INVESTOR WEBINAR – BAILUNDO PROJECT

Connected Minerals Limited (**ASX:CML**) ("Connected" or "the Company") invites shareholders and interested parties to attend a webinar hosted by Chief Executive Officer and Managing Director, Stephen Wetherall, who will be presenting an update on the Company's Bailundo Niobium and REE Project in Angola.

Connected has recently acquired an extensive historical exploration dataset over Bailundo which identifies distinct niobium and rare earth exploration targets of significant grade and width, as detailed in the Company's ASX announcement dated 27 October 2026. The results reinforce the Company's view that Bailundo has the potential to be a significant niobium and rare earth opportunity.

Date: Wednesday 4th November 2026

Time: 12pm AEDT / 9am WST

Register here to attend the webinar:

Questions can be sent prior to the webinar to awillis@nwrcommunications.com.au and there will be an opportunity for webinar attendees to ask written questions during the webinar via a moderated Q&A session.

This announcement has been authorised for release by the Board of Directors.
