EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the Directors' Declaration, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at https://www.boaresources.com/.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the Directors' Report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the Directors' Report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting, held on 27 November 2025, the votes cast against the remuneration report considered at that annual general meeting were less than 25%.

Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – CATHERINE NORMAN

3.1 General

Listing Rule 14.4 and the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Catherine Norman, who has served as a director since 26 October 2023 and was last elected on 28 November 2023, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Cath is a resources executive with 35 years' industry experience. Cath is a qualified geophysicist who has held executive positions across Australia, Europe, Africa and the Middle East.

As managing director for 11 years of oil and gas company FAR Limited, Cath led the successful exploration strategy which resulted in the world's largest oil discovery in 2014 off the west Coast of Africa, west of Senegal. Under her leadership, she grew the company to be the 6th largest oil and gas company on the ASX at the time, with a market capitalisation of A$680M.

Cath was an integral member of the Lincoln Minerals team to relist the company after a two-year suspension. Cath was appointed Chair of the Board on relisting and interim CEO until July 2023.

Cath has strong capital markets and listed company experience and led the raising of approximately A$500M in equity and $350M in debt for the exploration and development of oil and gas assets. She has strong business acumen and is a company leader promoting cohesive working teams to deliver their best outcomes for the company's success.

Cath is a proven industry professional having delivered shareholder value in her roles as a managing director, non-executive director and executive chair roles throughout her career to date and continues with BOA Resources to grow shareholder value.

Cath is also currently serving as the Non-Executive Chair of Kingston Resources Limited (ASX:KSN) and as a Non-Executive Director of Vintage Energy Limited (ASX:VEN).

3.3 Independence

If re-elected the Board considers Cath will be a non-independent Director due to her role as Executive Chair and Managing Director until 1 July 2026.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Cath will be re-elected to the Board as a non-independent Director.

In the event that Resolution 2 is not passed, Cath will not continue in her role as a director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.5 Board recommendation

The Board has reviewed Cath's performance since her appointment to the Board and considers that her skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Catherine Norman and recommends Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MARK TOMLINSON

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mark Tomlinson, who has served as a director since 29 October 2024 and was last re-elected on 27 November 2025, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mark is an Investment Banker and Mining Engineer with more than 40 years of experience in the Australian mining sector. Most recently, Mark was a Corporate Finance Director for over 13 years with Patersons Securities in Melbourne. During this time Mark completed capital raisings and M&A transactions and acted as Corporate Adviser to a number of ASX companies advising on strategy, asset and funding initiatives.

Prior to joining Patersons, Mark worked as a consultant for companies including BHP Billiton and Credit Suisse on a range of projects. For 10 years Mark was a senior mining analyst in equities research with Bankers Trust and JPMorgan covering a range of ASX resources companies and sectors including BHP and Rio Tinto. Mark began his career as a mining engineer with BHP Billiton and Rio Tinto in underground coal operations for over a decade before moving to Bankers Trust.

He subsequently re-joined BHP as Strategy manager for BHP Billiton in its Carbon Steel Materials division (iron ore, met coal and manganese).

Mark is currently serving as the non-executive Chair of Larvotto Resources (ASX: LRV) which currently has copper, gold and cobalt projects.

4.3 Independence

If re-elected the Board considers Mark will be an independent Director.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mark will be re-elected to the Board as an independent Director.

In the event that Resolution 3 is not passed, Mark will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4.5 Board recommendation

The Board has reviewed Mark's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mark Tomlinson and recommends Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – ELECTION OF DIRECTOR – ADRIAN GRIFFIN

5.1 General

The Constitution allows the Directors to appoint at any time a person to be a director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Adrian Griffin was appointed to the Board on 14 October 2026 in accordance with the Company's Constitution. Accordingly, Adrian retires from office and being eligible, offers himself for election as a Director of the Company.

5.2 Qualifications and other material directorships

Adrian has more than 40 years of experience in the mining industry – ranging from project identification, through exploration, development and financing, and oversight of integrated mining and processing facilities.

As managing director of Lithium Australia, he is focused on the downstream production of lithium-ion battery components, and recycling of battery/e-waste to recover the energy metals they contain.

Adrian was a founding director of Northern Minerals (the first heavy-rare-earths producer outside China) and brings particular expertise in a wide range of mineral exploration and mineral processing techniques that will assist BOA Resources in its growth from explorer to extraction of copper from its Neds Creek Project development.

Adrian is currently serving as the non-executive Chair of Charger Metals NL and Non-Executive Director of Reedy Lagoon Corporation Limited.

5.3 Independence

If elected the Board considers Adrian will be a non-independent Director by virtue of him being a substantial shareholder of the Company.

5.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Adrian will be elected to the Board as an independent Director.

In the event that Resolution 4 is not passed, Adrian Griffin will cease to hold office at the conclusion of the AGM. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5.5 Board recommendation

The Board has reviewed Adrian's experience and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Adrian Griffin and recommends Shareholders vote in favour of Resolution 4.

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the ZEPOs constitutes the giving of a financial benefit to Catherine Norman, Mark Tomlinson and Adrian Griffin, each of whom is a related party of the Company by virtue of being a director.

In relation to Resolution 5, the Directors (other than Catherine Norman who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the proposed issue forms part of Catherine Norman's remuneration as Chair of the Company and the Directors consider the remuneration reasonable having regard to the circumstances of the Company and Catherine Norman's responsibilities and was negotiated on an arm's length basis. Accordingly, the Directors consider that the exception in section 211 of the Corporations Act applies.

In relation to Resolution 6, the Directors (other than Mark Tomlinson who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the proposed issue forms part of Mark Tomlinson's remuneration as a Director of the Company and the Directors consider the remuneration reasonable having regard to the circumstances of the Company and Mark Tomlinson's responsibilities and was negotiated on an arm's length basis. Accordingly, the Directors consider that the exception in section 211 of the Corporations Act applies.

In relation to Resolution 7, the Directors (other than Adrian Griffin who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the proposed issue forms part of Adrian Griffin's remuneration as a Director of the Company and the Directors consider the remuneration reasonable having regard to the circumstances of the Company and Adrian Griffin's responsibilities and was negotiated on an arm's length basis. Accordingly, the Directors consider that the exception in section 211 of the Corporations Act applies.

6.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

10.14.1 a director of the entity;

10.14.2 an associate of a director of the entity; or

10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.4 Technical information required by ASX Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issues within three years after the date of the Meeting. As approval pursuant to ASX Listing Rule 7.1 is not required for the issue (because approval is being obtained under ASX Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue of securities. If the Company is unable to proceed with either of these issues, it may consider alternative forms of remuneration for Catherine Norman, Mark Tomlinson and Adrian Griffin including the requirement to pay an amount in cash.

7. RESOLUTION 8 - RATIFICATION OF PLACEMENT SHARES TO UNRELATED PARTIES UNDER ASX LISTING RULE 7.1

7.1 General

As announced on 22 October 2026, the Company received firm commitments from sophisticated and professional investors to raise $9,245,000 (before costs) through a placement of 88,047,620 Shares at an issue price of $0.105 per Share to raise up to $9,245,000 (before costs) (**Placement**).

The Placement comprises two tranches:

(a) 66,666,667 Shares, which are to be issued on 28 October 2026 under the Company's placement capacity under ASX Listing Rule 7.1, raising approximately $7,000,000 (before costs) (Tranche 1); and

(b) 21,380,953 Shares to raise approximately $2,245,000 (before costs), the issue of which is subject to Shareholder approval (Tranche 2), comprising:

  (i) 20,142,859 Shares to be issued to unrelated sophisticated and professional investors, the subject of Resolution 8; and

  (ii) 1,238,094 Shares to be issued to the Directors (or their nominees), the subject of Resolutions 10 to 13.

BW Equities and Cygnet Capital acted as joint lead managers to the Placement, with Bell Potter Securities as co-manager. In consideration for services provided by these parties, the Company has agreed to pay the joint lead managers (including the co-manager) a total fee of 6% of the Placement proceeds.

The funds raised under the Placement will be applied towards:

(a) drilling at the Neds Creek Copper Project, including at the Ricci Lee, Thaduna and Rooneys targets;

(b) heritage, exploration studies, geological support and tenement costs;

(c) additional drilling targets, including Green Dragon, subject to results and funding; and

(d) corporate administration, working capital and the costs of the Placement.

Resolution 8 seeks Shareholder ratification under ASX Listing Rule 7.4 for the issue of the 66,666,667 Shares under Tranche 1 (Tranche 1 Placement Shares).

7.2 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue does not fit within any of the exceptions set out in ASX Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the date of the issue.

7.3 ASX Listing Rule 7.4

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue.

7.4 Technical information required by ASX Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's combined 15% limit under ASX Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

7.5 Technical information required by ASX Listing Rules 7.4 and 7.5

REQUIRED INFORMATION	DETAILS

The Company confirms that no Material Persons were issued more than 1% of the issued capital of the Company.
Number and class of Securities issued	66,666,667 Shares were issued under ASX Listing Rule 7.1 (ratification of which is sought under Resolution 8).

8. RESOLUTION 9 – APPROVAL TO ISSUE PLACEMENT SHARES TO UNRELATED PARTIES UNDER ASX LISTING RULE 7.1

8.1 General

This Resolution seeks Shareholder approval for the purposes of ASX Listing Rule 7.1 for the issue of up to 20,142,859 Shares under Tranche 2 to unrelated professional and sophisticated investors at an issue price of $0.105 per Share to raise up to $2,115,000 (before costs) (**Tranche 2 Placement Shares**).

8.2 ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out in Section 7.2 above.

The proposed issue falls within exception 17 of ASX Listing Rule 7.2 which excludes from the restrictions in ASX Listing Rules 7.1 and 7.1A an agreement to issue equity securities that is conditional on the holders of its ordinary securities approving the issue under ASX Listing Rule 7.1 before the issue is made. The proposed issue therefore requires the approval of Shareholders under ASX Listing Rule 7.1.

8.3 Technical information required by ASX Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to proceed with the issue and will not receive the approximately $2,115,000 (before costs) that would otherwise be raised from that issue.

REQUIRED INFORMATION	DETAILS

The funds raised under the Placement will be applied towards drilling at the Neds Creek Copper Project (including at the Ricci Lee, Thaduna and Rooneys targets), heritage, exploration studies, geological support and tenement costs, additional drilling targets (including Green Dragon, subject to results and funding), corporate administration, working capital and the costs of the Placement.
Summary of material terms of agreement to issue	The Tranche 2 Placement Shares will be issued pursuant to standard placement commitment letters under which each Placement Participant agrees to subscribe for a specified number of Shares at the issue price on the settlement date. 9.4 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section **Error! Reference source not found.** above.

The issue constitutes giving a financial benefit and each of Catherine Norman, Graeme Purcell, Mark Tomlinson and Adrian Griffin are a related party of the Company by virtue of being Directors.

In relation to Resolution 10, the Directors (other than Catherine Norman who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Securities will be issued to Catherine Norman (or her nominee(s)) on the same terms as Securities issued to non-related party participants in the capital raising and as such the giving of the financial benefit is on arm's length terms.

In relation to Resolution 11, the Directors (other than Graeme Purcell who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Securities will be issued to Graeme Purcell (or his nominee(s)) on the same terms as Securities issued to non-related party participants in the capital raising and as such the giving of the financial benefit is on arm's length terms.

In relation to Resolution 12, the Directors (other than Mark Tomlinson who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Securities will be issued to Mark Tomlinson (or his nominee(s)) on the same terms as Securities issued to non-related party participants in the capital raising and as such the giving of the financial benefit is on arm's length terms.

In relation to Resolution 13, the Directors (other than Adrian Griffin who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Securities will be issued to Adrian Griffin (or his nominee(s)) on the same terms as Securities issued to non-related party participants in the capital raising and as such the giving of the financial benefit is on arm's length terms.

9.5 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to any of the following persons without the approval of the holders of its ordinary securities:

10.11.1 a related party;

10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company;

10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;

10.11.4 an associate of the person referred to in rules 10.11.1 to 10.11.3; or

10.11.5 a person whose relationship with the entity or a person referred to in ASX Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders.

The issue falls within ASX Listing Rule 10.11.1 and does not fall within any of the exceptions in ASX Listing Rule 10.12. It therefore requires the approval of Shareholders under ASX Listing Rule 10.11.

9.6 Technical information required by ASX Listing Rule 14.1A

If Resolution 10 is passed the Company will be able to issue 428,571 Placement Shares to Catherine Norman (or her nominee(s)).

If Resolution 11 is passed the Company will be able to issue 238,095 Placement Shares to Graeme Purcell (or his nominee(s)).

If Resolution 12 is passed the Company will be able to issue 428,571 Placement Shares to Mark Tomlinson (or his nominee(s)).

If Resolution 13 is passed the Company will be able to issue 142,857 Placement Shares to Adrian Griffin (or his nominee(s)).

If any of Resolutions 10, 11, 12 and 13 are not passed, the Company will not be able to issue the Placement Shares to the relevant Director under the proposed arrangement, and no further funds will be raised.

9.7 Directors' Recommendation

As each Director has a material personal interest in the outcome of Resolutions 10, 11, 12 and 13, and accordingly the Directors consider it inappropriate to make a recommendation to shareholders in relation to the resolution.

10. RESOLUTION 14 - APPROVAL OF 7.1A MANDATE

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under ASX Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of $46,834,917 (based on the number of Shares on issue and the closing price of Shares on the ASX on 26 October 2026).

Resolution 14 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in ASX Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

10.1 Technical information required by Listing Rule 14.1A

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution, accordingly, for this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If Resolution 14 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 15 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under ASX Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

10.2 Technical information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 14:

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

(i) the date that is 12 months after the date of this Meeting;

(ii) the time and date of the Company's next annual general meeting; and

(iii) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 trading days of the date in Section 10.2(b)(i) above, the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to raise funds for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), the continued drilling and development of the Company's existing assets and business, and general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 14 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 26 October 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in ASX Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			$0.053	$0.105	$0.210
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	446,046,833 Shares	44,604,683 Shares	$2,341,745.87	$4,683,492	$9,366,983
50% increase	669,070,250 Shares	66,907,025 Shares	$3,512,619	$7,025,238	$14,050,475
100% increase	892,093,666 Shares	89,209,367 Shares	$4,683,492	$9,366,983	$18,733,967

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro- rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

(i) There are currently 446,046,833 existing Shares on issue as at the date of this Notice.

(ii) The issue price set out above is the closing market price of the Shares on the ASX on 26 October 2026 (being $0.105) (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.

(iii) The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.

(iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.

(v) The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

(vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

(vii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.

(viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

(i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

(ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

(i) the purpose of the issue;

(ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;

(iii) the effect of the issue of the Equity Securities on the control of the Company;

(iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

(v) prevailing market conditions; and

(vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company received Shareholder approval pursuant to ASX Listing Rule 7.1A at its previous annual general meeting held on 27 November 2025 (**Previous Approval**). During the 12 month period preceding the date of the Meeting, being on and from 30 November 2025, the Company has not issued any Equity Securities pursuant to the Previous Approval.

10.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under ASX Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

SCHEDULE 1 – TERMS AND CONDITIONS OF DIRECTOR ZERO EXERCISE PRICE OPTIONS

1. Vesting and lapse

(a) The Zero Exercise Price Options (**ZEPOs**) are divided into the three tranches set out in Section 6.1 of this Notice. Each tranche is subject to its separate Vesting Condition.

(b) The Board will determine whether a Vesting Condition has been satisfied and will issue a Vesting Notice for the relevant tranche/class. A ZEPO does not vest unless and until the Vesting Notice is issued, unless the Board determines otherwise in accordance with the Incentive Plan.

(c) Each tranche/class must satisfy its applicable Vesting Condition by the expiry date specified for that tranche/class in Section 6.1. If the Board determines that a Vesting Condition has not been met, or cannot be met, by that date, all unvested ZEPOs in the relevant tranche will lapse immediately for no consideration, subject to the Incentive Plan, Corporations Act and ASX Listing Rules.

(d) In any event, any ZEPOs that remain unvested at 5.00 pm (Melbourne Time) on the applicable Expiry Date will automatically lapse for no consideration, unless the Board has validly waived or modified the applicable Vesting Condition under the Incentive Plan and the ASX Listing Rules before that time.

(e) A vested ZEPO will convert into one Share in accordance with the Incentive Plan and the relevant Invitation or Vesting Notice, unless it lapses earlier under the Incentive Plan.

2. Conversion

(a) Unless the relevant Invitation expressly provides otherwise, a vested ZEPO will convert automatically into one Share and the participant is not required to deliver a Notice of Exercise or other conversion notice or pay an exercise price or other amount.

(b) The Company will issue, allocate or transfer the resulting Share within the period specified in the Incentive Plan. It will apply for quotation of any Shares issued on conversion within the time required by the Listing Rules.

(c) Shares issued on conversion will rank equally in all respects with the Shares then on issue.

(d) If the Company is required to, but cannot, give ASX a notice complying with section 708A(5)(e) of the Corporations Act, Shares issued on conversion may not be traded until 12 months after their issue. This restriction does not apply if the Company, at its discretion, issues a prospectus under section 708A(11) of the Corporations Act.

3. Other material terms

(a) **Incentive Plan governs:** The ZEPOs are granted under, and these terms supplement, the Incentive Plan. Capitalised terms used in this Schedule that are not defined in this Notice have the meanings given in the Incentive Plan. If there is an inconsistency, the Incentive Plan prevails except to the extent the Incentive Plan expressly permits these terms to supplement or vary its operation.

(b) **Consideration:** Nil consideration is payable for the grant of the ZEPOs or on their conversion.

(c) **No shareholder rights before conversion:** Before conversion, the ZEPOs do not confer any right to:

(i) receive notice of, attend, or vote at a general meeting of the Company;

(ii) receive dividends;

(iii) participate in the surplus profits or assets of the Company on a winding up; or

(iv) participate in new issues of securities offered to Shareholders,

except as provided in paragraph 3(h).

(d) **No dealing or hedging:** The ZEPOs may not be sold, assigned, transferred, encumbered, hedged or otherwise dealt with except as permitted under the Incentive Plan.

(e) **Leaver treatment:** The treatment of vested and unvested ZEPOs if you cease to be an Eligible Participant is governed by the Good Leaver, Bad Leaver and other leaver provisions in the Incentive Plan. Vested ZEPOs held by a Leaver will convert in accordance with clause 7 of the Incentive Plan unless the Board determines otherwise in accordance with the relevant Invitation and Corporations Act.

(f) **Malus, forfeiture and clawback:** The ZEPOs and any benefit obtained from them are subject to the malus, forfeiture and clawback provisions in the Incentive Plan.

(g) **Change of control:** The treatment of the ZEPOs on a Change of Control Event is governed by the Incentive Plan and any determination made by the Board under the Incentive Plan, subject to the ASX Listing Rules.

(h) Bonus issues and reorganisations:

(i) On a pro rata bonus issue of Shares, the number of Shares issued on conversion will be increased by the number of Shares the holder would have received had the ZEPOs been converted before the record date for the bonus issue.

(ii) On a reorganisation of the Company's issued capital, the holder's rights will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

(i) **Quotation:** The ZEPOs will not be quoted on ASX.

(j) **Nomination:** The ZEPOs may not be renounced in favour of a Nominated Party unless the Board gives prior written approval.

SCHEDULE 2 – TERMS AND CONDITIONS OF PLAN

A summary of the material terms of the Company's Employee Incentive Securities Plan (**Incentive Plan**) is set out below. For the purposes of this summary, any reference to the term *"exercise"* in relation to Performance Rights shall be read and construed as *"converts"*.

Purpose and commencement	The Incentive Plan is intended to reward, retain and motivate Eligible Participants, link incentives to Shareholder value creation and align participant and Shareholder interests. The Incentive Plan commences when Shareholders approve its adoption.
Eligible Participants	The Board may determine that a person who is a primary participant for the Corporations Act employee share scheme regime in relation to the Company or an Associated Body Corporate is eligible to participate.
Invitations and awards	The Board may invite an Eligible Participant to apply for Shares, Options, Performance Rights or other Securities. An Invitation may specify the number of Securities, Grant Date, issue price (if any), Exercise Price for Options, Vesting Conditions, disposal restrictions and other supplementary terms.
Nominated Party	Where permitted by the Invitation and approved by the Board, an Eligible Participant may nominate a permitted Nominated Party to receive the Securities, subject to the Incentive Plan, Applicable Law and any conditions imposed by the Board.
Vesting	Convertible Securities vest when the Company gives a Vesting Notice. Subject to Applicable Law, the Board may waive a Vesting Condition by written notice.
Options	A vested Option may be exercised before its applicable deadline by delivering a Notice of Exercise and paying the Exercise Price. With Board approval, Options may be exercised on a cashless basis using the formula in the Incentive Plan.
Performance Rights	A vested Performance Right converts into the number of Plan Shares specified in the Invitation at the time and in the manner specified in the Invitation or Vesting Notice. Unless the Invitation provides otherwise, no exercise/conversion notice or payment is required.
Delivery and ranking of Shares	Subject to Applicable Law, Shares are issued, allocated or transferred within five Business Days after valid Option exercise or Performance Right conversion. Plan Shares rank equally with Shares of the same class, subject to rights arising by reference to an earlier record date.
Dealing and hedging restrictions	Convertible Securities generally cannot be sold, transferred, encumbered, hedged or otherwise dealt with before exercise or conversion except in Special Circumstances with Board consent and subject to Applicable Law.
Cashless exercise of options	In the case of Options, subject to the Board's approval, in lieu of paying the aggregate Exercise Price for the number of Options specified in the Notice of Exercise, the Participant may elect a cashless exercise (Cashless Exercise) whereby the Board will issue to the Participant that number of Shares (rounded down to the nearest whole number) calculated in accordance with the following formula: $S = O * \frac{(MVS - EP)}{MVS}$ Where: S = number of Shares to be issued on the exercise of the Options. O = number of Options being exercised. MVS = market value of Shares, being the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding the date of exercise, unless otherwise specified in an Invitation.

	EP = Exercise Price of the Options.
Bad Leavers and other Leavers	A Bad Leaver's unvested Convertible Securities automatically lapse unless the Board determines otherwise. For other Leavers, the Board determines treatment having regard to the circumstances, service completed and performance achieved. Vested Performance Rights convert under the Incentive Plan unless the Board determines otherwise.
Malus, forfeiture and clawback	The Board may forfeit unvested Securities, lapse vested but unexercised Convertible Securities or reduce/recover benefits in specified circumstances including fraud, dishonesty, serious misconduct, material policy breach, material misstatement, financial loss, risk-management failure or reputational harm, subject to the Incentive Plan and Applicable Law.
Change of Control	On a Change of Control Event, the Board may determine treatment of Convertible Securities, including acceleration, performance assessment, waiver or modification of Vesting Conditions, substitution, permitted cash settlement or cancellation for fair value. If no determination is made, the Incentive Plan contains default pro rata vesting arrangements.
Disposal restrictions on Plan Shares	An Invitation may impose disposal restrictions on Plan Shares. The Company may use an ASX Holding Lock or an employee share trust to administer those restrictions.
Capital adjustments	The Incentive Plan contains adjustment provisions for reorganisations and bonus issues, subject to the Listing Rules and Applicable Law. Convertible Security holders generally have no right to participate in rights issues before exercise or conversion.
Administration	The Incentive Plan is administered by the Board, which may delegate powers. The Board must exercise its discretions subject to Applicable Law and act reasonably and in good faith. Material determinations concerning vesting, forfeiture, claw back, leaver treatment or Change of Control must be documented.
Employee share trust and withholding	The Board may establish an employee share trust after separate Board approval and appropriate advice. The Incentive Plan also permits lawful withholding or reimbursement of tax, superannuation and similar amounts.
Amendment and duration	The Board may amend the Incentive Plan subject to Applicable Law and any required Shareholder approval but may not materially prejudice accrued participant rights except in specified circumstances. Fresh Shareholder approval is required where an amendment is a material change for Listing Rule 7.2 Exception 13 purposes.
Directors and other Listing Rule 10.14 persons	A Director, an associate of a Director or another person captured by Listing Rule 10.14 may not acquire equity Securities under the Incentive Plan unless the required Shareholder approval has been obtained or an applicable exception is available.
