2. Action to be taken by Shareholders

Shareholders should read the Notice of the Meeting, including this Explanatory Memorandum, carefully and in its entirety before deciding how to vote on the Resolutions. If Shareholders are

in doubt as to how to vote, they should seek advice from their suitably qualified adviser prior to voting.

2.0 Voting by attending the Meeting

Shareholders will have the opportunity to be present at the Meeting virtually via a live webcast and will be able to vote electronically and ask questions via an online platform (including lodging a vote in real time).

You can access the platform at https://meeting.xcend.app/NS1AGMNOV26.

More information regarding online participation at the Meeting, including how to vote and ask questions, is set out in the "Important Information" section at the beginning of this Notice.

2.1 Voting by proxy

A Proxy Form is attached at the end of this Explanatory Memorandum at Annexure A. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

In accordance with articles 5.5 and 6.8 of the Constitution and section 249L(1)(d) of the Corporations Act, please note that:

(a) a Shareholder entitled to attend and vote at the Meeting is entitled to appoint a proxy;

(b) a proxy need not be a Shareholder of the Company; and

(c) a Shareholder entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes in accordance with section 249X(3) of the Corporations Act.

Shareholders and their proxies should be aware that:

- if proxy holders vote, they must cast all directed proxies as directed;
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed;
- an instrument of proxy in which the name of the appointee is not filled in is taken to be given in favour of the Chair; and
- if a Shareholder does not instruct its proxy on how to vote, the proxy may, subject to any voting exclusions applicable to each Resolution, vote as he or she sees fit at the Meeting.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

(a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);

(b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands;

(c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

(d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

(a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;

(b) the appointed proxy is not the chair of the meeting;

(c) at the meeting, a poll is duly demanded, or is otherwise required under section 250JA on the resolution; and

(d) either the proxy is not recorded as attending the meeting or the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.2 Voting as a corporate representative

Corporate shareholders who wish to appoint a representative to attend the Meeting on their behalf must provide that person with a properly executed letter or other document confirming that they are authorised to act as the corporate shareholder's representative. The authorisation may be effective either for the Meeting only or for all meetings of the Company.

2.3 Voting by power of attorney

The appointment of an attorney for the Meeting is not effective unless the instrument appointing the attorney, and the original or an attested copy of the power of attorney or other authority (if any) under which the instrument is signed, are received by the Company Secretary or delivered to the Company's registered office by no later than the commencement of the Meeting.

2.4 Chair's voting intentions

The Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention. Without limiting the above, where you have appointed the Chair as your proxy (or the Chair becomes your proxy by default), you expressly authorise the Chair to exercise your proxy on Resolution 1 (except where you have indicated a different voting intention on your Proxy Form), even though Resolution 1 is connected directly or indirectly with remuneration of members of the Company's Key Management Personnel.

2.5 Submitting questions

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company Secretary at investor@nodestream.tech by 5:00pm (AWST) on Monday, 23 November 2026.

Shareholders will also have the opportunity to virtually submit questions during the Meeting in respect to the formal items of business. In order to ask a question during the Meeting, please follow the instructions from the Chair.

The Chair will attempt to respond to the questions during the Meeting. The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their Shareholding and the number of Shares they hold).

3. Annual Report

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2026.

There is no requirement for Shareholders to approve the Annual Report. At the Meeting, Shareholders will be offered the opportunity to:

(a) discuss the Annual Report which is available online at **https://investors.nodestream.tech/**;

(b) ask questions about, or comment on, the management of the Company; and

(c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

(a) the preparation and content of the Auditor's Report;

(b) the conduct of the audit;

(c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and

(d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office at the time specified in Section 2.5 above.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so.

4. Resolution 1 – Adoption of Remuneration Report

4.0 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2026 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

4.1 Voting consequences

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election (**Spill Resolution**).

The Company's Remuneration Report did **not** receive a Strike at the 2025 annual general meeting held on 28 November 2025, where the Remuneration Report for the financial year ended 30 June 2025 received a vote of more than 75% in favour of the relevant resolution. Accordingly, the Spill Resolution is not relevant for this Meeting.

The Board believes that the Company's remuneration arrangements, as set out in the Remuneration Report, are fair, reasonable and appropriate and support the strategic direction of the Company.

The voting exclusion statement for Resolution 1 is set out in the Notice preceding this Explanatory Memorandum. Please refer to Section 2 in relation to important information relating to voting on this Resolution.

4.2 Board recommendation

Given the personal interests of all Directors in the outcome of Resolution 1, the Board declines to make a recommendation to Shareholders regarding Resolution 1.

The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 1, subject to compliance with the Corporations Act.

5. Resolution 2 – Re-election of Mr Ross McKinnon as Director

5.0 General

Article 7.2(a) of the Constitution and Listing Rule 14.4 provide that a Director, excluding the Managing Director, must not hold office without re-election past the third annual general meeting following the Director's election, or for more than 3 years, whichever is longer.

Pursuant to article 7.5 of the Constitution, any Director that retires in accordance with article 7.2 of the Constitution is eligible for re-election and that re-election takes effect at the conclusion of the Meeting.

In that event, the Board may appoint a person to fill the resulting casual vacancy in accordance with article 7.6 of the Constitution.

(c) **Independence:** In accordance with the Governance Principles, the Board considers that Mr McKinnon is an independent director. Mr McKinnon is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party. Additionally, Mr McKinnon is not a substantial Shareholder of the Company,

holding approximately 0.38% of the total issued Share capital of the Company as at the date of this Notice. Therefore, if re-elected, the Board will consider Mr McKinnon to be an independent Director.

5.2 Board recommendation

The Board (not including Mr McKinnon) recommends that Shareholders vote in favour of Resolution 2.

6. Resolution 3 – Re-election of Mr Jeffery Sengelman as Director

6.0 General

Article 7.2(a) of the Constitution and Listing Rule 14.4 provide that a Director, excluding the Managing Director, must not hold office without re-election past the third annual general meeting following the Director's election, or for more than 3 years, whichever is longer.

Pursuant to article 7.5 of the Constitution, any Director that retires in accordance with article 7.2 of the Constitution is eligible for re-election and that re-election takes effect at the conclusion of the Meeting.

Mr Jeffery Sengelman, the Chair of the Company, was last elected at the Company's annual general meeting held on 28 November 2023. Accordingly, Mr Sengelman retires at the Meeting and being eligible, stands for re-election at the Meeting pursuant to Resolution 3.

For the purposes of Listing Rule 14.1A, if Resolution 3 is passed, Mr Sengelman will be re-elected as a Director of the Company with effect from the conclusion of the Meeting and will continue as Non-Executive Chair. If Resolution 3 is not passed, Mr Sengelman will not be re-elected and, in accordance with article 7.3 of the Constitution, will cease to be a Director and the Chair of the Company at the conclusion of the Meeting. In that event, the remaining Directors may elect one of their number as Chair in accordance with article 10.4(a) of the Constitution, and the Board may appoint a person to fill the resulting casual vacancy in accordance with article 7.6 of the Constitution.

6.1 Qualifications and other material directorships

In accordance with Recommendation 1.2 of the Governance Principles, the Company provides the following information in respect of Mr Sengelman:

Having regard to the Governance Principles, a director who is, or has within the last three years been, employed in an executive capacity by the entity may be perceived to hold an interest, position or relationship that might influence, in a material respect, his capacity to bring an independent judgement to bear on issues before the Board. Mr Sengelman is not a substantial Shareholder of the Company, holding nil Shares as at the date of this Notice. Therefore, if re-elected, the Board will not consider Mr Sengelman to be an independent Director.

7. Resolution 4 – Ratification of prior issue of Shares to Citadel

7.0 General

On 31 July 2024, the Company entered into an agreement with Citadel Capital Pty Ltd (ACN 126 907 284) (**Citadel**) for the provision of company secretarial services by Citadel (through its nominated representative, George Lazarou) to the Company (**Citadel Mandate**).

Pursuant to the Citadel Mandate, the Company agreed, amongst other things, to pay to Citadel (or its nominee) in consideration for Citadel's services a fee of A$15,000 plus GST per month of which A$5,000 is to be satisfied by way of the issue of Shares and the GST portion of the fee payable in cash).

On 24 July 2026, 1,034,127 Shares were issued to Citadel's nominee, Eoz Pty Ltd (ACN 149 838 960) ATF Zeus A/C, in satisfaction of A$15,000 in fees otherwise payable to Citadel for its

company secretarial services to the Company in the months of April, May and June 2026 (**Citadel Shares**), without Shareholder approval in reliance on the Company's 15% Placement Capacity under Listing Rule 7.1.

Resolution 4 seeks Shareholder approval pursuant to Listing Rule 7.4 to ratify the prior issue of 1,034,127 Citadel Shares which, if approved, will restore approximately 0.34% of the Company's 15% Placement Capacity under Listing Rule 7.1

The Citadel Shares were issued to the following nominee of Citadel at the following deemed issue prices, which represented the volume weighted average price (**VWAP**) of the Company's Shares traded on ASX during the calendar month to which the relevant invoice relates:

Recipient	Citadel Shares	Deemed issue price	Invoice date
Eoz Pty Ltd (ACN 149 838 960) ATF Zeus A/C	438,290	A$0.0114, being the VWAP for April 2026	30 April 2026
	252,341	A$0.0198, being the VWAP for May 2026	31 May 2026
	343,496	A$0.0146, being the VWAP for June 2026	30 June 2026
TOTAL:	1,034,127	-	-

7.1 Application of Listing Rules 7.1 and 7.4

Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue or agree to issue without the approval of its Shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period (15% Placement Capacity), subject to certain limited exceptions.

The issue of the Citadel Shares did not qualify under any of the exceptions to the Company's 15% Placement Capacity under Listing Rule 7.2 and, accordingly, was issued in reliance on the Company's 15% Placement Capacity. This reduced the Company's 15% Placement Capacity under Listing Rule 7.1 by approximately 0.35% for the 12-month period following the date of issue.

Listing Rule 7.4 allows the shareholders of a listed company to ratify a previous issue of Equity Securities made without Shareholder approval under Listing Rule 7.1, provided the issue did not breach Listing Rule 7.1. Once ratified, the issue is taken to have been approved under Listing Rule 7.1, thereby allowing the Company to issue further Equity Securities equal to the number of Equity Securities ratified without Shareholder approval, in reliance on the Company's 15% Placement Capacity.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 4 seeks Shareholder approval to ratify the issue of the 1,034,127 Citadel Shares under and for the purposes of Listing Rule 7.4.

7.2 Specific information required by Listing Rule 7.5

The Company provides the following information with respect to Resolution 4 pursuant to Listing Rule 7.5:

Identity of the persons to whom securities were issued	The Citadel Shares the subject of Resolution 4 were issued to Eoz Pty Ltd (ACN 149 838 960) ATF Zeus A/C, being a nominee of Citadel Capital Pty Ltd (ACN 126 907 284) (**Citadel**).

Material terms of securities	Each Citadel Share is a fully paid ordinary share in the issued capital of the Company.
Date securities were issued	The Citadel Shares were issued on 24 July 2026.
Issue price (or other consideration)	The Citadel Shares were issued for nil cash consideration, at the deemed issue prices outlined in Section 7.0 above, and as part consideration for the company secretarial services provided by Citadel. The Company has not and will not receive any cash funds for the issue of the Citadel Shares.
Purpose of issue	The Citadel Shares were issued in part consideration for the provision of company secretarial services provided by Citadel to the Company.
Material terms of agreement	Other than as disclosed in Sections 7.0 and 7.2, there are no other material terms associated with the issue of the Citadel Shares the subject of Resolution 4.
Voting exclusion statement	A voting exclusion statement applies to Resolution 4 and has been included in the Notice of meeting preceding this Explanatory Memorandum.

7.3 Effect of Resolution 4 being passed or not passed

If Resolution 4 is passed, the 1,034,127 Citadel Shares will be excluded in calculating the Company's 15% Placement Capacity under Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue date of those Citadel Shares by approximately 0.05% in total based on the total issued share capital of the Company as at the date of this Notice.

If Resolution 4 is not passed, the 1,034,127 Citadel Shares will be included in calculating the Company's 15% Placement Capacity under Listing Rule 7.1, effectively decreasing the number

of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue date of those Citadel Shares by approximately 0.05% in total based on the total issued share capital of the Company as at the date of this Notice.

As at the date of this Notice, the Company has utilised 0.34% of its 15% Placement Capacity.

7.4 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 4.

8. Resolution 5 – Approval to issue Options to Convertible Noteholders

8.0 General

As announced to ASX on 28 September 2026, the Company has entered into deeds of variation (or amendment deeds) with the holders (**Noteholders**) of its convertible notes (**Convertible Notes**) to extend the maturity dates of four convertible note deed polls by up to 12 months, as follows:

(a) secured Convertible Notes with an aggregate face value of A$4,000,000 issued under the convertible note deed poll dated 18 October 2019 (as amended), extended from 1 October 2026 to 1 October 2027;

(b) unsecured Convertible Notes with an aggregate face value of A$2,000,000 issued under the convertible note deed poll dated 14 October 2024, extended from 14 October 2026 to 14 October 2027;

(c) unsecured Convertible Notes with an aggregate face value of A$825,000 issued under the convertible note deed poll dated 27 November 2024, extended from 27 November 2026 to 27 October 2027; and

(d) unsecured Convertible Notes with an aggregate face value of A$1,500,000 issued under the convertible note deed poll dated 25 February 2025, extended from 25 February 2027 to 10 November 2027.

Other than the extension of the maturity dates and the issue of the Noteholder Options, all other terms and conditions of the Convertible Notes remain unchanged.

In consideration for the Noteholders agreeing to the extensions, the Company has agreed, subject to Shareholder approval, to issue to the Noteholders a total of up to 189,204,546 Options, each exercisable at A$0.015 and expiring two years from the date of issue (**Noteholder Options**). Each Noteholder will receive one Noteholder Option for every two Shares that would be issued on conversion of the face value of its Convertible Notes at A$0.022 per Share, as follows:

Noteholder	Noteholder Options
Schaffer Corporation Limited	45,454,545

Nicholas Burton	1,136,364
Lin Family WA Pty Ltd <Lin Family SF A/C>	2,272,727
Total	**189,204,546**

The Noteholder Options will, if issued and exercised, result in the issue of 189,204,546 Shares, which will represent approximately 8.63% of the Company's issued share capital on an undiluted basis (based on 2,012,850,140 Shares on issue as at the date of this Notice and assuming no other Shares are issued).

8.1 Application of Listing Rule 7.1

As noted in Section 7.1 above, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue or agree to issue without Shareholder approval over any 12 month period to the 15% Placement Capacity, subject to certain limited exceptions.

The issue of the Noteholder Options does not fit within any of the exceptions to Listing Rule 7.1. Although the Company has sufficient placement capacity under Listing Rule 7.1 to issue the Noteholder Options without Shareholder approval, doing so would use approximately 63.2% of the Company's remaining 15% Placement Capacity, and the Company has agreed with the Noteholders that the issue of the Noteholder Options is subject to Shareholder approval. Accordingly, the Company is seeking the approval of Shareholders to issue the Noteholder Options under Resolution 5.

The effect of Shareholders passing Resolution 5 will be to allow the Company to issue the Noteholder Options and otherwise retain the flexibility to issue further Equity Securities in the future in reliance on its 15% Placement Capacity under Listing Rule 7.1, to the extent available, without the requirement to obtain prior Shareholder approval.

8.2 Specific information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the Company provides the following information with respect to Resolution 5:

Names of persons to whom the Company will issue the securities	The Noteholder Options the subject of Resolution 5 will be issued to the Noteholders (or their permitted nominees) in the numbers set out in Section 8.0. None of the Noteholders is a Related Party of the Company. Skyline Corporation Pty Ltd will be issued Noteholder Options exceeding 1% of the Company's issued capital and is a substantial holder of the Company at 5.66% and is therefore a Material Investor.
Number and class of securities to be issued	A maximum of 189,204,546 Noteholder Options is proposed to be issued under Resolution 5.
Summary of material terms of the securities	Each Noteholder Option is exercisable into one fully paid ordinary share at an exercise price of A$0.015 and expires at 5:00pm (AWST) on the date that is two years from its date of issue. The Noteholder Options will be unquoted. The terms and conditions applying to the Noteholder Options are set out in Schedule 2.
Proposed date of issue	If Resolution 5 is approved, the Noteholder Options will be issued as soon as possible, but in any case no later than 3 months, after the date of the Meeting.
Issue price, purpose of the issue and intended use of funds raised	The Noteholder Options will be issued for nil cash consideration, in consideration for the Noteholders agreeing to extend the maturity dates of their Convertible Notes. Accordingly, no funds will be raised from the issue of the Noteholder Options. However, if any of the Noteholder Options are exercised, the holder will be required to pay the Company an exercise price of A$0.015 per Noteholder Option. This will result in the Company receiving up to A$2,838,068 (if all of the Noteholder Options are exercised), which the Company intends to apply to general working capital.

Summary of any other material terms	The terms of issue of the Noteholder Options are set out in Schedule 2. The Noteholder Options are being issued in consideration for the extensions effected by the deeds of variation and amendment deeds described in Section 8.0. Other than as set out in this Section 8, there are no other material terms in relation to the proposed issue of the Noteholder Options.
Voting exclusion statement	A voting exclusion statement applies to Resolution 5 and is set out in the Notice of meeting preceding this Explanatory Memorandum.

8.3 Effect of Resolution 5 being passed or not passed

If Resolution 5 is passed, the Company will be able to issue the Noteholder Options, and the Noteholder Options will be excluded in calculating the Company's 15% Placement Capacity under Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not be able to issue the Noteholder Options with Shareholder approval under Listing Rule 7.1. In that case, the Board will review all options available to it, including issuing the Noteholder Options in reliance on the Company's 15% Placement Capacity under Listing Rule 7.1, provided sufficient capacity is available at the time. Any Noteholder Options issued in that way would reduce the number of Equity Securities the Company can issue without Shareholder approval under Listing Rule 7.1 for the following 12 months.

8.4 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 5.

9. Resolution 6 – Approval of Additional 10% Placement Capacity

9.0 General

As noted in Section 7.1 above, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue or agree to issue without the approval of its Shareholders over any 12 month period to the 15% Placement Capacity, subject to certain limited exceptions.

Under Listing Rule 7.1A, an Eligible Entity can increase its 15% placement capacity to issue Equity Securities by an additional 10% of the Company's total issued share capital, by obtaining approval from its members, by way of a special resolution passed at its annual general meeting (**Additional 10% Placement Capacity**). By doing so, an Eligible Entity can, issue or agree to issue Equity Securities totalling up to 25% of its issued capital at the time of issue or agreement, for a period of 12 months from the date of its last annual general meeting at which such approval was obtained.

Pursuant to the Listing Rules, an 'Eligible Entity' refers to an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of A$300,000,000 or less (**Eligible Entity**). The Company is an eligible entity for these purposes as, at the date of this Notice, the Company is not included in the S&P/ASX 300 Index and has a current market capitalisation of A$6,038,550 (based on the number of Shares on issue and the closing price of Shares on the ASX on 21 October 2026).

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A.

To this end, Resolution 6 seeks Shareholder approval by way of special resolution for the Company to have the Additional 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

9.1 Technical information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 6:

(a) **Period for which the Additional 10% Placement Capacity is valid**

The Additional 10% Placement Capacity will commence on the date of the Meeting and expire on the first to occur of the following:

(i) the date that is 12 months after the date of this Meeting;

(ii) the time and date of the Company's next annual general meeting; and

(iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price**

Any Equity Securities issued under the Additional 10% Placement Capacity must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 trading days of the date in Section 9.1(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the Additional 10% Placement Capacity**

The Company intends to use funds raised from issues of Equity Securities under the Additional 10% Placement Capacity to provide further funding, if required, for assessment of future opportunities, ongoing administration and corporate costs, general working capital and/or for the acquisition of new businesses, assets or other investments.

The total amount raised by the issue of Equity Securities under the Additional 10% Placement Capacity will depend on the market price of the Company's quoted Equity Securities at the time of issue of the relevant Equity Securities. As at the date of this Notice, the Company has not formed any intention to offer Equity Securities under the Additional 10% Placement Capacity to any particular person or at any particular time (assuming that Resolution 6 is passed). Should an issue be made under the Additional 10% Placement Capacity, the specific purposes for which such issue is made will be disclosed by way of ASX announcement at the time of issue, in addition to the other information required to be disclosed under Listing Rule 7.1A.4.

(d) **Risk of economic and voting dilution**

Any issue of Equity Securities under the Additional 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 6 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the anticipated dilutionary effect of an issue of Shares on the relevant interest and voting power of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 21 October 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the Additional 10% Placement Capacity.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		**Dilution**			
		Shares issued – 10% voting dilution	**Issue price**		
			A$0.015	**A$0.03**	**A$0.06**
			50% decrease	**Issue price**	**100% increase**
			Funds Raised		
Current	2,012,850,140 Shares	201,285,014 Shares	A$3,019,275	A$6,038,550	A$12,077,101
50% increase	3,019,275,210 Shares	301,927,521 Shares	A$4,528,913	A$9,057,826	A$18,115,651
100% increase	4,025,700,280 Shares	402,570,028 Shares	A$6,038,550	A$12,077,101	A$24,154,202

**The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.*

The table above uses the following assumptions:

1. There are currently 2,012,850,140 Shares on issue.

2. The issue price set out above is the closing market price of the Shares on the ASX on 21 October 2026.

3. The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity. No existing Shareholder is issued with any Shares under the Additional 10% Placement Capacity – in other words, the maximum rate of dilution to existing Shareholders is assumed.

4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1.

5. The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares. It is assumed that no Options or other convertible securities are exercised into Shares before the date of issue of the Equity Securities.

6. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.

7. The 10% voting dilution reflects the maximum percentage dilution of the relevant interest and voting power of existing Shareholders in the Company, as a result of the issue of Equity Securities under the Additional 10% Placement Capacity, as against the relevant interest and voting power of existing Shareholders immediately before the time of issue. This is why the voting dilution is shown in each example as 10%.

8. The table does not show the possible dilutionary effect on any one particular Shareholder by reason of placements under the Additional 10% Placement Capacity. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Shareholders should note that there is a risk that:

(i) the market price for the Company's Equity Securities may be significantly lower on the issue date of any Equity Securities under the Additional 10% Placement Capacity as compared to the status quo or the market price of those Equity Securities on the date of the Meeting;

(ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the date of issue, but subject to the minimum price requirements referred to in Section 9.1(b) above;

(iii) the price for the Company's Equity Securities is subject to fluctuation, which may result from a diverse range of factors, including non-company-specific influences such as global epidemics, hostilities and tensions, the general state of the economy, fluctuations in interest and/or foreign exchange rates; and

(iv) the issued capital of the Company may be significantly larger on the date of issue of any Equity Securities under the Additional 10% Placement Capacity as

compared to the status quo or the market price of those Equity Securities on the date of the Meeting,

(v) all of which may result in the actual number of Equity Securities and amount of funds raised by the issue of Equity Securities under the Additional 10% Placement Capacity differing (possibly to a material extent) from the Company's expectations in the circumstances that prevail at the date of this Notice or the date of the Meeting.

(e) **Allocation policy under the Additional 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the Additional 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both).

The Company will determine the recipients at the time of the issue under the Additional 10% Placement Capacity, having regard to the following factors:

(i) the purpose of the issue;

(ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;

(iii) the effect of the issue of the Equity Securities on the control of the Company;

(iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

(v) prevailing market conditions; and

(vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2025 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 30 November 2025, the Company issued a total of 227,692,933 Shares pursuant to the Previous Approval, which represents approximately 23.70% of the total number of Shares on issue at the commencement of that 12-month period (being 960,683,454 Shares). The Shares issued on 4 March 2026 (being 107,505,211 Shares issued under Listing Rule 7.1A and 9,049,075 Shares issued under Listing Rule 7.1) were subsequently ratified by Shareholders under Listing Rule 7.4 at the general meeting held on 20 April 2026, and the Shares issued on 3 June 2026 (being 120,187,722 Shares issued under Listing Rule 7.1A and 179,812,278 Shares issued under Listing Rule 7.1) were ratified by Shareholders under Listing Rule 7.4 at the general meeting held on 16 July 2026.

(g) Information required by Listing Rule 7.3A.6

9.2 Consequences of Resolution 6 being passed

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

The actual number of Equity Securities that the Company will be permitted to issue under Listing Rule 7.1A will be calculated as at the date of issue or agreement to issue the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

Based on the issued capital of the Company as at the date of this Notice, and subject to Resolution 4 being approved, the Company will be permitted to issue up to:

(a) 301,927,521 Equity Securities under Listing Rule 7.1; and

(b) 201,285,014 Equity Securities under Listing Rule 7.1A.

subject to any other Shareholder approvals required under the Corporations Act and Listing Rules (e.g. where the recipient is a related party).

9.3 Consequences of Resolution 6 not being passed

If Resolution 6 is not passed, the Company will not be able to access the additional 10% placement capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

9.4 Voting exclusion statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement in respect of Resolution 6 is not included in this Notice.

9.5 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 6.

10. Resolution 7 – Re-insertion of Proportional Takeover Bid Approval Provisions

10.0 General

The Constitution contains proportional takeover bid approval provisions at article 4.9 and Schedule 5 (**Proportional Takeover Provisions**), which enable the Company to refuse to

register Shares acquired under a proportional takeover bid unless a resolution approving the bid is passed by Shareholders. Under section 648G of the Corporations Act, proportional takeover provisions cease to have effect three years after their adoption or last renewal and may be renewed by special resolution.

The Proportional Takeover Provisions were last approved by Shareholders at the Company's annual general meeting held on 28 November 2023 and, accordingly, cease to have effect on 28 November 2026, being before the date of this Meeting.

Resolution 7 seeks the approval of Shareholders, by special resolution, to modify the Constitution by re-inserting the Proportional Takeover Provisions for a further three years from the date of the Meeting, under sections 648G(4) and 136(2) of the Corporations Act. The Proportional Takeover Provisions to be re-inserted are identical to those contained in Schedule 5 of the Constitution. A copy of the Constitution is available on the Company's website at **https://investors.nodestream.tech/** and may be obtained free of charge from the Company Secretary.

The Corporations Act requires the Company to provide Shareholders with an explanation of the Proportional Takeover Provisions, as set out below.

10.1 Information required by section 648G(5) of the Corporations Act

(a) Effect of the Proportional Takeover Provisions

A proportional off-market takeover bid (**PT Bid**) is a takeover offer sent to all Shareholders, but only for a specified proportion of each Shareholder's Shares. If the Proportional Takeover Provisions are re-inserted and a PT Bid is made for Shares in the Company, the Directors must ensure that a resolution to approve the PT Bid is voted on by Shareholders before the 14th day before the last day of the bid period.

The bidder and its associates are not entitled to vote on the resolution. The resolution is taken to have been passed if more than one-half of the votes cast on it are in favour. If no resolution has been voted on by the end of the day before the 14th day before the last day of the bid period, the resolution is taken to have been passed. Where the resolution is passed (or taken to have been passed), transfers of Shares resulting from acceptance of the PT Bid will be registered, provided they otherwise comply with the Corporations Act, the Listing Rules, the ASX Settlement Operating Rules and the Constitution. If the resolution is rejected, the registration of any transfer resulting from acceptance of the PT Bid is prohibited, and the PT Bid is taken to have been withdrawn.

The Proportional Takeover Provisions do not apply to full takeover bids. If re-inserted, they will cease to have effect three years after the date of the Meeting, unless renewed again by special resolution of Shareholders.

(b) Reasons for proposing the resolution

The Directors consider that Shareholders should have the opportunity to re-insert the Proportional Takeover Provisions. Without them, a PT Bid may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their Shares to the bidder. Shareholders could be at risk of passing control to the bidder without

payment of an adequate control premium for all of their Shares, while leaving themselves as part of a minority interest in the Company.

Without the Proportional Takeover Provisions, if there were a PT Bid and Shareholders considered that control of the Company was likely to pass, Shareholders would be placed under pressure to accept the PT Bid even if they did not want control of the Company to pass to the bidder. Re-inserting the Proportional Takeover Provisions will make this less likely, by permitting Shareholders to decide whether a PT Bid should be permitted to proceed.

(c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) Advantages and disadvantages of the Proportional Takeover Provisions while in effect

No takeover bid has been made for any Shares in the Company while the Proportional Takeover Provisions have been in effect and, accordingly, the Proportional Takeover Provisions have not been applied. The Directors consider that the potential advantages and disadvantages described in paragraph (e) below have also applied during the period in which the Proportional Takeover Provisions were in effect.

(e) Potential advantages and disadvantages of the Proportional Takeover Provisions

Re-inserting the Proportional Takeover Provisions will enable the Directors to formally ascertain the views of Shareholders about a PT Bid. Without these provisions, the Directors are dependent on their perception of the interests and views of Shareholders. Other than this, the Directors consider that re-inserting the Proportional Takeover Provisions has no potential advantages or disadvantages for them, as they remain free to make a recommendation on whether a PT Bid should be accepted.

The Directors consider that re-inserting the Proportional Takeover Provisions benefits all Shareholders, in that they will have an opportunity to consider a PT Bid and then attend, or be represented by proxy at, a meeting of Shareholders called specifically to vote on the proposal. Shareholders will be able to prevent a PT Bid proceeding if there is sufficient support for the proposition that control of the Company should not be permitted to pass under it. Knowing the view of Shareholders also assists each individual Shareholder to assess the likely outcome of the PT Bid and whether to accept or reject it.

As to the possible disadvantages for Shareholders, the Proportional Takeover Provisions may make a PT Bid more difficult, and PT Bids may therefore be discouraged. This may reduce the opportunities Shareholders have to sell all or some of their Shares at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's Share price. The Proportional Takeover Provisions may also be considered an additional restriction on the ability of individual Shareholders to deal freely in their Shares.

The Directors consider that there were no other advantages or disadvantages for Directors or Shareholders during the period in which the Proportional Takeover Provisions were in effect, other than those discussed in this Section.

10.2 Additional information

Resolution 7 is a special resolution and therefore requires the approval of at least 75% of the votes cast by Shareholders entitled to vote on it. No voting exclusion statement applies to Resolution 7.

10.3 Board recommendation

The Directors do not believe the potential disadvantages outweigh the potential advantages of re-inserting the Proportional Takeover Provisions. The Board unanimously recommends that Shareholders vote in favour of Resolution 7.
