(a) The Company issues the maximum number of equity securities available under the 10% Share Issue Capacity.

(b) The Issue Price is $0.007 based on the closing price of Shares on 22 October 2026.

(c) The current issued Share capital has been calculated in accordance with the formula in ASX Listing Rule 7.1A(2) and assumes the Company issues the maximum number of securities available under the 10% Share Issue Capacity.

(d) No Shares are issued prior to the date of issue of any Shares under the 10% Share Issue Capacity.

(e) The table shows the effect of issues of the Company's equity securities under the 10% Share Issue Capacity, not under the Company's 15% placement capacity under ASX Listing Rule 7.1.

(f) The table does not show an example of dilution that may be caused to any particular Shareholder due to any placements under the 10% Share Issue Capacity.

Shareholders should note that there is a risk that:

(a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

(b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Allocation policy under 10% Share Issue Capacity

As at the date of this Notice, the Company has not formed any specific intentions regarding who may be offered securities under a placement pursuant to ASX Listing Rule 7.1A. However, the recipients of equity securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Share Issue Capacity, having regard to the following factors:

(a) the purpose of the issue;

(b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, Share purchase plan, placement or other offer where existing Shareholders may participate;

(c) the effect of the issue of the equity securities on the control of the Company;

(d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

(e) prevailing market conditions; and

(f) advice from corporate, financial and broking advisers (if applicable).

Previous approval under ASX Listing Rule 7.1A

The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at the 2025 annual general meeting on 25 November 2025.

The Company did not issue any Shares under the Company's Listing Rule 7.1A placement capacity in the 12 month period before this Meeting.

Voting Exclusion

A voting exclusion statement is not included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' Recommendation

The Directors of the Company believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of Resolution 4.

The Chair intends to exercise all available proxies in favour of Resolution 4.

7 Resolution 5 – Issue of Securities Pursuant to Employee Securities Incentive Plan

General

The Avenira Limited Employee Securities Incentive Plan (**Plan**) was established in 2022 to assist in the recruitment and retention of key personnel and at the 2025 AGM on 25 November 2025 approved the issue of a maximum of 200 million Securities under the Plan. Since then Avenira's issued capital has increased material and will increase further upon completion of the current Entitlement Offer. Resolution 5 therefore seeks Shareholder approval to increase the maximum number of Securities which may be issued under the Plan to 675 million. The material terms of the Plan have not changed since Shareholders approved the issue of Securities pursuant to the Plan at the 2022 and 2025 AGMs.

Purpose of the Plan

The Plan is designed to assist in attracting and retaining key personnel required for the ongoing management and continued growth and development of the Company in the future. Securities issued under the Plan are expected to increase the motivation of Employees of the Company, promote retention of Employees, align Employee interests with those of the Company and its shareholders and to reward Employees who contribute to the growth of the Company.

The future success of the Company is in part dependent on the skills and commitment of the Company's Employees. It is therefore important that the Company is able to attract and retain people of the highest caliber.

ASX Listing Rule 7.1 prohibits a company from issuing new securities representing more than 15% of its issued share capital during the following 12-month period without Shareholder approval. ASX Listing Rule 7.2 (Exception 13) provides that securities issued under an Avenira Limited Employee Securities Incentive Plan are excluded from this restriction, provided that, within 3 years before the date of issue, the issue of securities under the scheme have been approved by Shareholders in a general meeting of Shareholders.

Resolution 5 seeks the approval of Shareholders for the potential issue of equity securities under the Plan for 3 years after the date of the general meeting, without those securities being subject to the 15% limit contained in ASX Listing Rule 7.1 or the 10% limit contained in ASX Listing Rule 7.1A.

If Resolution 5 is passed, any securities issued under the Plan will not count towards the limits in Listing Rule 7.1 or 7.1A.

If Resolution 5 is not passed, any securities issued under the Plan will count towards the limits in Listing Rule 7.1 and 7.1A.

It should be noted that directors, related parties of the Company or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained, will not be issued securities under the Plan without first obtaining Shareholder approval under Listing Rule 10.14.

Specific information required by Listing Rule 7.2, exception 13(b)

The maximum number of Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 5, is 675 million;

The material terms of the Plan may be found in Appendix A. A full copy of the terms and conditions of the Plan is available upon request.

Appendix A – Material Terms of Avenira Employee Securities Incentive Plan

Eligible Participants

An eligible participant is a person invited by the Board to be an eligible participant including full, part time or casual employees, contractors, directors of the Company or an associated body corporate of the Company, or a prospective participant being a person to whom an invitation is made but who can only accept the invitation if an arrangement has been entered into that will result in the person becoming a full, part time, or casual employee, contractor, director of the Company (**Eligible Participant**).

Purpose

The *Avenira Limited Employee Securities Incentive Plan* (**Plan**) is designed to assist in attracting and retaining key personnel required for the ongoing management and continued growth and development of the Company in the future. Securities issued under the Plan are expected to increase the motivation of Employees of the Company, promote retention of Employees, align Employee interests with those of the Company and its shareholders and to reward Employees who contribute to the growth of the Company.

Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

Offers

The Board may from time to time and in its absolute discretion determine that an Eligible Participant may participate in the Avenira Limited Employee Securities Incentive Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

Change of Control Event

If a Change of Control Event (as defined) occurs, the Performance Rights will vest.

If the Board determines that a Change of Control Event is likely to occur before the Vesting Conditions are met, the Board will have a discretion whether to allow the vesting of the Performance Rights and on what terms. When determining the vesting of the Performance Rights, the Directors will take into consideration a number of criteria, but in particular the value to shareholders as a result of the event.

Incentive Securities

Incentive Securities are Incentive Options, Incentive Performance Rights, Shares or any other securities issued under the Employee Securities Incentive Plan.

Grant of Securities

The Company will grant to the Eligible Participant the relevant number of Securities subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Lapse

If at any time before the exercise of an Incentive Option or an Incentive Performance Right, a holder ceases to be an Eligible Participant:

(a) by reason of death, disability, bona fide redundancy or other reason approved by the Board, and at that time the Eligible Participant continued to satisfy any other relevant conditions of the grant, the Board may determine the extent to which the Incentive Securities held by the Eligible Participant vest; and a period of time for the Incentive Options or Incentive Performance Rights to be exercised;

or

(b) for any other reason, all Incentive Options or Incentive Performance Rights held by the Eligible Participant will automatically lapse unless the Board otherwise determines within 30 days of the holder ceasing to be an Eligible Participant.

Terms of Convertible Securities

Each Convertible Security represents a right to acquire one or more Shares subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised, an Eligible Participant does not have any interest in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. An Eligible Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all of the vesting conditions have been satisfied or have been waived by the Board, a vesting notice will be sent to the Eligible Participant informing them the relevant Convertible Securities have vested. If the vesting conditions relevant to a Convertible Security are not satisfied and /or otherwise waived by the Board, that Convertible Security will lapse.

Shares issued on exercise of Incentive Options and Incentive Performance Rights

Each Incentive Option or Incentive Performance Right entitles the holder to one fully paid ordinary share on exercise of the Incentive Option or Incentive Performance Right.

The Board may decide in its absolute discretion that an Eligible Participant may make use of a "cashless exercise facility" whereby the Eligible Participant will not be required to provide payment of the Exercise Price of Incentive Options or Incentive Performance Rights, but that on exercise of the Incentive Options or Incentive Performance Rights, the Eligible Participant may elect that the Company instead allot and issue the number of Shares that are equal in value to the difference between the then Share price and the Exercise Price otherwise payable in relation to the Incentive Options or Incentive Performance Rights (with the number of Shares rounded down).

Re-organisation

In the event of any re-organisation (including reconstruction, consolidation, subdivision, reduction or return of capital) of the issued capital of the Company, the Options will be re-organised as required by the ASX Listing Rules, but in all other respects the terms of exercise will remain unchanged.

Restrictions on trading

The Board may determine, prior to the offer of the relevant Incentive Securities, any restrictions upon trading in Shares issued under the Plan or issued pursuant to the exercise of an Incentive Security.
