Next steps

The Scheme remains subject to the approval of the Court at the hearing scheduled for 9:15am (Sydney time) on Wednesday, 18 November 2026, and certain other conditions precedent described in the Scheme Booklet.

If the outstanding conditions precedent are satisfied or waived (if applicable) prior to the hearing, and the Court approves the Scheme, oOh! proposes to lodge the orders of the Court with the Australian Securities and Investments Commission (which is expected to occur on Thursday, 19 November 2026), at which time the Scheme will become legally effective. It is then expected that:

- oOh! shares will be suspended from trading on the ASX from market close on the date that the Scheme becomes legally effective;
- the oOh! Board will determine to pay a Permitted Dividend of $0.10 per oOh! Share prior to the Record Date, subject to liquidity requirements, the availability of franking credits, and the determination and payment of the Permitted Dividend complying with applicable legislative requirements; and
- on Thursday, 10 December 2026, the Scheme will be implemented and oOh! shareholders who are on the share register at 5:00pm (Sydney time) on Thursday, 3 December 2026 will receive $1.68 cash per oOh! share held at that date reduced by the amount of (but not the value of any franking credit attached to) any Permitted Dividend.

The above timetable is indicative only and the stated times and dates are subject to change. oOh! will announce any such changes to the ASX.

This announcement has been authorised for release to the ASX by the Chair of the Board.
